WHEREAS, the Township of Aleppo (the "Township") desires to incur non-electoral debt to provide funds (i) for the current refunding of the Township's Guaranteed Sewer Revenue Bonds, Series of 2015 (the "Prior Bonds") (the "Refunding") and (ii) to pay the costs of issuing the Bonds as hereinafter defined; and

WHEREAS, the Township has determined to issue its Guaranteed Sewer Revenue Bonds, Series of 2020 (the "Bonds"), in accordance with the terms of this Ordinance and the Local Government Unit Debt Act, Act of July 12, 1972, P.L. 781, No. 185, as amended and re-enacted by Act No. 78-52, of April 28, 1978, P.L. 124, and as amended and reenacted by Act No. 81-19 of May 22, 1981, P.L. 54 and by Act No. 34 of April 30, 1986 P.L. 104, as codified by the Act of December 19, 1996 (P.L. 1158, No. 177), 53 Pa. C.S. §§ 8001 et seq. (the "Act"), to pay the costs of the Refunding and pay the costs of issuance of the Bonds; and

WHEREAS, in accordance with the terms of the Act the Township has requested Boenning & Scattergood, Inc. (the "Underwriter"), to submit a proposal (the "Purchase Proposal") to purchase, at a private sale, the Bonds; and

WHEREAS, the Township has set forth in this Ordinance the parameters and the manner within which the Township will accept the Purchase Proposal when submitted.

The Township of Aleppo hereby ordains:

SECTION 1. THE REFUNDING. The Township hereby undertakes the Refunding. The Refunding conforms to the provisions of the Act in that Refunding of the Prior Bonds will reduce total debt service over the life of the series, and reduce debt service in any particular year or years.

SECTION 2. APPROVAL OF NEGOTIATED SALE. The Township Board of Commissioners hereby finds, after considering the advantages and disadvantages of a public sale, that a private sale by negotiation is in the best financial interest of the Township.

SECTION 3. PURCHASE PROPOSAL. The Township Board of Commissioners hereby authorizes the Township to award the sale of the Bonds to the Underwriter upon receipt, acceptance, execution and delivery of an acceptable Purchase Proposal, such Purchase Proposal to be reviewed as to form by Bond Counsel and the Township Solicitor, and containing such maximum maturity amounts, maximum interest rate or rates, maturity dates and maximum debt service amounts more fully set forth in Schedule A attached hereto and made part hereof, at such a purchase price not less than 90% nor more than 120% of the aggregate principal amount of the Bonds, (the discount from par being inclusive of any Underwriter's discount and/or net original issue discount and/or net original issue premium), together with accrued interest, if any, to the date of delivery of the Bonds, setting forth costs of issuance, and upon such other conventional terms and conditions not detrimental to the interest of the Township. The Township Board of Commissioners hereby designates the President of the Board of Commissioners as the officer of the Township authorized to receive, accept and execute a Purchase Proposal from the Underwriter, and to award the sale of the Bonds to the Underwriter, which Purchase Proposal shall in all respects meet the terms and provisions of the within Ordinance. The Township and the Underwriter are further authorized to enter into any Addendum to the Purchase Proposal, which Addendum shall provide that the Refunding results in a minimum net savings to the Township of \$300,000.00 and shall be approved by the President of the Board of Commissioners, executed and delivered by the President or Vice President of the Township Board of Commissioners and executed and delivered by an attesting officer of the Township

Board of Commissioners, subject to review as to form by Bond Counsel and the Township Solicitor, and bearing such interest rates, principal amounts, maturity dates, debt service amounts, redemption provisions and purchase price consistent in all respect with the accepted Purchase Proposal and the terms of this Ordinance.

SECTION 4. INCURRENCE OF INDEBTEDNESS. For the purposes of (i) paying the costs of the Refunding and (ii) paying the costs of issuing the Bonds, the incurring of non-electoral debt by the Township is hereby authorized. Such debt (subject to appropriate exclusions) shall be evidenced by the issuance of guaranteed sewer revenue bonds of the Township in the aggregate principal amount not to exceed \$12,000,000.00 designated "Township of Aleppo, Guaranteed Sewer Revenue Bonds, Series of 2020".

SECTION 5. FILING WITH DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT. The President or Vice President of the Township Board of Commissioners and the Secretary of the Township Board of Commissioners, or any duly appointed successors or acting officers as the case may be, are hereby authorized and directed to prepare, verify and file with the Department of Community and Economic Development, in accordance with the Act, a transcript of the proceedings relating to the issuance of the Bonds including the Debt Statement and Borrowing Base Certificate required by Section 8110 of said Act, and to take other necessary action and to file all necessary documentation, including, if necessary or desirable, the preparation and filing of any statements required to exclude any portion of the debt from the appropriate debt limit as self-liquidating or subsidized debt.

