

# Happy New Year!

## Thomas Creek Wetlands Entrance Project Conversation

Thanks to your feedback, we were able to create a plan for upgrades to the Thomas Creek Wetlands area to address the needs of our community. The project will improve access at the entrance to the Wetlands and will create a more functional and pleasing experience for residents and visitors.

We will be hosting an informal presentation and answering questions about the project. We invite you to stop by and enjoy \$2 off one of

Junction 361's great coffee beverages on us!

# Meet Our Team!

**Linda Kavanagh-Schwenger**  
HCV Administrative Specialist

Linda joins the Fairport Urban Renewal Agency Section 8 program with over 30 years of experience working in the Public Housing industry in Rochester.

Since coming to FURA in March of 2023, Linda has proven to be a tremendous asset to the organization. Her most significant accomplishment includes the redevelopment and implementation of a new waiting list and intake process. She opened the Section 8 waiting list shortly after arrival, managing the entire process, all while mastering FURA's software system.

We welcome her to FURA and look forward to all of her future accomplishments!
