LOCAL LAW 1 - 2023

A LOCAL LAW TO AMEND THE CODE OF THE TOWN OF LLOYD CHAPTER 98, ENTITLED "WATER", ARTICLE III "SERVICE", SECTION 98-5 A, 98-5 C, AND ARTICLE IV "RATES", 98-13, 98-15, 98-18, 98-19 AND 98-20.1, TO PROVIDE THAT THE RATES CHARGED PURSUANT THERETO MAY BE SET BY RESOLUTION OF THE TOWN BOARD.

Section 1

The Code of the Town of Lloyd, Chapter 98, entitled "Water", Article III, entitled "Service", Section 98-5 A, 98-5 C, and Article IV, entitled "Rates", be and the same is hereby amended by deleting existing Sections 98-5 A, 98-5 C, 98-13, 98-15, 98-18, 98-19, and Section 98-20.1, and enacting new sections as follows:

"Section 98-5. Applications for water service.

- A. Application for water service to any premises not being served as of the effective date of these rules, regulations and rates shall be made by the property owner to the Highland Water District on the form provided by the district for such purpose. A fee shall be paid on the filing of such application, which fee shall be set by the Town Board by resolution and amended from time to time. The estimated total cost, based on time and material, shall be calculated. A minimum fee, which fee shall be set by the Town Board by resolution and amended from time to time, for a service connection shall be paid whether or not the actual time and material exceed that amount. The fee is for reimbursement to the district for its cost for connection to the district facilities. Persons requesting a single three-fourths-inch service line connection or greater shall so indicate on the application form. The

Superintendent shall then determine if service greater than three-fourths inch is feasible. The applicant shall be advised of such estimate and shall pay 50% thereof to the Town Clerk. The actual cost of the labor and materials required to complete such special service shall be computed by the Superintendent upon the completion of the work, and the difference between the actual cost and the 50% paid when the estimate was given, which shall be the final balance, shall be paid by the applicant before water service is turned on.”

- C. The applicant shall, at his own cost and expense, and in accordance with plans, specifications and schematics furnished by the Water District, install the service line and the meter. The water shall be turned on at the curb stop by the Water District only after inspection by and approval of the district of the meter installation, service line and all plumbing and fixtures connected therewith. Said fee, which may increase depending on the number of inspections, shall be set by the Town Board by resolution and amended from time to time.”

“Section 98-13. Rates established.

The rates for service and water supply to any customer of the Highland Water District shall be levied on the basis of the amount of water from the Highland Water District used by each water using at such per gallon, or fraction thereof, rates as the Town Board may from time to time establish by resolution and amended from time to time.”

“Section 98-15. Rate of water supply to non-metered users.

The rate for water supplied to non-metered users shall be levied on the basis of the amount of water from the Highland Water District used by a non-metered user at such per gallon of water, or a fraction thereof, rate as the Town Board may from time to time establish by resolution and amended from time to time."

"Section 98-18. Restoration charges.

In any case where service has been discontinued or terminated, a restoration fee shall be paid before water service and water is supplied. Such restoration fee shall be set as the Town Board may establish from time to time by resolution, and amended from time to time."

"Section 98-19. Charges for fire hydrants and sprinkler systems.

- A. There shall be an annual charge per hydrant made to the Highland Fire District for the furnishing of water service and water. Such charge shall be set by the Town Board by resolution, and amended from time to time.
- B. There shall be a quarterly charge for any sprinkler or other fire-protection system connected to district water services that is nonmetered, which charge shall be set by the Town Board by resolution and amended from time to time."

"Section 98-20.1. Fees for meter readings.

Consumers requesting a reading of their water meters other than the customary quarterly meter readings shall be charged a fee, which fee shall be set by the Town Board by resolution and amended from time to time."

Section 2