SECTION 6. APPOINTMENT OF PAYING AGENT, REGISTRAR AND SINKING FUND DEPOSITARY. Zions First National Bank, N.A., of Pittsburgh, Pennsylvania, is hereby appointed Paying Agent and Registrar for the Bonds and further appointed Sinking Fund

Depository for the Series of 2020 Bonds Sinking Fund created hereby. The Secretary is hereby authorized and directed to contract with Zions First National Bank, N.A., for its services as Sinking Fund Depository ("Sinking Fund Depository"), Paying Agent ("Paying Agent"), and Registrar ("Registrar") at such initial and annual charges as shall be appropriate and reasonable for such services. The Township may, by Resolution, from time to time appoint a successor Paying Agent, Sinking Fund Depository or Registrar to fill a vacancy or for any other reason.

SECTION 7. FORM OF BONDS, INTEREST PAYMENT DATES AND RECORD DATES. The Bonds may be issued in denominations of \$5,000 or any multiple thereof initially in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds will be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC"). Each Bond shall be dated as of its dated date and shall bear interest from the semi-annual interest payment dates set forth in the Purchase Proposal, next preceding the date of such Bond to which interest has been paid, unless the date of such Bond is a date to which interest has been paid, in which case from the date of such Bond, unless the date of such Bond is prior to the first interest payment date, in which case from the dated date, provided, however, if the Township fails to pay the interest due on any interest payment date, then any such Bond shall bear interest from the semi-annual interest payment dates set forth in the Purchase Proposal, next preceding the date of such Bond, to which interest has been paid, or if no interest has been paid, from the dated date. Initially, all of the Bonds will be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC requests that the Bonds be registered in the name of a different nominee, the Sinking Fund Depository must exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee of DTC.

No person other than DTC or its nominee is entitled to receive from the Township or the Sinking Fund Depository either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee transfers record ownership of all or any portions of the Bonds on the Bond Register (as such term is defined herein), in connection with discontinuing the book entry system.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds will be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Ordinance. Each such payment to DTC or its nominee will be valid and effective to discharge fully all liability of the Township or the Sinking Fund Depository with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Sinking Fund Depository will not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of the partial redemption provided that DTC must deliver to the Sinking Fund Depository, upon request, a written confirmation of the partial redemption and thereafter the records maintained by the Sinking Fund Depository will be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

The Township and the Sinking Fund Depository may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Ordinance, registering the transfer of Bonds, obtaining any

consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the Ordinance nor the Sinking Fund Depository will be affected by any notice to the contrary. Neither the Township nor the Sinking Fund Depository will have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being Registered Owner, with respect to either (1) the Bonds; or (2) the accuracy of any record maintained by DTC or any such participant; or (3) the payment by DTC or any participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Ordinance; or (5) the selection by DTC or any participant of any person to receive payment in the event of partial redemption of the Bonds; or (6) any consent given or other action taken by DTC as Registered Owner.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Ordinance will be given to DTC as provided in the blanket representation letter to be delivered to DTC.

In connection with any notice or other communication to be provided to Registered Owners pursuant to this Ordinance by the Township or the Sinking Fund Depository with respect to any consent or other action to be taken by Registered Owners, DTC will consider the date of receipt of notice requesting such consent or other action as the record date for the consent or other action, provided that the Township or the Sinking Fund Depository may establish a special record date for such consent or other action. The Township or the Sinking Fund Depository must give DTC notice of the special record date not less than ten (10) days in advance of such special record date.

Any successor Sinking Fund Depository must, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the Township and the Sinking Fund Depository, DTC determines to resign as securities Depository for the Bonds; or (2) after notice to DTC and the Sinking Fund Depository, the Township determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interest of the Township. In either of such events (unless in the case described in clause (2) above, the Township appoints a successor securities depository), the Bonds will be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Township or the Sinking Fund Depository for the accuracy of such designation. Whenever DTC requests the Township and the Sinking Fund Depository to do so, the Township and the Sinking Fund Depository must cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds. The Bonds will also carry CUSIP numbers as a convenience to owners.

In lieu of all the above, the Bonds may each be in printed form, as certificates with steel-engraved borders, all as approved by the Paying Agent, Bond Counsel and the Township.

The person in whose name any Bond is registered at the close of business on any Record Date (as hereinafter defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the

cancellation of such Bond upon any transfer or exchange thereof subsequent to such Record Date and prior to such interest payment date, except if and to the extent that the Township fails to pay the interest due on such interest payment date, in which case such defaulted interest shall be paid to the persons in whose names outstanding Bonds are registered at the close of business on a date established by the Paying Agent ("Special Record Date"), notice of which shall have been mailed to all registered owners of Bonds not less than fifteen (15) days prior to such date. The term "Record Date" as used in this Section 7 with respect to any interest payment date shall mean the close of business on the fifteenth (15th) day (whether or not a business day) next preceding each interest payment date.

