

At the Village Board Meeting on December 19, 2022, the Athens Village Board created Ordinance 367-3G

§ 367-3. Connection to public sewer; private sewage disposal system

G. Repairs to existing sewer connections. With the exception of root cleaning, the cost for any repairs/replacements of the service pipe from the main to the curb line will be the expense of the Utility. The property owner will be responsible for any costs (including any sidewalk replacement) from the curb line to the point of use as well as root cleaning from the main to the point of use. The curb line is defined as the edge of the pavement.
