CITY OF FOND DU LAC - Memorandum

Engineering and Traffic Division

Date: July 18, 2024
To: Advisory Parking and Traffic Board
From: Christopher Johnson, P.E., City Engineer
Re: Request to amend parking restrictions along W Division Street

This memo and Exhibit "A" covers agenda item listed as "A" for the Advisory Parking & Traffic Board's July 18, 2024 meeting:

Request to remove parking restriction "Limited Parking, Two Hours From 7:00 a.m. to 6:00 p.m., except Sundays and legal holidays" in accordance with Code of Ordinances Section 630-44, Schedule J, D (5).

Location: Division Street, West, North Side between a point 54 feet west of the west curblineline of Brooke Street and the Fond du Lac River

Request to remove parking restriction "No Parking at Specified Times, from 3:30 p.m. to 6:00 p.m., except Sundays" in accordance with Code of Ordinances Section 630-40, Schedule F, K.

Location: Division Street, West, North Side from Brooke Street west to railroad tracks

Request to remove parking restriction "No Parking Zones" in accordance with Code of Ordinances Section 630-39, Schedule E.

Location: Division Street, West, North Side from the west curblineline of Brooke Street west 54 feet.

Request to modify parking restriction "No Parking Zones" in accordance with Code of Ordinances Section 630-39, Schedule E.

Original Language:

Location: Division Street, West, Both Sides between Brooke Street and the Fond du Lac River.

Revised Language:

Location: Division Street, West, Both Sides from the west curblin of Brooke Street west to the West Branch of the Fond du Lac River.

Request to add parking restriction "No Parking Zones" in accordance with Code of Ordinances Section 630-39, Schedule E.

Location: Division Street, West, Both Sides from the east curblin of Talmadge Street east to the West Branch of the Fond du Lac River.

City Engineering has initiated this request. With the completion of the W. Division Street bridge over the West Branch of the Fond du Lac River and the recent redevelopment of the area north of W. Division Street west of Brooke Street, a re-evaluation of the existing parking restriction was in order.

On the eastside of the Fond du Lac River is conflicting and redundant parking restrictions. In order to cleanup the code, it is recommended to establish a No Parking Zone from the West Branch of the Fond du Lac River to Brooke Street. Due to the raised median at W Division Street on the west side of the river/railroad crossing, it is recommended to create a No Parking Zone on both sides of the W Division Street.

The Engineering and Traffic Division does support the removal/revisions of the parking restrictions along W. Division Street.
