Hutchinson Recreation & Design - Terms and Conditions

Page 1 of 4 (Terms and Conditions & Proposal Facts)

The quotation, terms and conditions, and proposal facts must be attached and included as an exhibit to any contract, which is entered into as a result of this quotation. Failure to do so will result in such contract being returned unsigned until these items have been included, thus delaying the processing of your order.

PLEASE NOTE FOR ALL QUOTES / BIDS – INSTALLATION IS NOT INCLUDED UNLESS SPECIFICALLY NOTED ON THE QUOTE / BID.

Equipment orders with Installation service: Continuous access will be provided to the installation crew for heavy equipment traffic without obstruction for delivery and installation of equipment, safety surfacing, and any other materials or furnishing provided on this quotation throughout the installation. The site is free of any private utilities or underground items unless marked by owner. Any local labor requirements are by other. All items below are not included unless specifically stated on the quotation. Excessive rock excavation is not included in standard pricing. Proper site grade has been completed prior to the arrival of the installation crew. Additional mobilization costs will be charged for each trip if site is not ready for the installation of the equipment. Core drilling or saw cutting of existing or new concrete or asphalt is not included. The installation of all furnishings and equipment not indicated as surface mount or portable should be scheduled for installation prior to concrete or asphalt construction or blocked out for in concrete forms. Installation prices assume normal soil conditions, easy access to site with trucks. If it becomes necessary to cross landscaping, sidewalks, or grass areas to reach project area, re-seeding or sodding may be necessary - the customer will be responsible unless otherwise noted on quote. Installation does not include any allowance for moving or repairing any underground utility lines such as electrical, telephone, gas, water or sprinkler lines that may be encountered during installation operations. Any additional costs incurred as a result of hard rock conditions requiring extra equipment, or for utility removal or repair resulting in delay is for customer's account, unless they are detailed on as built site drawings or marked on the ground prior to quotation, fabrication and installation.

Owner/Contractor site preparation and installation notes and instructions:

- **OWNER/CONTRACTOR RESPONSIBILITY FOR GRASS AND TREE REMOVAL PRIOR TO INSTALLATION OF PLAYGROUND EQUIPMENT:**
- If site conditions become too wet to install equipment, drying agents such as lime can be applied at additional costs to be borne by Owner. The application of drying agents must be pre-approved via written instrument, signed by both Owner and Hutchinson Recreation & Design, before application begins.
- Any on-site installation, site work, or surfacing change orders must be pre-approved via written instrument, signed by Owner & Hutchinson Recreation & Design, Inc. before change orders are executed. Hutchinson Recreation & Design, Inc. is not responsible or liable for any verbal or other negotiations with installers made without approval and a signed change order from our office.
- Removal and replacement of existing surfacing materials is not included unless specifically indicated on the quotation.
- Owner is responsible for locating and marking all private utility locations and notification of any other underground items prior to quotation, fabrication, and installation. Hutchinson Recreation & Design will not be responsible for any underground items encountered or any damage to such items not marked or pointed out by the owner. Any delay or cost to repair as a result will be at an additional cost to the owner. If installation is included on quote public locates will be called out by the install company prior to install – NOT private locates.
- Quotations for Engineered Wood Fiber do not include gravel drainage systems; gravel sumps or daylight drains unless specifically noted on quote / bid.
- Required installation grade includes: Site excavated to proper depth and grade should be no greater than 2% for drainage. Owner/Contractor will provide safety/storage of equipment/security fencing until equipment and surfacing is ready for installation and use – unless specifically noted on quote as included by us.

Additional information regarding Safety Surfacing for Playground Projects:

- Purchaser shall be responsible for storage of all products and security, as needed, to prevent vandalism and/or damage of any type to the surface during installation process, curing time, and after the installation is completed. Surface quotes are based on thickness/critical fall heights performances as tested by an accredited laboratory, and are not subject to results generated by hand held, suspect field-testing equipment.
- Purchaser is responsible for storage of all resin, glue, and binder in a temperature controlled environment. Any materials left outside will be at the sole cost of the purchaser if replacement products are needed.
- If site is prepared by other and if the site is over the square foot agreed upon the customer will be charged for the additional square foot based on the critical fall height of equipment and price/square foot.
- Price excludes concrete, asphalt, site work, base aggregate, compaction or preparation etc.
- If customer or other is preparing the sub base for unitary surfacing, then customer or other is responsible to adhere to manufacturers sub base requirements/specifications and provide photo field verification to our office prior to scheduling of surfacing install crews. PLEASE NOTE: Lead times vary for the scheduling of the surfacing install crews at certain times of the year. Please check with our office for tentative scheduling dates at the time of order.
- If loose fill engineered wood fiber is being purchased customer is aware that: Due to the nature of wood fiber, wood fiber will vary in size and type of wood if purchased in differing time frames. Engineered Wood fiber surfacing is for safety purposes 1st and the aesthetic look and feel of the wood fiber is inconsistent. The variance will meet all required guidelines/specifications from the manufacturer.

