

Thomas Creek Wetlands Entrance Project Awarded

Thank you! Community input from you and many others helped us create a plan for the Thomas Creek Wetland Entrance Project that will enhance our community and provide safety improvements for pedestrians and bicyclists.

We are excited to tell you that the Fairport Industrial Development Agency has awarded the bid for the project.

The competitively bid project was awarded to Wayside Contractors. The \$109,445 cost of the project will be offset by a generous \$50,000 grant from our partners the New York State Canal Corporation. Construction to begin shortly.

For more information, follow the project here:
