**A LOCAL LAW AMENDING SECTION 600-12 OF THE
TOWN CODE REGARDING MINIMUM ROAD FRONTAGE**

Be it enacted by the Town Board of the Town of Dickinson as follows:

Section 1: Section 600-12 of the Town Code entitled “Operation within limits; safeguards and conditions” is hereby amended by adding the following:

- F. Minimum road frontage. The minimum road frontage required for those parcels without public sewer service and thus requiring the use of a septic system shall be a minimum of 200 linear feet.

Section 2: Separability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability will not affect or impair any of the remaining provisions, clauses, sentences, subsections, words, or parts of this Local Law or their application to other persons or circumstances. It is hereby declared to be the legislative intent that this Local Law would have been adopted if such illegal, invalid, or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and as if such person or circumstance, to which the Local Law or part thereof is held inapplicable, had been specifically exempt therefrom.

Section 3: Repealer

All Ordinances, Local Laws and parts thereof inconsistent with this Local Law are hereby repealed.

Section 4: Effective Date

This local law shall take effect immediately upon filing with the New York State Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.
