Monthly Reports:

WPCF Status and Repair Report: Mr. Crary provided the highlights of his report. Mr. Crary stated he received a quote from the company who created the concept drawing for a plug to block the water flow from the Metro Paper sewer line in the amount of \$23,000.00. Mr. Crary stated he also received a quote from a company out of Florida for a plug for \$750.00. President McIlroy stated the Village of Carthage is preparing a RFP for the water infiltration study to be completed at Metro Paper and prefers to wait until the study is complete before any action is taken to block the sewer line. President McIlroy is concerned with the water backing up into Metro Paper and damaging the building which may affect surrounding businesses. The consensus of the Board was to wait until the study was completed.

President McIlroy asked if the pump has been repaired at the Water Street pump station. Mr. Crary stated he received a quote to repair the pump for \$4,800.00 and one to replace the pump \$5,600.00. Trustee Sullivan stated a new pump was recently placed at the pump station and further asked Mr. Crary if a rental pump is readily available if needed. Mr. Crary stated if necessary, a replacement pump can be obtained within four hours. The Board decided not to purchase a backup pump at this time.

President McIlroy asked Mr. Prior if the easement has been received from Ablans. Mr. Prior stated he will follow up with Attorney Gebo.

Ms. Tuttle asked the Board to review the Significant Industrial User permits which need to be approved prior to June 1, 2016.

Motion by Trustee Sullivan and seconded by Mayor Burto to accept the WPCF Status and Repair Report as presented. Motion carried unanimously.

Financial Reports: The Financial Reports were reviewed and President McIlroy stated Chairman Astafan suggested to have Attorney Gebo send a collection letter to Carthage Specialty Paperboard for the fines which are still outstanding. President McIlroy asked Mr. Goutremout about the outstanding amounts and he stated he will look into it.

Motion by Trustee Latremore and seconded by Trustee Smith-Spencer authorizing the following budget transfers for account balancing:

JA.8120.0491 Repairs Sewage Treatment & Disposal	\$20,000.00	
JA.1990.0400 Contingencies		\$20,000.00

Motion carried unanimously.

Motion by Trustee Latremore and seconded by Trustee Smith-Spencer to accept the Financial Reports as presented. Motion carried unanimously.

Carthage Specialty Paperboard, Inc. Status Update:

Mr. Goutremout submitted a report in advance of the meeting for the Boards review. Mr. Goutremout stated CSP is currently working on getting readings directly from parshall flume.

Monthly Expenditures:

Trustee Smith-Spencer and Trustee Sullivan reviewed the monthly bills, bank statements and bank reconciliations prior to the meeting and noted no issues. The monthly bills, bank statements and bank reconciliations were available for review at the meeting.

Motion by Trustee Sullivan and seconded by Trustee Smith-Spencer to approve the regular monthly expenditures in the amount of \$90,946.39 and the capital project monthly expenditures in the amount of \$948.56. Motion carried unanimously.

Old Business:

At the May 20, 2015 meeting, Mr. Prior stated GHD has been working at the Plant with employees regarding the Plant design. Mr. Prior expressed GHD updated the project listing form with NYSEFC and submitted the WMBE plan.

Update 06/16/15: Mr. Prior stated we received acceptance from NYSEFC for the engineering agreement for the Plant.

Update 07/28/15: Mr. Prior stated sixty percent of the design is complete and he would like to schedule a design review meeting he anticipates to last one or two hours. Chairman Astafan advised him to send a list of dates and times to the Clerk. Mr. Prior stated NYSEFC has funding available and depending on how the Board proceeds with a single application and bond or to continue with two bonds which will require a separate application from West Carthage; they will need to send one or two applications. The deadline is September 4, 2015.

Update 08/18/15: The design review meeting is scheduled for Tuesday, August 25, 2015 at 4:00 p.m. at the Village of Carthage Municipal Building.

Update 09/16/15: Mr. Prior showed the Board drawings of the plant and stated the status of the plant design is over 60% complete. Mr. Prior also encouraged the Board to forward their comments to them within the next few weeks. Ms. Tuttle stated she made a list of items to be addressed at the plant and will review the asset management plan to ensure the outlined items are included in the final plant design.

Update 10/22/15: Mr. Prior stated the design review meeting on October 27, 2015 will include a new set of drawings which he will email to the Board prior to the meeting. Chairman Astafan asked Mr. Prior if he feels the upgrade to the plant being different from current processing is feeding the employees anxiety and Mr. Prior responded yes. Chairman Astafan also thanked Mr. Prior for talking with Mr. Lehman regarding the capital project.

Update 11/18/15: Mr. Prior stated the design review meeting with employees and board members at the plant on October 27, 2015 was very productive. Mr. Prior stated he sent an email to the Board to schedule a follow up meeting on November 30, 2015 or December 1, 2015. The meeting was scheduled for December 1, 2015 at 10:00 a.m. The Board also authorized GHD to adjust their contracts to decrease the engineering costs due to the combination of the Water Street pump station and the WPCF project.

