WORK SESSION

At 9:00am, on a motion by Trustee Behrens, seconded by Trustee Fredericks, the Village Board unanimously agreed to open a Work Session. Village Administrator, James Palmer, provided an update on the ongoing and planned capital projects and discussed other matters.

The Board discussed some legislative priorities including revisions to the Village’s solar provisions, retaining walls and fill requirements defined in the zoning code.

The Board also discussed the role of the Police Community Relations Committee going forward following the one-year anniversary of the Village’s submittal of its New York State Police Reform and Reinvention Collaborative Plan.

At 1:20pm, on a motion by Trustee Fredericks, seconded by Trustee Knapp, the Village Board unanimously agreed to close the work session.

James M. Palmer, Village Administrator
