Mayor Marvin opened the Special Meeting at 4:30PM on a motion by Trustee Fredericks, seconded by Trustee Behrens.

The Village Board discussed a draft local law provided by the Village Attorney concerning the prohibition of smoking in public spaces. There was discussion about including municipal facilities and parking lots and whether or not to define specific areas in the downtown that should be subject to the local law. The Village Attorney explained that enforcement resources should also be taken into account. Mayor Marvin suggested starting with parks, Village Hall and the Library grounds. The Village Attorney and Village Administrator agreed to revise the draft local law and circulate to the Village Board.

The Village Board authorized the Village Administrator to retain WSP for the purposes of designing, bidding and managing the traffic signal improvements associated with the intersection of Pondfield Rd and Midland Ave and to apply for funding under the CDBG program in anticipation of the Village Board joining the Urban County Consortium.

At 5:30PM, on a motion by Trustee Fredericks and seconded by Trustee Knapp the Village Board closed the public work session.

James M. Palmer, Village Administrator
