Be It Enacted by the board of trustees of the Village of Ballston Spa that Chapter 150, entitled Parks, is hereby added as follows:

§150-1. Purpose.

The purpose of this chapter and the rules and regulations authorized hereunder is to preserve the public peace and good order on lands operated as public parks by the Village of Ballston Spa and to enhance and promote safety, well-being and enjoyment of the users of such parkland.

§150-2. Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

CANNABIS - For the purpose of this article, the definitions of "cannabis," "cannabis products," and "cannabis-infused products," shall be the same as they are defined in the New York State Marijuana Regulation and Taxation Act.

ELECTRONIC CIGARETTE (E-CIGARETTE) – an electronic device that contains cartridges filled with substances that may include nicotine, cannabis, flavoring, and/or chemicals that are turned into vapor when inhaled by the user, and shall include any refill, cartridge and any other component of such a device.

PARK(S) AND PARK FACILITIES – all lands and facilities under the jurisdiction, supervision, and control of the Village of Ballston Spa including but not limited to park lands, trails, ball fields, playgrounds, basketball courts, swimming pools, skate parks, water courses, historic sites, nature preserves, and all other recreation facilities; and shall also include buildings, structures, parking areas, and all other Village of Ballston Spa owned property associated with park land.

SMOKING – the act of inhaling or exhaling the smoke of burning tobacco or tobacco substitute or herbs, including cannabis, cannabis products, or cannabis-infused products, and also to carry burning tobacco or tobacco substitutes in the form of a cigarette, cigar, or any other smoke producing product or device including pipes. This also includes the use, or “vaping”, of electronic cigarettes.

TOBACCO USE – the smoking and/or chewing of tobacco.

USER – all persons entering upon and/or using the parks and/or park facilities for any purpose, other than to carry out their duties and responsibilities as agents or employees of the Village of Ballston Spa.

§150-3. General use of parks and park facilities.

- A. The parks and park facilities are for the peaceful use and safe enjoyment of residents of and visitors to the Village of Ballston Spa. Use of the parks and park facilities shall conform to this chapter and to all rules and regulations promulgated thereunder.
- B. Except for emergencies or another special reason, the various parks in the Village shall be open to the public every day of the year during designated hours as determined by the Board of Trustees by resolution. The opening and closing hours for each individual park shall be posted therein and in the Village Hall for public information, as well as on the Village's website and shall be determined, from time to time, by resolution of the Board of Trustees. Any part or the whole of any park may be closed to the public at any time and for such interval of times as may be reasonably necessary in the public interest as determined by the Superintendent of Public Works. Such closing shall be accomplished by the posting of signs at the parks and on the Village's website containing the word "Closed" and such other information as may be reasonably required to inform the public.
- C. The parks and park facilities shall not be used other than during such times as the Village of Ballston Spa Board of Trustees or Village Superintendent of Public Works shall have determined or designated. Exceptions for special uses at times not specified for use by the general public shall require a special permit issued by the Village of Ballston Spa. Groups, clubs, businesses, or other organizations wishing to use the parks or park facilities for an event must first secure, in writing, a special permit issued by the Village. The Village may charge a permit fee and/or require insurance as set forth in section 150-3(E) below.
- D. The parks or any portion thereof and park facilities or any part thereof may be closed or rendered unavailable for access or use, for such interval of times as may be deemed appropriate or necessary, by the Village Superintendent of Public Works, Village Police Chief, Mayor, or Village Board of Trustees. Such closing may be accompanied by the posting of notices and/or signs to such effect upon the affected property and/or facilities, and otherwise may best give notice of same to the public.
- E. The Village Board of Trustees is authorized to adopt a schedule of fees, which shall be charged for the use of parks or park facilities and/or equipment upon permit. The Village Board is authorized to require the posting of security, in the form of cash or check, and insurance as a condition of the use of the park or park facilities and/or equipment. Should damage be done to the premises for which the cost to repair shall be in excess of said sum, then either the individual making application for said permit or the group which they represent or on whose behalf they sign, or both, may be held legally responsible for such excess.
- F. Use of the parks and park facilities shall be at the sole and complete risk of the user. The Village of Ballston Spa assumes no responsibility and is not liable for any injury, damage, or losses to any persons or property arising from the use of the parks and/or park facilities.

- G. Entering upon and using the parks and/or park facilities shall constitute an agreement by the user to hold the Village of Ballston Spa harmless from all claims from injury, damage or loss to any persons or property arising from the use of the park and/or park facilities. Injury, damage or loss of property of the Village of Ballston Spa, including the parks and/or park facilities, resulting from the use of the park and/or park facilities shall be the responsibility of the user, who shall be liable to the Village of Ballston Spa for the actual cost or value of such injury, damage or loss, in addition to such other claims and sanctions as may be allowed or imposed by law.
- H. Minors under the age of 10 shall at all times be under the supervision and control of a parent, guardian, or responsible custodian while on park property or in park facilities.

§150-4 Permits.

A written permit issued by the Village Clerk to do any act shall authorize the same insofar as it may be performed in strict accordance with the terms and conditions thereof. The Village Board of Trustees may set a fee schedule by resolution from time to time, which schedule will be on file in the office of the Village Clerk. Any act authorized pursuant to the permit may be performed only by the person or entity named therein, and any such authorization may not be assigned or delegated unless and except as provided in the permit. Any permit may be revoked at the option of the Village Superintendent of Public Works, the Village Board of Trustees, or the Village Code Enforcement Officer, and such action shall be deemed final. In case of such revocation, all money paid for or on account thereof shall, at the option of the Village, be forfeited to and retained by the Village. In any case where the holder of a permit or his agent or employee shall have been found to have violated a term or condition, they shall be jointly and severally liable to the Village of Ballston Spa for any damages or loss suffered by it in excess of money forfeited and retained by the office. Neither the forfeiture and the retention of such money by the office nor the recovery or collection of any damages, or both, shall preclude the prosecution of any person for a violation of a rule or regulation of the office or the violation thereof.

§150-5 Rules of Conduct; Prohibited Activities.

- A. The Village Board of Trustees, the Village Superintendent of Public Works, the Village Police Department, and the Village Code Enforcement Officer shall have the authority to monitor compliance and seek enforcement of the provisions of this chapter and any rules and regulations promulgated hereunder.
- B. The Village Board of Trustees shall have the authority to promulgate rules and regulations regarding the use of the parks and/or park facilities. A current copy of all such rules and regulations for each Village park and/or park facility shall be maintained on file in the Village Clerk's office, on the Village's website, and a summary shall be posted at the respective park and park facility.

Such “dog parks” or “dog run areas” shall be designated by the Village Board of Trustees and identified in a schedule of parks to be approved by the Village Board of Trustees by resolution and amended from time to time, with signage installed and maintained to indicate such areas. Other than service dogs, dogs are prohibited in areas designated by the Village as “playgrounds” located in parks. In all cases, owners must pick up with a disposable bag and place in a trash container any excrement left by their dog on park or Village-owned property.

- D. In addition to any specific rules for each individual park, all persons are prohibited from doing any of the following in or upon any park or any park facilities:
