The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the Owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each Owner to notify

the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The City shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The City shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds. Registration of assignments, transfers, conversions and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND set forth in this Ordinance. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond.

(b) Transfer, Conversion and Exchange. Except as provided in Section 7(a) of this Ordinance, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign said Bond, and no such Bond shall be deemed to be issued or outstanding unless such Bond is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for conversion and exchange. No additional ordinances, orders, or resolutions need be passed or adopted by the governing body of the City or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Chapter 1201, Government Code, as amended, the duty of conversion and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Bond, the converted and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds that initially were issued and delivered pursuant to this Ordinance, approved by the Attorney General and registered by the Comptroller of Public Accounts.

(c) Payment of Bonds and Interest. The City hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the applicable series of Bonds, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the City and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

The Bond initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Ordinance the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF BOND.

(e) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by this Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the City, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

SECTION 6. CITY TO MAINTAIN A PAYING AGENT/REGISTRAR FOR THE BONDS. The City covenants with the Owners of the Bonds that at all times while the Bonds are outstanding the City will provide a competent and legally qualified bank, trust company, financial institution, or other entity to act as and perform the services of Paying Agent/Registrar for the Bonds under this Ordinance, and that the Paying Agent/Registrar will be one entity. The City reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 50 days written notice to the Paying Agent/Registrar, to be effective not later than 45 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the City covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the City. Upon any change in the Paying Agent/Registrar, the City promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each Owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

## SECTION 7. AUTHENTICATION OF BONDS; INITIAL BOND.

(a) Authentication. Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided in this Ordinance, duly authenticated by manual execution of the Paying Agent/Registrar. It shall not be required that the same authorized representative of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the closing date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided in this Ordinance, manually executed by the Comptroller of Public Accounts of the State or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State and that it is a valid and binding obligation of the City, and has been registered by the Comptroller.

(b) Cancellation of Initial Bond. On the closing date, one initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the purchaser designated in the Pricing Certificate or its designee, executed by manual or facsimile signature of the Mayor and City Secretary of the City, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State, will be delivered to such purchaser or its designee. Upon payment for the initial Bond, the Paying Agent/Registrar shall cancel the initial Bond and deliver to the Depository Trust Company on behalf of such purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all of the Bonds for such maturity. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

## SECTION 8. BOOK-ENTRY ONLY SYSTEM.

(a) Depository Trust Company. The Bonds issued in exchange for the Bond initially issued to the initial purchaser specified herein shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and except as provided in subsection (b) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC

Participant or any other person, other than an Owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than an Owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the Owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Registration Books, shall receive a Bond evidencing the obligation of the City to make payments of principal and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the Owner at the close of business on the Record date, the words "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

The previous execution and delivery of the Blanket Letter of Representations with respect to obligations of the City is hereby ratified and confirmed; and the provisions thereof shall be fully applicable to the Bonds.

(b) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the representations letter of the City to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate certificated Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

(c) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representations letter of the City to DTC.

SECTION 9. FORM OF BONDS. The form of the Bonds, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State to be attached to the Bonds initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as follows, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance, and with the Bonds to be completed with information set forth in the Pricing Certificate. PRINCIPAL AMOUNT: \_\_\_\_\_ DOLLARS

ON THE MATURITY DATE specified above, the City of Garland, in Dallas, Collin and Rockwall Counties, Texas (the "City"), being a political subdivision and municipal corporation of the State of Texas, hereby promises to pay to the Owner specified above, or registered assigns (hereinafter called the "Owner"), on the Maturity Date specified above, the Principal Amount specified above. The City promises to pay interest on the unpaid principal amount hereof (calculated on the basis of a 360-day year of twelve 30-day months) from the Initial Delivery Date of Bonds set forth above at the Interest Rate per annum specified above. Interest is payable on \_\_\_\_\_ and semiannually on each \_\_\_\_\_ and \_\_\_\_\_ thereafter to the Maturity Date specified above, or the date of redemption prior to maturity; except, if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. The principal of this Bond shall be paid to the Owner hereof upon presentation and surrender of this Bond at maturity, or upon the date fixed for its redemption prior to maturity, at the principal corporate trust office of \_\_\_\_\_, in \_\_\_\_\_, \_\_\_\_\_, which is the "Paying Agent/Registrar" for this Bond. The payment of interest on this Bond shall be made by the Paying Agent/Registrar to the Owner hereof on each interest payment date by check or draft, dated as of such interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the City required by the ordinance authorizing the issuance of this Bond (the "Ordinance") to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the Owner hereof, at its address as it appeared on the [fifteenth] day of the month preceding each such date (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. In addition, interest may be paid by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Owner. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each owner of a Bond appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

ANY ACCRUED INTEREST due at maturity or upon the redemption of this Bond prior to maturity as provided herein shall be paid to the Owner upon presentation and surrender of this Bond for payment or redemption at the principal corporate trust office of the Paying Agent/Registrar. The City covenants with the Owner of this Bond that on or before each principal payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the "Bond Fund" created by the Ordinance, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for any payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds dated as of \_\_\_\_\_ (the "Bond Date") of like designation and tenor, except as to number, interest rate, denomination, and maturity issued pursuant to the ordinance adopted by the governing body of the City (herein referred to as the "Ordinance") in the original aggregate principal amount of \$\_\_\_\_\_ for the purpose of

refunding certain outstanding obligations payable from revenues of the City's Electric Utility System and paying costs of issuance, all under and in strict conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapters 1207 and 1371, as amended, and the Ordinance.

THE BONDS OF THIS SERIES maturing on \_\_\_\_\_ in the years \_\_\_\_\_ are subject to mandatory redemption prior to maturity in part at random, by lot or other customary method selected by the Paying Agent/Registrar, at par plus accrued interest to the redemption date, and without premium, with funds on deposit in the Interest and Sinking Fund. Such Bonds shall be redeemed by the Paying Agent/Registrar on \_\_\_\_\_ in each of the years and in the principal amounts, respectively, as are set forth in the following schedule:

| Bonds Maturing |                         | Bonds Maturing |                         | Bonds Maturing |                         |

<sup>(1)</sup> Final maturity of Bond.

The principal amount of the Bonds required to be redeemed pursuant to the operation of such mandatory sinking fund shall be reduced by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been purchased by the City and delivered to the Paying Agent/Registrar for cancellation or (ii) redeemed pursuant to the optional redemption provision described below and not theretofore credited against a mandatory sinking fund requirement.

IN ADDITION TO THE FOREGOING MANDATORY REDEMPTION, the Bonds of this series maturing on and after \_\_\_\_\_ may be redeemed prior to their scheduled maturities on any date on or after \_\_\_\_\_, at the option of the City, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be selected and designated by the City (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

AT LEAST 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, at least 30 days prior to the date fixed for any such redemption, to the Owner of each Bond to be redeemed at its address as it appeared on the 45th day prior to such redemption date; provided, however, that the failure of the Owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond. By the date fixed for any such

redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof that are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Bonds or portions thereof that are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Owner upon the surrender thereof for cancellation, at the expense of the City, all as provided in the Ordinance.

IF AT THE TIME OF MAILING of notice of optional redemption there shall not have either been deposited with the Paying Agent/Registrar or legally authorized escrow agent immediately available funds sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, and is subject to the deposit of the redemption moneys with the Paying Agent/Registrar or legally authorized escrow agent at or prior to the redemption date or any prerequisite set forth in such notice of redemption. If such redemption is not effectuated, the Paying Agent/Registrar shall, within five days thereafter, give notice in the manner in which the notice of redemption was given that such moneys were not so received or such prerequisites were not met and shall rescind the redemption.

ALL BONDS OF THIS SERIES are issuable solely as fully registered bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Ordinance, this Bond may, at the request of the Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate Owner, assignee or assignees, as the case may be, having the same denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Ordinance. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the City. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such

privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion, or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the City, resigns, or otherwise ceases to act as such, the City has covenanted in the Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Owners of the Bonds.