SECTION 8. PAYMENT OF PRINCIPAL, PREMIUM AND INTEREST. The principal of, and interest on the Bonds are payable in such coin or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts, at the principal corporate trust office of the Paying Agent; provided that, interest on the Bonds will be paid by check drawn on the Paying Agent mailed to the owner of record on the appropriate record date at his address as it appears on the Bond Register described in Section 9 hereof, unless written demand is made by such person for payment in legal tender at such office.

SECTION 9. BOND REGISTER, REGISTRATIONS AND TRANSFER. The Township shall cause to be kept at the principal corporate trust office of the Registrar a register (the "Bond Register") in which, subject to such reasonable regulations as it may prescribe, the Township shall provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond shall be valid unless made at such office and registered in the Bond Register. The Paying Agent is hereby appointed Registrar for the purpose of registering Bonds and transfers and exchanges of Bonds as herein provided.

Upon surrender for registration of transfer at such office of the Bonds, the Township shall execute and the Paying Agent shall deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, in the same interest rate and maturity, and the same aggregate principal amount as the amount of the unpaid principal balance of the Bond or Bonds so surrendered.

Any Bond or Bonds shall be exchangeable for other Bond or Bonds at the same maturity and interest rate, in any authorized denomination, in an aggregate principal amount equal to the unpaid principal balance of the Bond or Bonds presented for exchange. Upon surrender of any Bond or Bonds for exchange at the principal corporate trust office of the Paying Agent, the Township shall execute and the Paying Agent shall deliver in exchange therefor the Bond or Bonds which the Bondholder making the exchange shall be entitled to receive.

All Bonds issued upon any registration of transfer or exchange shall be valid obligations of the Township evidencing the same debt and entitled to the same benefits under this Ordinance as the Bond or Bonds surrendered for such registration of transfer or exchange.

Every Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the Township and the Paying Agent, duly executed by the registered owner thereof or his duly authorized Agent or legal representative.

No service charge shall be made for any transfer or exchange of any Bond, but the Township may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of any Bond or Bonds.

The Township and the Paying Agent shall not be required: (a) to issue, transfer or exchange any Bond during a period beginning at the close of business on the Record Date next preceding any interest payment date and ending at the close of business on the interest payment date; or (b) to issue, transfer or exchange any Bond then considered for redemption during the period beginning at the close of business on the last business day which is at least fifteen (15) calendar days next preceding any date of selection of any Bond to be redeemed and ending at the close of business on the day on which the notice of redemption is given, or (c) to transfer or exchange any portion of any Bond selected for redemption until after the redemption date.

SECTION 10. EXECUTION AND AUTHENTICATION. The Bonds shall be substantially in the forms contained in Section 27 hereof, the Bonds shall be executed on behalf of the Township by the President or Vice President of the Township Board of Commissioners, and shall have a facsimile of the corporate seal of the Township imprinted thereon, duly attested by the Secretary and said officers are hereby authorized and directed to execute the Bonds. The Bonds shall be authenticated by the manual execution of the Certificate of Authentication by a duly authorized signatory of the Paying Agent. No Bond shall be valid until such Certificate of Authentication shall have been duly executed by the Paying Agent and such authentication shall be conclusive and the only proof that any Bond has been issued pursuant to this Ordinance and is entitled to any benefits conferred thereon under the provisions of this Ordinance. To the extent that any one signature on a Bond (including the signature of the signatory of the Paying Agent) is manual, all other signatures may be by facsimile. The President or Vice President of the Township Board of Commissioners or Secretary or any of such officers is hereby authorized and directed to deliver the Bonds to the Underwriter and receive payment therefor on behalf of the Township after sale of the

same in the manner required by law and this Ordinance. The officers and officials of the Township are hereby authorized and directed to execute and deliver such other documents and to take such other action as may be necessary or appropriate in order to issue and sell the Bonds, all in accordance with this Ordinance.

SECTION 11. PLEDGE OF REVENUES. This Ordinance creates and shall be and constitutes a continuing, irrevocable and exclusive first lien upon, and pledge of, the Pledged Revenues derived from the Sewer System to the extent herein provided, to secure the full and final payment of the principal of, interest on, and premium (if any) payable upon the redemption of, the Bonds and all bonds which may, from time to time, be executed, authenticated and delivered hereunder. All Bonds issued under this Ordinance shall in all respects be equally and ratably secured hereby without preference, priority or distinction on account of the actual date of the authentication, delivery or maturity thereof, so that all Bonds at any time outstanding hereunder shall have the same right, lien and preference under and by virtue of this Ordinance, and shall all be equally secured hereby, with like effect as if they had all been executed, authenticated and delivered simultaneously. For the further benefit and security of the registered owners of the Bonds, a security interest is hereby granted in and to all Pledged Revenues.

