

**WEST BRANDYWINE TOWNSHIP
RESOLUTION NO. 06-2024
Fee Schedule**

BE IT RESOLVED AND ENACTED, the West Brandywine Township Board of Supervisors hereby adopts the following schedule of fees to be paid to the Township upon submission of the listed permits

Where fees are based upon estimated costs, the valuation of the proposed construction or work shall include the entire value of such construction or work. The Township Codes/Building Inspector and/or a designated Township individual shall have the right to verify or correct the estimated cost of such construction or work, and shall upon request be furnished with a copy of an executed contract or other documents of which confirm or validate the estimated cost or value. Permit Fees shall be non-refundable.

Applicants for permits issued by the Codes Administration Office or other Municipal Department shall upon permit approval pay the fee or fees described below.

1. In addition to any Permit Fee, the Township will add the UCC permit fee according to Act 157 of the PA Uniform Construction Code that requires all code agencies collect a surcharge on all building permits.
2. Permit changes constitute additional review and inspection costs.
3. Additional inspections requested by a builder/homeowner or any reinspection required due to a failure constitutes additional inspection fee.

A. RESIDENTIAL PERMITS:

1. New single family dwelling unit, multiple family units, dormitory, convent, nursing home, hotel, motel, rooming house, institutional home, mobile home, or similar residential buildings, for each square foot of useable floor area, the sum of **.41** per square foot, excluding attic and crawl spaces with less than 6'-0" vertical clearance.
Stormwater – fees site specific to be determined by the engineer.
Recording fees responsibility of applicant.

\$	0.41 /sq. ft.
\$	77.00
\$	128.00
2. Additions to residential buildings; and construction of new miscellaneous accessory buildings to residential use, including but not limited to detached garages, porches, car ports, stables, shelters for pets, bath houses, greenhouses, or similar structures, and additions thereto, for the first **\$1,000.00** of estimated costs, or fraction thereof, the sum of **\$103.00**; and for each additional **\$1,000.00** of estimated costs up to and including \$5,000.00, the additional sum of **\$21.00**; for each additional **\$1,000.00** of estimated costs over **\$5,000.00**, the additional sum of **\$10.00**.

\$	103.00
\$	21.00
\$	10.00

However, where said additions or accessory buildings exceed 1000 square feet of floor area, excluding areas of crawl space and attic space under six (6) feet in height, the fee shall be the sum of \$.41 per square foot.