THE BONDS CONSTITUTE SPECIAL OBLIGATIONS of the City and, together any Additional Bonds (as defined in the Ordinance), if issued, are payable solely from and equally secured by a lien on and pledge of the Net Revenues of the System, such lien and pledge, however, being junior and subordinate to the lien on and pledge of such Net Revenues of the System to the payment and security of the Prior Lien Bonds (as defined in the Ordinance). The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the System, except with respect to the Net Revenues.

THE OWNER HEREOF shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

THE CITY EXPRESSLY RESERVES THE RIGHT to issue Additional Bonds in all things on a parity with the Bonds, payable solely from and equally secured by the same lien on and pledge of the Net Revenues of the System as the Bonds; provided, however, that any and all such Additional Bonds may be so issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Ordinance, to which reference is hereby made for more complete and full particulars.

AS PROVIDED IN THE ORDINANCE, no additional obligations will be authorized or issued on a parity with the outstanding Prior Lien Bonds; and the Bonds, together with any Additional Bonds hereafter issued on a parity therewith, will become obligations equally secured by a first lien on and pledge of the Net Revenues of the System at such time as the principal of and interest on the Prior Lien Bonds have been fully paid or provision for the payment of said Prior Lien Bonds has been made in accordance with applicable law.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of the Bonds is duly authorized by law; that all acts, conditions and things required to exist and to be done precedent to and in the issuance of the Bonds to render the same lawful and valid have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Ordinance; that the Bonds do not exceed any constitutional or statutory limitation; and that provision has been made for the payment of the principal of and interest on the Bonds by irrevocably pledging the Net Revenues of the System, as herein above recited.

REFERENCE IS HEREBY MADE TO THE ORDINANCE, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the Owner of this Bond by the acceptance hereof hereby assents, for (1) definitions of terms; (2) the description of and the nature and extent of the security for the payment of the Bonds; (3) the properties constituting the System; (4) the Net Revenues pledged to the payment of the principal of and interest on the Bonds; (5) the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; (6) the terms and conditions for the issuance of additional revenue obligations; (7) the terms and conditions relating to the transfer or exchange of this Bond; (8) the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Owners; (9) the rights, duties, and obligations of the City and the Paying Agent/Registrar; (10) the terms and provisions upon which the liens, pledges, charges, and covenants made therein may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding thereunder; and (11) for the other terms and provisions contained therein. Capitalized terms used herein have the same meanings assigned in the Ordinance.

THIS BOND, subject to certain limitations contained in the Ordinance, may be transferred on the Registration Books only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the Owner hereof, or his duly authorized agent. When a transfer on the Registration Books occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

THE CITY AND THE PAYING AGENT/REGISTRAR, and any agent of either, shall treat the Owner whose name appears on the Registration Books (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

IN CASE ANY PROVISION IN THIS BOND or any application thereof shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. This Bond shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be signed with the manual or facsimile signature of the Mayor of the City (or in the Mayor's absence, the Mayor Pro-Tem of the City) and countersigned with the manual or facsimile signature of the Secretary of said City, and has caused the official seal of the City to be duly impressed, or placed in facsimile, on this Bond.

B. the first paragraph shall be deleted and the following will be inserted:

"THE CITY OF GARLAND, TEXAS, in Dallas, Collin and Rockwall Counties, Texas (the "City"), being a political subdivision and municipal corporation of the State of Texas, hereby promises to pay to the Owner specified above, or registered assigns (hereinafter called the "Owner"), on \_\_\_\_\_ in each of the years, in the principal installments and bearing interest at the per annum rates set forth in the following schedule:

          Maturity Dates                          Principal Installments                          Interest Rates          

(Information for the Current Interest Bonds from Pricing Certificate to be inserted)

The City promises to pay interest on the unpaid principal amount hereof (calculated on the basis of a 360-day year of twelve 30-day months) from the Date of Initial Delivery shown above, at the respective Interest Rate per annum specified above. Interest is payable on \_\_\_\_\_, and on

each \_\_\_\_\_ and \_\_\_\_\_ thereafter to the date of payment of the principal installment specified above, or the date of redemption prior to maturity; except, that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full."