Such bonds may, at the election of the Township Board of Commissioners, be in one or more series and shall be designated generally as Guaranteed Sewer Revenue Bonds of the Township, with further particular designations as the Township may determine; each bond shall bear upon its face the designation so selected for the series to which it belongs. All bonds of any one series at any time simultaneously outstanding shall be identical in respect of the date of maturity (unless they are of serial maturities), the place or places of payment of principal and of interest, the rates and dates of interest payments, the terms and rate or

rates of optional redemption, if redeemable, and also in respect of a sinking, purchase, redemption or analogous fund therefor (if any); but bonds of the same series may be of serial maturities and, if of serial maturities, may differ with respect to the terms and dates of redemption and interest rates.

The Township covenants to duly and punctually pay, or cause to be paid, first, and to the extent available, from the Pledged Revenues pledged under and by this Ordinance, and second, as necessary for the Bonds, as a general obligation, the principal of, the interest on and the premium (if any) due upon the redemption of, every Bond issued hereunder and secured hereby, at the place and on the date and in the manner specified herein and in said Bonds, according to the true intent and meaning thereof.

The Township covenants that so long as any of the Bonds secured hereby are outstanding, none of the Pledged Revenues derived by the Township from its ownership of the Sewer System will be used for any purpose other than as provided in this Ordinance and that no contract or contracts will be entered into or any action taken by which the rights of the Bond owners might be impaired or diminished.

The Township will not voluntarily create or cause to be created any debt, lien or charge, on a parity with or having priority over the lien of this Ordinance, upon any of the Pledged Revenues derived by the Township from the Sewer System, and will not sell, mortgage, lease or otherwise dispose of or encumber the Sewer System or any part thereof except such portions thereof as are not essential to the proper maintenance and operations of the Sewer System. No sale, lease or other disposition of fixed properties constituting part of the Sewer System shall be made unless a professional engineer files a certificate with the Township recommending that such sale, lease or other disposition of the fixed properties is in the best interests of the Township. If, after receiving the certificate of such consultant, the Township determines to sell,

lease or otherwise dispose of the fixed properties, it shall, by resolution adopted by a majority vote of all members of its Board of Commissioners, authorize such sale, lease or other disposition.

"Pledged Revenues" as used in this Ordinance shall mean (a) all rates, receipts, fees, rents and charges established or to be established, levied and collected in connection with, and all other receipts and revenues of whatever kind and character (including, without limitation, all accounts, any insurance proceeds, condemnation or eminent domain awards, payments under performance bonds, grants and assessments not separately pledged) arising from the operation, control, possession, and/or ownership of, the Sewer System or any part thereof, including all cash and investments on hand, (b) amounts on deposit and available for payment of debt service on the Bonds in the Sinking Fund, (c) all income, interest and profits received from the investment of moneys held in any fund established under this Ordinance, and (d) all funds received pursuant to any service agreement, if any, between the Township and third parties for the provision of wastewater collection, transmission, or treatment services.

"Sewer System" as used in this Ordinance shall mean and include as of any particular time, (i) the sanitary sewer conveyance, collection, transmission system, including all appurtenances thereto as well as the property rights associated with the Sewer System; (ii) all capital additions, and (iii) all other tangible property, fixed or moveable, and all franchises used or useful to the Township, or any designee thereof, in the operation of the properties referred to in subdivisions (i) and (ii) above.

SECTION 12. GENERAL OBLIGATION COVENANT. The foregoing pledge and other provisions for the security of the Bonds notwithstanding, the Bonds shall be guaranteed as general obligations of the Township. The Bonds are hereby declared to be general

obligations of the Township. The Township hereby covenants with the registered owners from time to time of the Bonds outstanding pursuant to this Ordinance that it will include the amount of the debt service, as specified in this Section, on the Bonds for each fiscal year in which such sums are payable, in its budget for that year and shall appropriate such amounts from its general revenues to the payment of such debt service and will duly and punctually pay or cause to be paid the principal of the Bonds and the interest thereon on the dates, at the places and in the manner stated therein according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the Township does hereby pledge its full faith, credit and taxing power. The maximum amount of the debt service which the Township hereby covenants to pay on the Bonds in each year is set forth in Schedule "B" which is attached hereto and incorporated herein by reference as if set out here at length.

The Township shall budget each and every year, as long as any Bonds remain outstanding hereunder, amounts sufficient to make payments of principal of, and interest on, the Bonds as the same are due. The Township shall also budget, as an item of expected revenue, the amounts it expects to receive from the collection of Sewer Rates. To the extent that Sewer Rates collected are insufficient to make any payment of principal and/or interest when due, the Township shall pay over from its general fund amounts necessary to make the payment of principal and/or interest due at that time.

