b.

The Director Planning, Zoning, and Development shall, prior to appointment, be qualified by education, training and experience in the

process of the development of housing, commercial and industrial improvements within large urban areas.

c.

The Director, through the Divisions and otherwise, shall direct and supervise the functions necessary to assist and encourage the timely and proper improvement to real property within the City. These functions shall include at a minimum the acquisition of real property; the development of maps and standards governing the development of the City; the management, maintenance and operation of property owned by the City but not needed for public use; the upkeep and improvement of the City's infrastructure, including the water and sewer systems; and the disposition of such property by sale or lease and the operation and administration of such incentive programs as may be established by the City to assist and encourage the development of property.

§ 2-10.2 Division of Planning.

Within the Department of Planning, Zoning, and Development there shall be a Division of Planning, the head of which shall be the City Planner or Assistant Planner. Under the direction and supervision of the City Planner or Assistant Planner, the Division shall:

a.

Have authority to perform all of the functions and duties of the Division of Planning as required by Chapter 33 of the Revised General Ordinances of the City of Bayonne and all other related planning functions.

b.

Supervise the administration of the planning and implementation of such community services, housing preservation and conservation and such other services and projects as may be funded by any source. The Division shall also supervise the administration of Planning process, regulations and enforcement thereof.

§ 2-10.3 Division of Zoning.

Within the Department of Planning, Zoning, and Development there shall be a Division of Zoning, the head of which shall be the City Zoning Officer. Under the direction and supervision of the City Zoning Officer, the Division shall:

a.

Have administrative oversight of the personnel employed to perform zoning and land use functions.

b.

Have authority, through the Zoning Officer, to perform all of the functions and duties of the Office of Zoning as required by Chapter 35 of the Revised General Ordinances of the City of Bayonne.

§ 2-10.4 Division of Development and Housing.

a.

Within the Department of Planning, Zoning, and Development there shall be a Division of Development and Housing. The Division of Development and Housing shall focus on development, tax abatements, and housing stock.

b.

Under the supervision of the Director, the development functions are:

1.

Be responsible for the preparation, formulation and implementation of an overall economic development plan for the City.

2.

Coordinate all program activities concerning the economic development of the City.

3.

Formulate plans for attracting new business and industry into the City so that jobs are made available to alleviate or prevent conditions of unemployment, underemployment and economic dislocation.

4.

Develop and administer all programs established by the City to encourage the utilization, construction, reconstruction or rehabilitation of commercial and industrial property.

5.

Involve public officials and private citizens in analyzing local economics, defining development goals, determining project

opportunities and formulating and implementing development programs.

6.

Provide such other assistance as is proper and necessary to permit and encourage the development of real property for commercial and industrial purposes in a manner which is consistent with general law and local ordinance.

7.

Administer and direct urban conservation, rehabilitation and renewal activities of the City.

8.

Exercise the powers of the City as an authorized local public agency for purposes of any federal urban renewal or redevelopment program, provided that no project shall be undertaken except upon the approval of the Council, and nothing in this section shall be construed to authorize any expenditure except pursuant to an appropriation made by the Council.

9.

With the approval of the Director and the Business Administrator, appoint or contract with technical and professional advisers and assistance as may be required and approved for any federally or state aided planning, renewal, development or redevelopment project, provided that nothing herein shall be construed to authorize the making of any contract in excess of \$2,500 without the approval of Council.

10.

Make recommendations, in conjunction with the Law Director and the Business Administrator, to standardize certain redevelopment agreement terminology and provisions and to propose any needed changes in State legislation.

11.

Coordinate and liaison, as needed, with the Mayor, the Municipal Council, the Law Director and all City departments, in the redevelopment process.

c.

Under the supervision of the Director, the tax abatement functions are:

1.

Maintain in one place and ensure the security of all of the records, papers and submissions that pertain to all tax abatement and exemption financial agreements.

2.

Monitor and ensure compliance with the terms of all tax abatement and exemption financial agreements following approval by the Municipal Council.

3.

Along with the Finance Department, ensure the timely submission and payment of quarterly service charge bills with applicable arrearages and interest and insure full compliance with the terms and conditions contained within the City's tax abatement and exemption financial agreements by conducting periodic audits.

4.

Make recommendations, in conjunction with the Law Director and the Business Administrator, to standardize certain financial agreement terminology and provisions and to propose any needed changes in State legislation.

5.