Owner/Contractor delivery and receipt of shipment:

- Unloading is not included with installation unless specifically noted on the quote / bid.
- The Owner/Contractor will be notified 24 hours or more prior to delivery whenever possible.
- It is assumed that all materials can be delivered to the jobsite, and the Owner/Contractor will provide a secure location to store the equipment prior to installation. Installation price does not include transportation of materials from a secondary secure delivery location to job site.
- Delivery does not include lift-gate service-unless specifically noted on quote/bid. Those services, depending on product, may be available by request for an extra cost to the owner.
- Lead-times vary by manufacture and are subject to change without notice. Please ask our office at the time of order for approximate shipping lead times. Please provide firm shipment schedules at time of order, delivery dates requested outside of normal manufacturing days may be subject price increases from suppliers for materials and freight.

Insurance: This proposal contains standard General Liability and Workers Compensation coverage – when applicable. Any waivers of subrogation and primary non-contributory endorsement requirements require additional premium to the provider. Any additional such charges to our policies as a result of the awarding of a contract based upon this proposal will be passed through to you at your additional expense.

Quotation does NOT include the following (Unless specifically stated on the quotation / bid): taxes, prevailing wages, permits, local business license, state or local approvals, performance/payment bond, engineering seals, testing, site preparation, or storage of equipment, installation, supervision, removal of excess dirt from footings or any site excavation, borders, safety surfacing, unloading of equipment, security, fencing, custom colors on equipment or materials, or landscaping!

Order and Payment Terms: Any orders that are tax-exempt will require a copy of the tax-exempt certificate at the time of order. All applicable tax will be added to final invoice. Payment terms to be determined at the time of order. If applying for credit, unless credit is approved by Hutchinson Recreation & Design and/or Manufacturing Company, a 50% or 100% prepayment may be required. Cash in advance discounts available on certain equipment, NO retainage/retentions allowed. Quotation is valid for 21 days. Past due accounts will be assessed interest at the rate of 1.5% per month. Hutchinson Recreation & Design shall be entitled to recover its reasonable attorneys' fees and costs if legal action is brought to collect amounts due. Please Note: Due to the Global Pandemic our suppliers/partners are experiencing labor shortages, raw material shortages and disruptions in supply chains worldwide. Global production for factories worldwide has been significantly affected. Lead times are now approximate only. All orders are subject to delay. We appreciate your business and understanding.

Failure to comply with these terms and conditions will result in additional charges or contract change orders. Please contact our office with any questions concerning the attached quotation or terms and conditions, or if any additional services are required for your Project. Thank you for the opportunity to provide this quotation.

Poligon Products only:

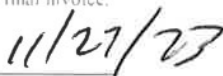

1. Pricing assumes Risk Category II for all structures with roof coverings and Risk Category I for all other structures (e.g. trellis, portal, etc.) as well as Wind Exposure C and clear wind flow as defined by ASCE 7, unless noted otherwise.
2. Pricing assumes a 20' separation between any adjacent structure with an eave height equal to or greater than the eave height of this structure if the ground snow load is greater than 0 PSF to account for drifted snow, unless noted otherwise.
3. Pricing assumes standard size electrical cutouts, unless noted otherwise: 2-3/8" wide x 4" tall single gang cutouts in columns at 18" or 48" above finish grade or 3/4" diameter cutouts in roof framing members.
4. Quotation is based on Poligon's interpretation of any drawings or documentation provided at time of quote request.
5. Deviation of design from the supplied quote and preliminary drawing may result in price changes. All design changes should be submitted to Poligon for re-quoting purposes.
6. Poligon provides pricing and engineering for the most cost effective and efficient frame, meeting Poligon's design philosophy of hidden bolted connections (no field welding required).
7. If this quotation does not reference specific design elements that must be incorporated, please work with Hutchinson Recreation & Design to update the quotation as required (e.g. column sizes, column locations, roof pitch, etc.).
8. All member sizes are preliminary until the engineering package has been completed. Preliminary reaction forces and foundation sizing may be provided upon request and should be used for budget purposes only.

Acceptance of Quotation:

The undersigned, by its duly authorized representative hereby authorizes Hutchinson Recreation to have the manufacturer ship the equipment listed on the accompanying quote, and complete the specified tasks, for which the undersigned agrees to pay the total amount specified. The undersigned acknowledges that it has read and agreed to the Terms and Conditions. Payment terms to be determined at the time of order. Non-taxable customers must provide proper tax exemption certificate to manufacturer at time of order or tax will be added to final invoice.
