City Clerk

Salvatore J. Butera
Mayor

§ 475-28 **Connection charges; owner to pay.**
[Amended 12-30-1971 by Ord. No. 2121]

The owners of all property abutting on the streets where trunk sanitary sewers are now constructed ~~or may hereafter be constructed,~~ where such property owners have heretofore or may hereafter connect with such trunk sanitary sewers, shall pay for connecting such properties with the sanitary sewerage system including the sewer connection and the appropriate tapping fee. ~~the average cost per lineal foot to the City for the specific contract covering any given area for the number of feet that each property fronts upon any street upon which such trunk sanitary sewer is now constructed or may hereafter be constructed, plus the average cost to the City per lateral (connection from trunk line to curb) for each lateral within the bounds of any abutting property if such properties have not been heretofore or may not hereafter be assessed for the cost of the construction of trunk sanitary sewers under the existing laws and ordinances of the City relating to and establishing a sanitary sewerage system and providing for the construction thereof and assessing the cost of the work upon abutting property owners.~~
