

## Celebrating Fairport Women Business Owners

In recognition of Women's History Month, we celebrate the numerous women-owned businesses in the Village of Fairport.

According to the most recent U.S. Census Bureau's Annual Business Survey, women-owned firms make up only 22% of all employer firms yet they drive our economy forward with \$2.1 trillion in annual receipts.

The [U.S. Small Business Administration](#) provides resources to help

women entrepreneurs and business owners get started.

Here in Fairport, we encourage and support small business in many ways, including Business Grant Programs, our Uniform Tax Exemption Policy, IDA Programs, and Commercial Loans. Explore our [Business Support & Resources](#) page for more information on how we can help your business achieve success.

## Ceili on the Canal

We are pleased to support Fairport's newest family event. Ceili on the Canal celebrates the rich heritage of Fairport's Irish community.

Ceili on the Canal takes place on Saturday, March 16th in the Box Factory parking lot. Celebrate Irish culture with dancing, music, food, beverages and more. In addition to sponsoring the event, Fairport OCED will also host a children's booth with lots of fun activities for the wee ones!
