All stone, asphalt, and concrete depths indicated are to be interpreted as average depths prior to compaction. Actual Asphalt Repair depth regardless of depth specified on the front will only go to the stone base or specified depth whichever is less.

Drainage is not guaranteed on areas having less than 2% grade.

If contract is cancelled by Purchaser prior to commencement of work, Purchaser will pay Contractor twenty percent (20%) of total contract price.

Unit prices, if specified, shall apply to all extra work performed beyond the original scope, if such work can be performed at the same time Contractor is working at the site on original items of work. Contractor reserves the right to renegotiate the terms and conditions, including price if it must move any equipment back to the site to perform additional work. Contractor will be under no obligation to perform any extra work.