C. The Initial Bond shall be numbered "T-1."

SECTION 10. DEFINITIONS. In addition to such other terms defined elsewhere in this Ordinance, for all purposes of this Ordinance and in particular for clarity with respect to the issuance of the Bonds and the pledge and appropriation of revenues therefor, the following definitions are provided:

(a) The term "Additional Bonds" shall mean the additional parity revenue obligations authorized to be issued in accordance with the terms and conditions prescribed in Section 21 hereof.

(b) The term "Annual Debt Service Requirements" shall mean, for any Fiscal Year, the principal of and interest on all Bonds Similarly Secured coming due at Maturity or Stated Maturity (or that could come due on demand of the owner thereof other than by acceleration or other demand conditioned upon default by the City on such Debt, or be payable in respect of any required purchase of such Debt by the City) in such Fiscal Year, and, for such purposes, any one or more of the following rules shall apply at the election of the City:

(1) Committed Take Out. If the City has entered into a Credit Agreement constituting a binding commitment within normal commercial practice to discharge any of its Debt at its Stated Maturity (or, if due on demand, at any date on which demand may be made) or to purchase any of its Debt at any date on which such Debt is subject to required purchase, all under arrangements whereby the City's obligation to repay the amounts advanced for such discharge or purchase constitutes Debt, then the portion of the Debt committed to be discharged or purchased shall be excluded from such calculation and the principal of and interest on the Debt incurred for such discharging or purchase that would be due in the Fiscal Year for which the calculation is being made, if incurred at the Stated Maturity or purchase date of the Debt to be discharged or purchased, shall be added;

(2) Balloon Debt. If the principal (including the accretion of interest resulting from original issue discount or compounding of interest) of any series or issue of Debt due (or payable in respect of any required purchase of such Debt by the City) in any Fiscal Year either is equal to at least 25% of the total principal (including the accretion of interest resulting from original issue discount or compounding of

interest) of such Debt or exceeds by more than 50% the greatest amount of principal of such series or issue of Debt due in any preceding or succeeding Fiscal Year (such principal due in such Fiscal Year for such series or issue of Debt being referred to herein as "Balloon Debt"), the amount of principal of such Balloon Debt taken into account during any Fiscal Year shall be equal to the debt service calculated using the original principal amount of such Balloon Debt amortized over the Term of Issue on a level debt service basis at an assumed interest rate equal to the rate borne by such Balloon Debt on the date of calculation;

(3) Consent Sinking Fund. In the case of Balloon Debt (as defined in clause above), if the City Manager or the Finance Director or a designee of either shall deliver to the City a certificate providing for the retirement of (and the instrument creating such Balloon Debt shall permit the retirement of), or for the accumulation of a sinking fund for (and the instrument creating such Balloon Debt shall permit the accumulation of a sinking fund for), such Balloon Debt according to a fixed schedule stated in such certificate ending on or before the Fiscal Year in which such principal (and premium, if any) is due, then the principal of (and, in the case of retirement, or to the extent provided for by the sinking fund accumulation, the premium, if any, and interest and other debt service charges on) such Balloon Debt shall be computed as if the same were due in accordance with such schedule, provided that this clause (3) shall apply only to Balloon Debt for which the installments previously scheduled have been paid or deposited to the sinking fund established with respect to such Debt on or before the times required by such schedule; and provided further that this clause (3) shall not apply where the City has elected to apply the rule set forth in clause (2) above;

(4) Prepaid Debt. Principal of and interest on Bonds Similarly Secured, or portions thereof, shall not be included in the computation of the Annual Debt Service Requirements for any Fiscal Year for which such principal or interest are payable from funds on deposit or set aside in trust for the payment thereof at the time of such calculations (including without limitation capitalized interest and accrued interest so deposited or set aside in trust) with a financial institution acting as fiduciary with respect to the payment of such Debt;

(5) Variable Rate.