Coordinate and liaison, as needed, with the Mayor, the Municipal Council, the Law Director and all City departments, in the tax abatement and exemption process.

6.

Act as a liaison with the Business Administrator and the City Council to review and analyze the financial ramifications of each tax abatement and exemption financial agreement.

8.

Assist in the preparation of the capital budget.

d.

Under the supervision of the Director, the housing stock preservation functions are:

1.

Advise the Director on policies to ensure the perseveration and creation of housing.

2.

Maintain in one place and ensure the security of all of the records, papers and submissions that pertain to short term rental permits.

(g)

Providing annual reports to COAH as required.

7.

The Administrative Agent shall have authority to take all actions necessary and appropriate to carry out its responsibilities hereunder.

§ 2-10.6 Division of Real Property and Infrastructure.

a.

Within the Department of Planning, Zoning, and Development there shall be a Division of Real Property and Infrastructure. Under the supervision of the Director, the Division shall manage and oversee all real property and infrastructure owned, leased, and controlled by the City of Bayonne. The Division of Real Property and Infrastructure shall focus on the acquisition, maintenance, and disposition of all real property and infrastructure.

b.

Under the supervision of the Director, there shall be a Long Term Control Plan and Resiliency Coordinator, who, in conjunction with the Director of Municipal Services, shall be responsible for the creation and implementation of the Long Term Control Plan and the recommendations of the Resilient New Jersey program.

1.

Purpose. The purpose of this subsection is to create the administrative mechanisms needed for the execution of the City of Bayonne's responsibility to assist in creation and implementation of the Long Term Control Plan pursuant to the United States Clean Water Act and United States Environmental Protection Agency's Combined Sewer Overflows Control Policy, issued on April 11, 1994.

2.

Establishment of the Long Term Control Plan and Resiliency Coordinator Position; Powers and Duties.

(a)

Establishment of Position of the Long Term Control Plan and Resiliency Coordinator. There is hereby established the

position of Long Term Control Plan and Resiliency Coordinator for City of Bayonne.

(b)

The Long Term Control Plan and Resiliency Coordinator shall be responsible for the development, oversight and administration of the City's compliance with the Federal and State laws concerning the Combined Sewer Overflows Controls. The Long Term Control Plan and Resiliency Coordinator shall also be responsible for addressing flooding prevention and addressing climate change.

3.

Goals of the Long Term Control Plan. The National Combined Sewer Overflow Policy identifies the following essential elements of a Long Term Control Plan:

(a)

Characterization, monitoring, and modeling activities as the basis for selection and design of effective Combined Sewer Overflow controls.

(b)

A public participation process that actively involves the affected public in the decision-making to select long-term Combined Sewer Overflow controls.

(c)

Consideration of sensitive areas as the highest priority for controlling overflows.

(d)

Evaluation of alternatives that will enable the permittee, in consultation with the National Pollution Discharge Elimination System permitting authority, Water Quality Standards authority, and the public, to select Combined Sewer Overflow controls that will meet Clean Water Act requirements.

(e)

Cost/performance considerations to demonstrate the relationships among a comprehensive set of reasonable control alternatives.

(f)

Operational plan revisions to include agreed-upon long-term Combined Sewer Overflow controls.

(g)

Maximization of treatment at the existing Publicly Owned Treatment Works treatment plant for wet weather flows.

(h)

An implementation schedule for Combined Sewer Overflow controls.

(i)

A post-construction compliance monitoring program adequate to verify compliance with water quality-based Clean Water Act requirements and ascertain the effectiveness of Combined Sewer Overflow controls.

(j)

Provide clear levels of control that would be presumed to meet appropriate health and environmental objectives.

(k)

Provide sufficient flexibility to municipalities, especially those that are financially disadvantaged, to consider the site-specific nature of Combined Sewer Overflows and to determine the most cost-effective means of reducing pollutants and meeting Clean Water Act objectives and requirements.

(l)

Allow a phased approach for implementation of Combined Sewer Overflow controls considering a community's financial capability.

(m)

Review and revise, as appropriate, water quality standards, and their implementation procedures when developing long-term Combined Sewer Overflow control plans to reflect the site-specific wet weather impacts of Combined Sewer Overflows.

4.

Goals of the Resilient New Jersey. Resilient New Jersey is a program administered by the New Jersey Department of Environmental Protection and funded by the U.S. Department of Housing and Urban Development that brings together resilience experts, local leaders, community organizations, residents, and regional infrastructure entities to develop solutions to reduce flood risk and build resilience.