As provided in the Act, the foregoing covenants shall be specifically enforceable.

SECTION 13. IMPOSITION OF RATES. The Township covenants that it has required, pursuant to the Operating Agreement, the Aleppo Township Authority ("Authority") to adopt, maintain, charge and collect, from the users served by the Sewer System or any of its component facilities, so long as any Bonds remain outstanding and funds for their payment

have not been provided, reasonable and, within reasonable classifications, uniform, Sewer Rates, which, after making due and reasonable allowances for delinquencies, contingencies and a margin of error in the estimates shall be at all times at least sufficient with respect to the Sewer System to provide for the payment of current expenses and current debt service requirements of the Sewer System.

The Township also covenants with the owners of the Bonds that if at any time the Pledged Revenues collected are not sufficient to enable the Township to comply with the provisions of this Section, the Township will promptly require the Authority to revise the Sewer Rates (or make such other provisions within the budget of the Township) so to comply with this Section and any deficiencies in transfers of funds required to be made will be remedied before the end of the next ensuing fiscal year.

The Township covenants that it will, on or before December 31 of each year, beginning December 31, 2020, or otherwise as required pursuant to the First Class Township Code or other applicable law, prepare or cause to be prepared a budget for the Sewer System, for the next fiscal year, which budget shall contain an estimate of the Pledged Revenues to be derived from the Sewer System for the period covered by such budget and of current expenses to be incurred.

"Operating Agreement" shall mean that certain Transfer and Operating Agreement between the Township and the Authority dated September 27, 2011, as it may be amended from time to time, and pursuant to which the Authority has agreed to operate and maintain the Sewer System on behalf of the Township and to adopt and maintain sufficient rates to, inter alia, operate and maintain the Sewer System and make full payments of principal of, and interest on, the Bonds.

SECTION 14. REDEMPTION. (a) Optional. The Bonds shall be subject to redemption prior to maturity in whole or in part (and if in part, in such order of maturity as the Township

shall select and within a maturity by lot) at the option of the Township, at a price and at such time or times to be set forth in the Purchase Proposal Addendum.

(b) Mandatory. The Bonds are subject to mandatory sinking fund redemption prior to maturity at a price and at such time or times to be set forth in the Purchase Proposal Addendum.

(c) Notice of any redemption shall be given by mailing a notice of redemption by first class mail, postage prepaid, not less than thirty (30) days, but not more than sixty (60) days, prior to the redemption date to the registered owners of Bonds, to be redeemed at the addresses which appear in the Bond Register, provided, however, that neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the Township shall have duly given notice of redemption and shall have deposited with the Paying Agent funds for the payment of the redemption price of the Bonds so called for redemption, with accrued interest thereon to the date fixed for redemption, interest on such Bonds shall cease to accrue after such redemption date.

Such notices shall state the redemption date and the redemption price and identify the Bonds by reference to their series designation and bond number and may contain the CUSIP numbers of the Bonds called for redemption (if then generally in use), but shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in the notice and that reliance may be placed only on the identification numbers printed on the Bonds. Such notice shall further state that on the redemption date, if the required deposit shall have been made, there shall become due and payable upon each Bond or portion thereof to be redeemed at the principal corporate trust office of the Paying Agent, the redemption price of such Bond or portion thereof together

with accrued interest thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue.

(d) CUSIP Numbers. Notices of redemption shall contain the applicable CUSIP numbers pertaining to the Bonds called for redemption (if then generally in use), but shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in the notice and that reliance may be placed only on the identification numbers printed on the Bonds.

(e) Portions of Bonds. Any portion of any Bond of a denomination larger than \$5,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Paying Agent shall assign numbers to each \$5,000 portion of any Bond of a denomination larger than \$5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Paying Agent shall authenticate and deliver to the owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the owner in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

SECTION 15. SINKING FUND. There is hereby established a fund to be known as Township of Aleppo, Guaranteed Sewer Revenue Bonds, Series of 2020 Sinking Fund ("Series of 2020 Bonds Sinking Fund") into which the Township covenants to have deposited, and into which the proper officers are hereby authorized and directed to have deposited (i) amounts sufficient to pay the interest due on such dates on the Bonds then as shall be set forth in the Purchase Proposal Addendum, and (ii) amounts sufficient to pay an amount equal to the outstanding principal of the Bonds maturing on each such date as shall be set forth in the Purchase Proposal Addendum. Should the amounts covenanted to be paid into the Series of 2020 Bonds Sinking Fund be, at any time, in excess of the net amounts required

at such time for the payment of interest and principal, whether by reason of funds already on deposit in said Sinking Fund or by reason of the purchase or redemption of Bonds, or for some similar reason, the amounts covenanted to be paid may be reduced to the extent of the excess. The Township may satisfy any part of its obligations with respect to clause (ii) above by delivering to the Sinking Fund Depository, for cancellation, Bonds owned by it maturing on the date on which such deposit is required. Upon delivery of such Bonds, the Township shall receive credit against such deposit of the face amount of the Bonds so delivered. All sums in the Series of 2020 Bonds Sinking Fund shall be applied exclusively to the payment of said principal and interest covenanted to be paid by Sections 11 and 12 hereof as the same shall from time to time become due and payable and the balance of said moneys over and above the sum so required shall remain in the Series of 2020 Bonds Sinking Fund, such balance to be applied in reduction of future required deposits; subject, however, to investment or deposit at interest as authorized by law and as permitted by Section 25 hereof, to the extent that such investment or deposit can be made without causing the Bonds to become arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, (the "Code") which investments or deposits and the interest thereon shall be held exclusively for the purposes of the Series of 2020 Bonds Sinking Fund. The Series of 2020 Bonds Sinking Fund shall be kept as a separate account at the principal corporate trust office of the Sinking Fund Depository. The Paying Agent, without further authorization other than as herein contained, shall pay from the moneys in the Series of 2020 Bonds Sinking Fund the interest as and when due on the Bonds on the appropriate record date, premium, if any, and the principal when due of the Bonds to the registered owners thereof.

SECTION 16. DISPOSITION AND USEFUL LIFE. All moneys derived from the sale of the Bonds shall be and hereby are appropriated substantially to payment of the costs of the

Refunding and the costs and expenses of preparing, issuing and marketing the Bonds. The estimated useful lives of the projects financed by the Prior Bonds are at least twenty-two (22) years, in excess of the maturities of the Bonds allocable to the Refunding.

SECTION 17. MATURITIES OF THE BONDS. The Township hereby finds and determines that: (1) the Bonds are to be issued with: (a) a final stated maturity date which does not exceed the sooner to occur of forty (40) years or the remaining estimated useful lives of the prior projects, and (b) an initial stated installment or maturity of principal which has not been deferred beyond one (1) year from the estimated completion date of construction of the projects or two (2) years from the date of issuance of the Bonds, whichever is later, and (2) the stated maturities, or principal installments subject to mandatory redemption, of the Bonds have been fixed either: (a) so as to amortize the Bonds on at least an approximately level debt service plan during the period specified for the payment of principal under Section 8142(b) of the Act; (b) in the alternative, so that the debt service on outstanding debt of the Township (being the Bonds, together with the other outstanding debt of the Township) will be brought more nearly into an over-all level annual debt service plan.

SECTION 18. TAX COVENANT. The Township hereby covenants with the registered owners, from time to time, of the Bonds that no part of the proceeds of the Bonds will be used, at any time, directly or indirectly, in any manner which, if such use had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code, and the regulations promulgated thereunder applicable to obligations issued on the date of issuance of the Bonds. The President or Vice President of the Township Board of Commissioners and/or the Secretary, or any duly appointed successors or acting officers as the case may be, are hereby authorized

The Township covenants that it will comply with the requirements of Section 148 of the Code, and regulations promulgated thereunder, continuously during the term of the Bonds.

(REVERSE SIDE OF BOND)

This Bond is one of a duly authorized issue of \$\_\_\_\_\_ principal amount, Township of Aleppo, Guaranteed Sewer Revenue Bonds, Series of 2020 (hereinafter called the "Bonds") of the Township all issued in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as amended (the "Act"), without the assent of the electors, pursuant to an Ordinance (the "Ordinance") of the Township Board of Commissioners of the Township enacted on \_\_\_\_\_, 2020. The Bonds are issued for the purposes of paying the costs of the Refunding and paying the costs of issuing the Bonds.

As further described in the Ordinance (a copy of which is on file at the principal corporate trust office of the Sinking Fund Depository), the Bonds are payable from, and secured by, a pledge of all the Pledged Revenues received and collected by the Township from the operation of the Sewer System, both as defined therein. The Ordinance also contains a full and complete statement of the provisions with respect to the purposes for which Bonds are to be

issued, a description of the Pledged Revenues pledged and of their collection and distribution, the nature, extent and manner of enforcement of the security for the bonds of the respective series, and a statement of the rights, duties and obligations of the Township and the Sinking Fund Depository and the rights of the Registered Owners of the Bonds, to all the provisions of which Ordinance the Registered Owner hereof by the acceptance of this Bond assents. It is expressly agreed and understood that the Ordinance and the obligations thereby secured, including this Bond, are revenue obligations of the Township, and that the Bonds are payable out of the Pledged Revenues as provided in the Ordinance, derived from the Sewer System and from such other moneys as may be made available.