(i) Except as hereinafter provided in this subparagraph, the rate of interest on Variable Rate Obligations then proposed to be issued shall be deemed to be the average for the then immediately preceding five (5) years of the SIFMA Index, plus twenty (20) basis points; provided, however, that (i) if, after the issuance of the Variable Rate Obligations then proposed to be issued, more than 20% of the aggregate of the Bonds Similarly Secured Outstanding will bear interest at a variable rate and (ii) any Bond Similarly Secured is then insured by a Bond Insurer, the rate of interest on Variable Rate Obligations then proposed to be issued shall be deemed to be the greater of (x) the most recently announced thirty (30) year Revenue Bond

Index published by The Bond Buyer, a financial journal published, as of the date the Ordinance was adopted, in the City of New York, New York or (y) 1.25 times the average variable rate borne by any Variable Rate Obligations then Outstanding during the then immediately preceding twelve-month period, and

(ii) Except as hereinafter provided in this subparagraph, the rate of interest on Variable Rate Obligations outstanding at the time of such calculation shall be deemed to be the lesser of (i) the then current per annum rate of interest borne by such Variable Rate Obligations or (ii) the average per annum rate of interest borne by such Variable Rate Obligations during the then immediately preceding twelve-month period; provided, however, that for any period during which (a) more than 20% of the aggregate of the Bonds Similarly Secured then Outstanding bear interest at a variable rate and (b) any Bond Similarly Secured is then insured by a Bond Insurer, the rate of interest on such Variable Rate Obligations shall be the greater of (x) the most recently announced 30-year Revenue Bond Index published by The Bond Buyer, a financial journal published, as of the date the Ordinance was adopted, in the City of New York, New York, (y) the rate of interest then in effect with respect to such Variable Rate Obligations in accordance with their terms, or (z) 1.25 times the average variable rate borne by such Variable Rate Obligations during the then immediately preceding twelve-month period;

(6) Guarantee. In the case of any guarantee, as described in clause (2) of the definition of Debt, no obligation will be counted if the City does not anticipate in its annual budget that it will make any payments on the guarantee. If however, the City is making payments on a guarantee or anticipates doing so in its annual budget, such obligation shall be treated as Previously Issued Bonds and calculations of Annual Debt Service Requirements with respect to such guarantee shall be made assuming that the City will make all additional payments due under the guaranteed obligation. If the entity whose obligation is guaranteed cures all defaults and the City no longer anticipates making payments under the guarantee, the guaranteed obligations shall not be included in the calculation of Annual Debt Service Requirements;

(7) Commercial Paper. With respect to any Bonds Similarly Secured issued in the form of commercial paper with maturities not exceeding 270 days, the interest on such Bonds Similarly Secured shall be calculated in the manner provided in clause (5) of this definition and the maturity schedule shall be calculated in the manner provided in clause (2) of this definition; and

(8) Credit Agreement Payments. If the City has entered into a Credit Agreement in connection with an issue of Debt, payments due under the Credit Agreement (other than payments made by the City in connection with the termination or unwinding of a Credit Agreement), from either the City or the Credit Provider, shall

be included in such calculation except to the extent that the payments are already taken into account under (1) through (7) above and any payments otherwise included above under (1) through (7) which are to be replaced by payments under a Credit Agreement, from either the City or the Credit Provider, shall be excluded from such calculation.

(c) The term "Bond Date" shall mean the dated date for a series of Bonds as set forth in a Pricing Certificate.

(d) The term "Bond Insurer" shall mean a company licensed to issue policies of municipal bond insurance in the State.

(e) The term "Bonds" shall mean, collectively, the bonds of all series of Bonds authorized, issued and delivered pursuant to this Ordinance.

(f) The term "Bonds Similarly Secured" shall mean, collectively, the Bonds, the Previously Issued Bonds and any Additional Bonds.

(g) The term "City" shall mean the City of Garland, Texas

(h) The term "Consultant" shall mean an independent firm, person or corporation recognized as having expertise and with a favorable reputation for special skill and knowledge in the operations and financing of municipal electric light and power facilities and systems similar in size to the System.

