

Thomas Creek Wetlands Project Update

We'd like to extend a BIG "Thank you!" to all of you for the public input we have received on the Thomas Creek Wetlands upgrade. Your input was extremely valuable in our grant application for this project.

Thanks to your feedback, we were able to create a plan that addresses the needs of our community and have secured a \$50,000 grant from the NYS Canal Corporation.

This funding will improve access at the entrance to the Wetlands and will create a more functional and pleasing experience for residents and visitors.

In early 2024, we will use your feedback to update our preliminary designs. We hope to begin the project in Spring 2024.

Our survey is still open for additional input here:
