**AN ORDINANCE OF THE BOROUGH OF EMMAUS, LEHIGH COUNTY, PENNSYLVANIA, AMENDING
CHAPTER 15 §214 OF THE EMMAUS BOROUGH CODE, ESTABLISHING A STOP SIGN AT MULTIPLE
INTERSECTIONS WITHIN THE BOROUGH OF EMMAUS**

WHEREAS, the Borough Council of the Borough of Emmaus has established through its Codified Ordinances that vehicle traffic is regulated and directed at certain locations throughout the Borough; and

WHEREAS, the Borough Council deems it appropriate and in the best interests of the public health, safety, and welfare of the community to regulate traffic at the intersection of certain streets within the Borough of Emmaus; and

WHEREAS, the Emmaus Police Department recently conducted a stop sign needs assessment and presented its findings to Emmaus Borough Council and the Public Safety Committee; and

WHEREAS, the Borough Council, upon research and a traffic study conducted by the Emmaus Police Department, deems it appropriate to place additional stop signs at the intersections of certain side streets that intersect with major thruway streets within the Borough; and

WHEREAS, the Borough of Emmaus is in the process of completing a significant street reconstruction project on South Second Street within the Borough; and

WHEREAS, this multimodal project narrows the cartway to a single lane at the underpass of the railroad; and

WHEREAS, the narrowed cartway allows for the construction of pedestrian sidewalks and safer pedestrian travel; and

WHEREAS, because of the single lane cartway, it is necessary to regulate traffic to stop at the underpass to ensure the safety of both pedestrians and motorists attempting to navigate under the underpass; and
