CORRESPONDENCE

Secretary Coni Romano read the following letters to the board members:

A letter to Ronald Cohen, Health Officer from James DeMuro, Boro Engineer. Subject: Bound Brook Apt. Sewer Blockage.

A letter to Mr. Robert Jannuzzi 224-228 E. Main Street Voohee's Building. Subject: Pigeons Roosting at 301-307 E. Main Street Voohee's Building.

Mr. Martarano discussed Chinese Restaurant going into where Wendall's Jewelry Store was. Also discussed was about Dr. Crystal wanting to put an office and four apartments at E. Union Avenue, Block 78, Lot 10. The Board of Adjustment turned him down. They feel that he is over-utilizing the area. Mr. Martarano would like to begin to increase our \$ 25.00 re-inspection fee. What he is suggesting is each time making it a little steeper. Dr. Cohen said by law the fees are to get back the cost. We can set fees in order to collect cost the Board of Health has to incur but we can't penalize before taking to court. Dr. Cohen will prepare a proposal and get it to our Attorney Mr. George Psak.

Mr. Martarano's reports were passed to board members and filed.
