To Whom It May Concern:

The Annual Fall Town Meeting of October 18, 2010, was called to order at 7:35 PM at the Senior Center at 75 Groton Rd. The Moderator Dennis E. McHugh recognized the presence of a quorum. There were 135 Town Meeting Representatives present. The following action took place:

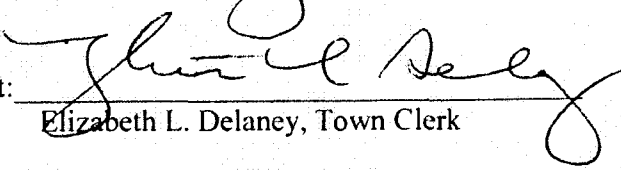

UNDER ARTICLE 20. Town Manager Paul E. Cohen moved that the Town vote to amend paragraph B "Discharges to the Municipal Storm Water System" of Section 142-6 of the Code of Chelmsford by deleting from Section 5.2(n) the words "for which advanced written approval is received from the DPW as necessary to protect public health, safety, and welfare, or the environment", and substituting in its place the words "is in full compliance with the requirements of the permit, waiver, or order and applicable laws and regulations."

The Town Manager explained that this is a housekeeping article. At the Spring Town Meeting the Town adopted the Municipal Storm Water System by-law. When this was submitted to the AG for approval a typographical error had been found and the correction is stated in the article. The Moderator asked if there were any questions, hearing none he asked for recommendations. The Finance Committee recommended this article. The Board of Selectmen recommended the article. The Moderator asked for any debate, hearing none he asked for a vote by way of a show of hands. **Motion carried, unanimously.**

Sincerely,

Elizabeth L. Delaney, Town Clerk
