## BOARD OF HEALTH

TOWN OFFICES-50 BILLERICA ROAD

---

**A REGULATION PROVIDING FOR THE CONTROL AND PERMITTING OF MOTELS, HOTELS, LONG TERM/EXTENDED STAY ESTABLISHMENTS AND OTHER LODGING ESTABLISHMENTS IN REGARDS TO GOVERNMENT SPONSORED EMERGENCY HOUSING/ SHELTERING PROGRAMS IN THE TOWN OF CHELMSFORD.**

**ADOPTED BY THE CHELMSFORD BOARD OF HEALTH ON AUGUST 3, 2015**

---

### **A. Authority**

This Regulation shall be effective on and after September 1, 2015 as to new placements and January 1, 2016 as to existing placements, and so remain in effect until terminated, modified or amended in writing by the Chelmsford Board of Health. It is enacted under authority granted by, but not limited to, Massachusetts General Laws, Chapter 111, sections 31, 31C, 122, 142A through 142 M. Board of Health regulations are an exercise of the police power under which the various levels of government hold responsibility for protection of the public health, safety and welfare.

### **B. Purpose**

This Regulation has been enacted by the Board of Health for the purpose of protecting the health, safety and well-being of the general public and the individuals being housed and sheltered in motels, hotels, long term/extended stay establishments and other lodging establishments within the Town of Chelmsford as part of any government sponsored housing / sheltering program.

### **C. Definitions**

1. Lodging establishment: A place where a person can rent a room(s) to stay for a short period of time: a place to sleep. Other services may be supplied. This definition includes hotels, motels, long term/extended stay establishments, bed and breakfasts, inns, resorts and the like.
2. Hotel: A place that has rooms in which people can stay especially when they are traveling: a place that provides food, lodging, and other services for paying guests for usually less than seven days.
3. Motel: A small-sized low- rise lodging establishment which provides sleeping accommodation with limited services for usually less than 7 days. They have direct access to individual rooms from the parking area.
4. Long term/extended stay establishment: A lodging establishment with additional amenities that people stay for a period usually longer than 7 days.
5. Kitchenette: Must have the following located in unit:
  - a). Refrigerator/Freezer unit (min 3 cu. Ft)
  - b) Kitchen sink of minimum size (14"x 16"x 7" min.) and adequate space to store, prepare and serve food in a sanitary manner (2'x8' counter top and 12 sq. ft. of cabinets-min.)
  - c) A permanently installed electric cooktop (2 heating elements) and microwave.
  - d) A kitchen area of a minimum of 50 square feet
  - e) Landlord to provide reasonably necessary cookware and amenities, including without exception, flatware, plates, bowls, cups, glasses and table settings.

6. Full Kitchen: Must have the following located in unit:
  - a) Refrigerator/Freezer unit-(min.10 cu. Ft.)
  - b) Kitchen sink/dishwasher combination of sufficient size (14"x14"x7' min.) and adequate space to store, prepare and serve food in a sanitary manner. (2'x12'counter top and 24 sq. ft. of cabinets-min.)
  - c) Electric stove and microwave
  - d) Kitchen area- a minimum of 100 square feet
  - e) Landlord to provide reasonably necessary cookware and amenities, including without exception, flatware, plates, bowls, cups, glasses and table settings.
7. Single Room: A habitable room with 1 or 2 beds without any kitchen facility.
8. Single Room with Kitchenette: A habitable room with 1 or 2 beds and kitchenette facility
9. Single Room with Full Kitchen: A habitable room with 1 or 2 beds with full kitchen facilities.
10. Habitable Room-means every room or enclosed floor space used or intended to be used for living, sleeping, cooking, or eating purposes, excluding rooms containing toilets, bathtubs or showers and excluding laundries, pantries, foyers, communicating corridors, closets, and storage space.-105 CMR 410.000

#### **D. Requirements**

- 1) Minimum space requirements for all Single Room setups: at least 150 square feet of floor space for the first occupant and at least 100 square feet of floor space for each additional occupant. (Bathroom facilities not included in habitable space needs or in meeting kitchen needs-must be totally separate)
- 2) Maximum occupancy per room -square footage of room
  - A. 1 PERSON- NEED -150 Sq.Ft.
  - B. 2 PEOPLE- NEED - 250 Sq.Ft.
