Local Law #3 of 2024 Town of Concord, New York Battery Energy Storage Systems Moratorium Page 2

#### SECTION II. LEGISLATIVE FINDINGS

WHEREAS, communities are witnessing the introduction of a previously unfamiliar form of Green-adjacent technology in the form of Battery Energy Storage Systems, or "BESS"; and

WHEREAS, BESS facilities generally consist of rows of rechargeable batteries housed in self-contained, interconnected storage units. BESS facilities typically operate by drawing surplus energy from the local power grid during periods of low usage and storing it for later distribution back into the grid during peak demand; and

WHEREAS, the Town of Concord Town Board, Disaster Coordinator, and local Fire Companies have raised concerns regarding BESS facilities over the presence of highly flammable substances, such as from lithium-ion batteries, and possible air and groundwater contamination; and

WHEREAS, following the third fire at a battery energy storage facility in as many months in New York this summer, Gov. Kathy Hochul announced the creation of a state interagency working group tasked with ensuring the safety of battery energy storage systems across New York; and

WHEREAS, the Town Board finds it imperative that the town undertake a thorough examination of these systems to identify any possible threats to public health, safety and welfare as well as evaluate the potential for environmental degradation; and

WHEREAS, other potentially significant planning concerns associated with BESS facilities such as noise generated by cooling fans may affect the quality of life of our residents; and

WHEREAS, it is essential for the Town of Concord to enact a temporary moratorium to carefully evaluate the implications of BESS facilities and assess how they may impact the Town, its residents, and its fire prevention infrastructure; and

WHEREAS, the Town Board of the Town of Concord has determined that in accordance with Section 617.5(c)(30) SEAR the adoption of a moratorium on applications for building permits arid/or certificate of occupancies for land development or construction of Battery Energy Storage System Facilities constitutes a Type II Action, and further that the proposed moratorium has been identified as an Action not having a significant impact on the environment and is not subject to review under SEQRA.

IT IS THEREFORE FOUND BY TOWN OF CONCORD TOWN BOARD that the Town of Concord shall implement a moratorium to allow for a comprehensive and deliberate examination of BESS facilities and the recently introduced state inter-agency working group, with the aim of preserving the Town's ability to address the unique needs and concerns of its community in the realm of battery energy storage system regulations.

#### SECTION III. AUTHORITY

This moratorium is enacted by the Town Board of the Town of Concord pursuant to its authority to adopt local laws under Article IX of the New York State Constitution and Municipal Home Rule Law Section 10.

#### SECTION IV. MORATORIUM

- A. For a period of one (1) year from the effective date of this Local Law, no applications shall be accepted or considered by the Planning Board or the Town Board of the Town of Concord for any battery energy storage system facilities, or stand-alone.
- B. This moratorium may be extended by one (1) additional period of up to one year by resolution of the Town Board upon a finding of the necessity for such extension.

#### SECTION V. SEVERABILITY

The invalidity of any word, section, clause, paragraph, sentence, part or provision of this Local Law shall not affect the validity of any other part of this Local Law which can be given effect without such invalid part or parts.

#### SECTION VI. REPEAL OF OTHER LAWS

All local laws in conflict with provisions of this Local Law are hereby superseded and suspended for the duration of this moratorium and for any additional period that this Local Law is extended. This Local Law also supersedes, amends and takes precedence over any inconsistent provisions of New York State Town Law, the Town's Municipal Home Rule powers, pursuant to Municipal Home Rule Law Sections 10 and 22. The Town Law provisions intended to be superseded include all of the Article 16 of the Town Law, Sections 261-285 inclusive and any other provisions of law that the Town may supersede pursuant to the Municipal Home Rule Law and the Constitution of the State of New York. The courts are directed to take notice of this legislative intent and to apply such intent in the event the Town has failed to specify any provisions of law that may require supersession. The Town Board hereby declares that it would have enacted this local law and superseded such inconsistent provisions had it been apparent.

### SECTION VII. EFFECTIVE DATE

This Local Law shall take effect immediately, as provided by law, upon filing with the New York State Secretary of State.
