Pursuant to the provisions of § 346-4, the Township of Franklin or its designee shall establish a vacant and abandoned property registry containing the information required by this Article.

**§ 346-4. Registration of Property.**

- a) Any creditor who holds a mortgage or equity lien on real property located within the Township shall perform an inspection of the property to determine vacancy or occupancy, upon the commencement of foreclosure as evidenced by a foreclosure filing. The creditor shall, within ten (10) day of the inspection, register the property with the Township Code Enforcement Official, or its designee, on forms or website access provided by the Township, and indicate whether the Property is vacant or occupied. A separate registration is required for each property, whether it is found to be vacant or occupied.

- b) If the property is occupied but remains in foreclosure, it shall be inspected by the creditor or his designee monthly until (1) the mortgagor or other party remedies the foreclosure, or (2) it is found to be vacant or shows evidence of vacancy at which time it is deemed abandoned, and the mortgagee shall, within ten (10) days of that inspection, update the property registration to a vacancy status on forms provided by the Township.
- c) Registration pursuant to this Section shall contain the name of the creditor and the servicing entity, if any, the direct mailing address of the mortgagee and the servicing entity, a direct contact name and telephone number for both parties, facsimile number and e-mail address for both parties, the folio or tax number, and the name and twenty-four (24) hour contact telephone number of the property management company responsible for the security and maintenance of the property.
- d) A non-refundable annual registration fee in the amount of five-hundred dollars (\$500.00) per property shall accompany the registration form or website registration. On each anniversary date of the initial registration, the creditor shall submit a renewal registration fee as follows: 1) five hundred dollars (\$500.00) per property annually for any property that is required to be registered because a summons and a complaint in an action to foreclose was filed by the creditor; and 2) an additional two thousand dollars (\$2,000.00) per property annually if the property is vacant and abandoned pursuant to the definition in the ordinance when the summons and complaint in complaint in an action to foreclose is filed, or becomes vacant and abandoned pursuant to the definition in the ordinance at any time thereafter while the property is in foreclosure.
- e) If the property is not registered, or the registration fee is not paid within thirty (30) days of when the registration or renewal is required pursuant to this section, a late fee equivalent to ten percent (10%) of the annual registration fee shall be charged for every thirty-day period (30), or portion thereof, that the property is not registered and shall be due and payable with the registration.
- f) All registration fees must be paid directly from the creditor, Mortgagee, Servicer, or Trustee. Third Party Registration fees are not allowed without the consent of the Township and/or its authorized designee.
- g) This section shall also apply to properties that have been the subject of a foreclosure sale where the title was transferred to the beneficiary of a mortgage involved in the foreclosure and any properties transferred under a deed in lieu of foreclosure/sale.
- h) Properties subject to this section shall remain under the annual registration requirement, and the inspection, security, and maintenance standards of this section as long as they remain in foreclosure.
- i) Any person or legal entity that has registered a property under this section must report any change of information contained in the registration within ten (10) days of the change.
- j) Failure of the creditor to properly register or to modify the registration form from time to time to reflect a change of circumstances as required by this Chapter is a violation of the Chapter and shall be subject to enforcement.
- k) Pursuant to any administrative or judicial finding and determination that any property is in violation of this Chapter, the Township may take the necessary action to ensure

compliance with and place a lien on the property for the cost of the work performed to benefit the property and bring it into compliance.

- l) Registration of foreclosure property does not alleviate the creditor from obtaining all required licenses, permits, and inspections required by applicable codes or applicable State Statutes.
- m) If the mortgage and/or servicing on a property is sold or transferred, the new creditor is subject to all terms of this Chapter. Within ten (10) days of the transfer, the new creditor shall register the property or update the existing registration. The previous Mortgagee(s) will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during the creditor's involvement with the Registrable Property.
- n) If the creditor sells or transfers the Registrable Property in a non-arm's length transaction to a related entity or person, the transferee is subject to all the terms of this Chapter. Within ten (10) days of the transfer, the transferee shall register the property or update the existing registration. Any and all previous unpaid fees, fines, and penalties, regardless of who the Mortgagee was at the time registration was required, including but not limited to unregistered periods during the Foreclosure process, are the responsibility of the transferee and are due and payable with the update registration. The previous creditor will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that creditor's involvement with the Registrable Property.

**MEMO**

TO: Mayor and the Township Committee of the Township of Franklin  
FROM: Igor V. Bykov, Esq.  
DATE: July 29, 2022  
RE: Vacant Property Ordinance

---

On January 18 of this year, Governor Murphy signed into law Assembly Bill No. 2877, which standardized the Vacant Property Registration procedures for the municipalities of New Jersey. Specifically, the new law allows townships to impose vacant property registration fees on creditors, so long as a foreclosure proceeding has been initiated on the property in question. The new legislation now allows for commercial properties to be registered, which differs from the previous law that only imposed the registration requirements onto residential properties. In addition to the previously imposed five-hundred-dollar (\$500.00) registration fee, the new law also imposes an additional two-thousand-dollar (\$2,000.00) fee upon a creditor that files a foreclosure proceeding in the Superior Court if the property also meets the *abandoned* criteria enumerated by the law.

As a result of this law, New Jersey municipalities are required to amend their Vacant Property ordinances to reflect the changes precipitated by the new legislation. Moreover, if a township does not amend its existing Vacant Property Registration ordinance by August 1<sup>st</sup>, the Township is unable to enforce its existing ordinance until same is amended to be in compliance with the law.

The new law also repealed N.J.S.A. 40:48-2.12s and replaced it with N.J.S.A. 40:48-2.12s1 through 2.12s3.

In the meantime, if you happen to have any questions, or require any further information, please do not hesitate to contact me.