Interest payable on any interest payment date will, as provided in the Ordinance, be paid to the person in whose name this Bond is registered on the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding the month containing each interest payment date (the "Record Date"). Any such interest which is not deposited with the Paying Agent on or before any such interest payment date for payment to the holders of record on the Record Date shall forthwith cease to be payable to the registered owner on the Record Date, and shall be paid to the person in whose name this Bond is registered on a special record date for the payment of such defaulted interest to be fixed by the Paying Agent (the "Special Record Date"), notice whereof shall be given to registered owners not less than ten (10) days prior to such Special Record Date.

This Bond may be transferred or exchanged only on the Bond Register ("Bond Register") maintained by the Township at the principal corporate trust office of the Paying Agent upon surrender hereof by the registered owner at such office duly endorsed by, or accompanied by a written instrument of transfer duly executed by the registered owner or his duly authorized Agent or legal representative in each case, in form and with a guaranty

of signature satisfactory to the Township and the Paying Agent. Upon any such transfer or exchange a new registered Bond or Bonds in the same aggregate principal amount will be issued to the transferee.

No service charge shall be made for any transfer or exchange of any Bond, but the Township may require payment of any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Subject to the provisions of this Bond and of the Ordinance relating to payment of interest, the Township and the Paying Agent may treat the person in whose name this Bond is registered as the absolute owner thereof, for all purposes, whether or not this Bond shall be overdue, and neither the Township nor the Paying Agent shall be affected by any notice to the contrary.

The Township pursuant to recommendations made by the Committee on Uniform Security Identification Procedures, has caused CUSIP numbers to be printed on the Bonds, and has directed the Paying Agent to use such numbers in notices, if any, as a convenience to registered owners. No representation is made as to the accuracy of such numbers either as printed on the Bonds or as contained in any notice and reliance may be placed only on the identification number printed hereon.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THIS BOND, OR FOR ANY CLAIM BASED HEREON OR UPON THE ORDINANCE AGAINST ANY MEMBER, OFFICER OR EMPLOYEE, PAST, PRESENT OR FUTURE, OF THE TOWNSHIP OR OF ANY SUCCESSOR BODY, AS SUCH, EITHER DIRECTLY OR THROUGH THE TOWNSHIP OR ANY SUCH SUCCESSOR BODY, UNDER ANY CONSTITUTIONAL PROVISION, STATUTE OR RULE OF LAW, OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR BY ANY LEGAL OR EQUITABLE PROCEEDING OR OTHERWISE, AND ALL SUCH LIABILITY OF SUCH

MEMBERS, OFFICERS OR EMPLOYEES BEING RELEASED AS A CONDITION OF AND AS CONSIDERATION FOR THE ISSUANCE OF THIS BOND.

The Bonds maturing on or after \_\_\_\_\_ are subject to redemption prior to maturity in whole or in part, in \$5,000 increments, (and if in part, in such order of maturity as the Township shall select and within a maturity by lot) at any time on or after \_\_\_\_\_ at the option of the Township, at a price of 100% of the principal amount, plus accrued interest thereon to the date fixed for redemption.

The Bonds maturing on \_\_\_\_\_ are subject to mandatory redemption by the Township in part, by lot, at a redemption prices of \_\_% of the principal amount thereof plus accrued interest to date fixed for redemption, on \_\_\_\_\_ in the years and in amounts set forth below:

In lieu of such mandatory redemption, the Paying Agent on behalf of the Township, may purchase, from money in the Sinking Fund, or the Township may tender to the Paying Agent, all or part of the Bonds subject to be drawn for redemption in any such year.

It is hereby certified that the approval of the Department of Community and Economic Development of the Commonwealth of Pennsylvania for the Township to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the Township is within every debt limit and other limit prescribed by the constitution and the statutes of the Commonwealth of Pennsylvania and applicable to the Township; and that the Township has established with the Paying Agent as Sinking Fund

Depository a sinking fund for the Bonds and shall deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable.

Notwithstanding, but in addition to, the foregoing pledge of Pledged Revenues for payment and security of the Bonds, this Bond is hereby declared to be a general obligation of the Township. The Township, in the Ordinance authorizing the issuance of the series of bonds of which this Bond is one, has covenanted with the registered owners, from time to time, of the Bonds that the Township will include the amount of the debt service charges on the Bonds for each fiscal year in which such sums are payable, in its budget for that year, that it will appropriate such amounts to the payment of such debt service, and will duly and punctually pay or cause to be paid the principal of every Bond, and the interest thereon, at the dates and places and in the manner stated in the Bond according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the Township has pledged its full faith, credit and taxing power. This covenant is specifically enforceable.

SECTION 30. CONTINUING DISCLOSURE UNDERTAKING. In order to enable the Participating Underwriter to comply with the provisions of SEC Rule 15c2-12(b)(5), the Township hereby covenants and agrees that it will comply with and carry out all of the provisions of a Continuing Disclosure Certificate. Notwithstanding any other provision of this Ordinance, failure of the Township to comply with the Continuing Disclosure Certificate shall not be considered an event of default; however, any Bondholder or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Township to comply with its obligations under this Section. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes. "Continuing Disclosure Certificate" shall mean that certain Continuing Disclosure Certificate executed by the Township and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with

the terms thereof. "Participating Underwriter" shall have the meaning ascribed thereto in the Continuing Disclosure Certificate.

There is hereby established a Rebate Fund for the Bonds within which the Township or its agent may establish an account or accounts designated "Township of Aleppo, Guaranteed Sewer Revenue Bonds, Series of 2020 Rebate Account." Within the Rebate Fund (or, if Accounts are established, within each Account) there is hereby created and established a Rebate Principal Account (or subaccount) and a Rebate Income Account (or subaccount). Within fifteen (15) days after each anniversary date of the issuance of the Bonds, the Township shall prepare and file a report setting forth for the Rebate Fund, the total amount invested in the Fund and any Accounts during the preceding Bond year, the investments made with the moneys in the Fund and any Accounts and the investment earnings and losses resulting from such investments, together with such additional information concerning such investments as shall be reasonably necessary. The Township shall make deposits to and disbursements from the Rebate Fund in accordance with the provisions hereof and the investment instructions to be delivered on the date the Bonds are issued (the "Closing"). The Township shall invest the Rebate Fund pursuant to instructions given to it by the Township in investments complying with the Code requirements and shall deposit income from such investments immediately upon receipt thereof in the Rebate Income Account (or subaccount). The immediately preceding sentence of this Section and the following paragraphs hereof may be superseded or amended by new investment instructions delivered to the Township and accompanied by an opinion of Bond Counsel addressed to the Township to the effect that the use of such new investment instructions will not cause the interest on the Bonds to become taxable to the recipient thereof under Section 103 or Section 148 of the Code.

If a withdrawal from the Rebate Principal Account (or subaccount) is permitted, the amount withdrawn shall be deposited in the Sinking Fund for the benefit of the Township. Records of the determinations required by this Section shall be retained by the Township until six (6) years after the Bonds are no longer outstanding.

Not later than thirty (30) days after the end of the fifth Bond year (the fifth anniversary date of the issuance of the Bonds) and every five (5) years thereafter the Township shall pay to the United States at least ninety percent (90%) of the amount required to be on deposit in the Rebate Principal Account (or subaccount) as of such payment date and one hundred percent (100%) of the amount on deposit in the Rebate Income Account (or subaccount) at such payment date. Not later than thirty (30) days after the final retirement of the Bonds (whether at maturity, upon redemption or by acceleration), the Township shall pay to the United States one hundred percent (100%) of the balance remaining in the Rebate Principal Account (or subaccount) and the Rebate Income Account (or subaccount). Each payment required to be made to the United States pursuant to this Section shall be filed with the Internal Revenue Service Center, Philadelphia, Pennsylvania 19255. Each payment shall be accompanied by a copy of the Form 8038 originally filed with respect to the Bonds and a statement summarizing the determination of the amount to be paid to the United States.

Notwithstanding the foregoing provisions concerning the Rebate Fund and payment of amounts therein to the United States, in the event that the Township receives an opinion of Bond Counsel addressed to the Township to the effect that all or a portion of such payment is not required to be made, such payment or portion thereof need not be made.

For these purposes, "gross proceeds" means all amounts received at settlement, except accrued interest on the Bonds deposited to the Sinking Fund, and "nonpurpose investment" means any investment property acquired with the gross proceeds of the Bonds and not required to carry out the governmental purpose of the Bonds.

SECTION 32. MUNICIPAL BOND INSURANCE. The Township may enter into a binding agreement with a municipal bond insurance provider to procure a commitment for municipal bond insurance, insuring the payment when due of principal of and interest on the Bonds, effective as of the date on which the Bonds are issued (the "Policy"). The President or Vice President and the Secretary of the Township Board of Commissioners and any other officers are authorized to execute all necessary documents to enable the Township to procure the Policy, subject to review by Bond Counsel and the Township Solicitor.

SECTION 33. SEVERABILITY. In the event any provision, section, sentence, clause or part of this Ordinance is determined by a court of competent jurisdiction to be invalid and unenforceable, such determination shall not affect the validity or effect of the remaining provisions hereof.

SECTION 34. REPEALER. All ordinances or parts thereof not in accordance with this Ordinance are hereby repealed insofar as they conflict herewith. Section 4.14 of Ordinance No. 2015-01, enacted April 20, 2015, is hereby expressly repealed.
