Except as otherwise stated in paragraphs (a), (c), (d), (f) and (g) above with respect to the said grants-in-aid of financing the purposes described in said paragraphs, the excess of the appropriation made for each of the improvements or purposes aforesaid over the estimated maximum amount of bonds or notes to be issued therefor, as above stated, is the amount of the said down payment for said purpose.

Section 4. The following additional matters are hereby determined, declared, recited and stated:

(a) The said purposes described in Section 3 of this bond ordinance are not current expenses and each is a property or improvement which the City may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of said purposes within the limitations of said Local Bond Law and taking into consideration the respective amounts of the said obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is 15.74 years.

(c) The supplemental debt statement required by said Local Bond Law has been duly made and filed in the office of the City Clerk and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the City as defined in said Local Bond Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$11,735,428, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

(d) Amounts not exceeding \$3,000,000 in the aggregate for interest on said obligations, costs of issuing said obligations, engineering costs and other items of expense listed in and permitted under Section 40A:2-20 of said Local Bond Law may be included as part of the costs of said improvements and are included in the foregoing estimate thereof (and, in particular, such costs have been included in the improvement described in Section 3(c) of this bond ordinance).

Section 5. The funds from time to time received by the City on account of the \$4,653,706 grants referred to in Section 1 of this bond ordinance shall be used for financing the improvements or purposes described in paragraphs (a), (c), (d), (f) and (g) of Section 3 of this bond ordinance by application thereof either to direct payment of the costs of said improvements or purposes, or to payment or reduction of the authorization of the obligations of the City authorized therefor by this bond ordinance. Any such funds so received may, and all such funds so received which are not required for direct payment of the costs of said improvements or purposes shall, be held and applied by the City as funds applicable only to the payment of obligations of the City authorized by this bond ordinance.

Section 6. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer, acting chief financial officer or treasurer (the "Chief Financial Officer"), provided that no note shall mature later than one year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with the notes issued pursuant to this bond ordinance, and the Chief Financial Officer's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. §40A:2-8. The Chief Financial Officer is hereby authorized to sell part or all of the notes at no less than par from time to time at public or private sale at not less than par and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the dates of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body of the City at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this bond ordinance is made. Such report must include the principal amount, interest rate and maturities of the notes sold, the price obtained and the name of the purchaser.

Section 7. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of said obligations and interest thereon without limitation of rate or amount.

Section 8. The capital budget or temporary capital budget of the City is hereby amended to conform with the provisions of this ordinance to the extent of any

inconsistency herewith and the resolutions promulgated by the Local Finance Board showing all detail of the amended capital budget or temporary capital budget and capital program as approved by the Director, Division of Local Government Services, are on file with the City Clerk and are available for public inspection.

Section 9. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by said Local Bond Law.