Update 12/16/15: Chairman Astafan thanked Ms. Tuttle and Mark Crandall for the tour at the Watertown City plant and further thanked President McIlroy and Trustee Smith-Spencer for attending. Mr. Tamlin stated they are close to the 90% design phase. After considerable discussion the Board decided to remove the domes and not replace them on the clarifiers at the treatment plant. The Board approved amendment #1 to the DANC Technical Services Agreement for a not to exceed amount of \$76,500.00; the development of an administrative force account for the capital project to include a budget amount for the Carthage Clerk/Treasurer not to exceed \$10,000.00 and West Carthage Clerk/Treasurer not to exceed \$5,000.00; Amendment 1 to the agreement with GHD to perform Water Street Pump Station Improvements construction administration and resident project representative services as part of the WPCF Improvements contract in the amount of \$4,800.00; and Amendment 2 to the agreement with GHD to remove construction administration and resident project representative services from the Water Street Pump Station Improvements for a deduction of \$12,000.00.

Update 01/27/16: Chairman Astafan stated NYSEFC accepted Amendment 1 and 2 to GHD's agreement. Mr. Prior reviewed the highlights of the memo he submitted regarding the design review meetings held on October 27, 2015, December 1, 2015, and December 16, 2015. Mr. Prior also reviewed the updated timeline for the WPCF capital project. Mr. Prior asked the Board to review Amendment #2 he submitted for the Board's consideration. Chairman Astafan read the correspondence received from NYSEFC stating the capital project was not selected to receive the NYS Water Grant in round one but the application will be held and considered for round two.

Update 2/17/16: Mr. Prior stated they are completing the 90% design review and plan to distribute it to the WPCF Board, NYSEFC, and CDBG next week. Mr. Prior expressed he will forward dates to the WPCF Clerk to set up a 90% design review meeting at the plant. Mayor Burto stated Mr. Smith would like to be included at the design review meeting and he will forward the date to Mr. Smith when it is set. Chairman Astafan reminded the WPCF Clerk to advertise the meeting if more than three Board members attend. The Board also approved GHD Amendment #2 in the amount of \$52,550.00.

Update 03/16/16: Mr. Prior stated the 90% design documents were delivered to the Clerk's Office and the meeting was held at the Plant. President McIlroy expressed that it is not necessary to make copies for all of the Board members; three copies is sufficient; one for the Plant, one for Carthage and one for West Carthage.

Update 04/20/16: Mr. Prior stated he has had several conference calls with NYSEFC and waiting for NYSDEC to review the plant design.

Motion by Trustee Sullivan and seconded by Trustee Smith-Spencer authorizing President McIlroy or Mayor Burto to sign the certification of technical requirements presented by Mr. Prior. Motion carried unanimously.

At the February 17, 2016 meeting, West Carthage agreed to submit their NYSEFC funding application. The Board also approved to renew the \$1,000,000 BAN and pay the interest due.

Update 03/17/16: Mr. Prior stated the NYSEFC funding application was submitted on behalf of West Carthage. Mr. Prior stated he will reach out to NYSEFC regarding the status of the funding applications. Mr. Prior also stated he will contact Attorney Gebo regarding the easements needed for construction at the Water Street Pump Station.

Update 04/20/16: Mr. Prior has not received any new information about the financing application but will reach out to NYSEFC to check the status.

President McIlroy inquired about round two of the water grant funding and Mr. Prior stated the application from the first round of the grants carried over into the second round. Mr. Prior stated we should receive notification around July or August of 2016.

At the December 16, 2016 meeting, Chairman Astafan received a call regarding the construction of the Champion Sewer District #2 line and while digging, discovered an oil smell just outside the perimeter of the Treatment Plant. NYSDEC was contacted and forwarded correspondence to Chairman Astafan.

Update 01/7/16: Chairman Astafan was authorized to send a letter to NYSDEC requesting clarification of the changes at the spill site and what the expectations are from NYSDEC of the WPCF Board.

Update 01/27/16: Chairman Astafan reviewed the draft of the letter to be mailed to NYSDEC and the letter was mailed.

Update 02/17/16: Chairman Astafan stated he received a response from NYSDEC and they expressed the spill site will need to be cleaned. Chairman Astafan will schedule a special meeting with the attorney and the Town of Champion to review how to proceed.

Update 03/17/16: Chairman Astafan stated he met with Kris Demmick from Bernier and Carr regarding the situation at the fuel spill site. Chairman Astafan asked Mr. Demmick to test the existing test wells and stated he will report to the Board with his results. Chairman Astafan anticipates putting the cost of the cleanup of the spill site out for bid in the future.

Update 04/20/16: President McIlroy stated Chairman Astafan informed him that he does not have anything new to report at this time.

At the March 18, 2016 meeting, Ms. Tuttle stated she will work with the Town of Champion to review the limits to be incorporated in an amendment to the agreement with the Town of Champion and the Village of West Carthage.

Update 04/20/16: President McIlroy asked Mayor Burto if he wanted Attorney Gebo to prepare the amendment to the Champion sewer agreement to include limits and Mayor Burto stated he will have Attorney Hassler take care of it.

Motion by Trustee Sullivan and seconded by Trustee Smith-Spencer authorizing the Village of West Carthage to add the amendment to their agreement with the Town of Champion to include an average daily capacity of 47,000 gallons per day. Motion carried unanimously.
