Public Contributions on Agenda Items (5 minutes): ▪ Jeremy Thieroff 72 N. Jackson Would like to discuss road closure for a Halloween party on the night of Oct 26. The request would be to close Lincoln Ave from Jackson to Freemont. ▪ The non-profit is willing to pay any cost that would be accrued by the borough. A large number of businesses are looking to participate in the event. More than normally participate in other events. Application has been submitted and all insurances and documents will be provided. ▪ Jessica Koderica 494 Lincoln Ave. Reason we would like to make the closure longer is so the businesses further down Lincoln can be involved and not missed as they are during other events. Also, would make it safer to allow a safe walking area. ▪ Seth Murphy 411 Lincoln Ave. Being a new business we would like to see closure to bring more traffic towards business during the event. ▪ Jeremy also stated the businesses get the most traffic during the events and the closure would just increase business traffic.