(i) The term "Credit Agreement" shall mean, collectively, a loan agreement, revolving credit agreement, agreement establishing a line of credit, letter of credit, reimbursement agreement, insurance contract, commitments to purchase Bonds Similarly Secured, purchase or sale agreements, interest rate swap agreements, currency exchange agreements, interest rate floor or cap agreements, or commitments or other contracts or agreements authorized, recognized and approved by the City as a Credit Agreement in connection with the authorization, issuance, security, or payment of Bonds Similarly Secured and on a parity therewith.

(j) The term "Credit Provider" shall mean any bank, financial institution, insurance company, surety bond provider, or other entity which provides, executes, issues, or otherwise is a party to or provider of a Credit Agreement.

(k) The term "Debt" shall mean, with respect to the System, all:

(1) indebtedness incurred or assumed by the City for borrowed money (including indebtedness arising under Credit Agreements) and all other financing obligations of the City that, in accordance with generally accepted accounting principles, are shown on the liability side of a balance sheet;

(2) all other indebtedness (other than indebtedness otherwise treated as Debt hereunder) for borrowed money or for the acquisition, construction, or

improvement of property or capitalized lease obligations that is guaranteed, directly or indirectly, in any manner by the City, or that is in effect guaranteed, directly or indirectly, by the City through an agreement, contingent or otherwise, to purchase any such indebtedness or to advance or supply funds for the payment or purchase of any such indebtedness or to purchase property or services primarily for the purpose of enabling the debtor or seller to make payment of such indebtedness, or to assure the owner of the indebtedness against loss, or to supply funds to or in any other manner invest in the debtor (including any agreement to pay for property or services irrespective of whether or not such property is delivered or such services are rendered), or otherwise; and

(3) all indebtedness secured by any mortgage, lien, charge, encumbrance, pledge or other security interest upon property owned by the City whether or not the City has assumed or become liable for the payment thereof.

For the purpose of determining the "Debt" of the City, there shall be excluded any particular Debt if, upon or prior to the Maturity thereof, there shall have been deposited with the proper depository (a) in trust the necessary funds (or investments that will provide sufficient funds, if permitted by the instrument creating such Debt) for the payment, redemption, or satisfaction of such Debt or (b) evidence of such Debt deposited for cancellation; and thereafter it shall not be considered Debt. No item shall be considered Debt unless such item constitutes indebtedness under generally accepted accounting principles applied on a basis consistent with the financial statements prepared by or for the benefit of the City in prior Fiscal Years.

(l) The term "Fiscal Year" shall mean the 12 month period ending September 30th of each year; provided, however, the City may change the Fiscal Year to another period of not less than 12 calendar months, but in no event may the Fiscal Year be changed more than one time in any three calendar year period.

Operation and Maintenance Expenses shall include the purchase of power. Depreciation shall not be considered as an expense of operation and maintenance.

(s) The term "Outstanding" when used in this Ordinance with respect to the Bonds means, as of the date of determination, all Bonds and Bonds Similarly Secured theretofore issued and delivered, except:

The City reserves the right to establish accounts within the Bond Fund for the payment of obligations, including specifically obligations incurred under a Credit Agreement or a Variable Rate Obligation; that is declared to be a Bond Similarly Secured in the ordinance authorizing the execution of such Credit Agreement or such Variable Rate Obligation.

SECTION 11. PLEDGE OF REVENUES. The City hereby covenants and agrees that, subject only to the prior lien on and pledge of the Net Revenues of the System to the payment and security of the Prior Lien Bonds (including the establishment and maintenance of the special funds created for the payment and security thereof) under the terms and conditions of the ordinances and proceedings pertaining to their authorization, the Net Revenues of the System, with the exception of those in excess of the amounts required for the payment and security of the Outstanding Bonds Similarly Secured, are hereby irrevocably pledged to the payment and security of the Outstanding Bonds Similarly Secured, including the maintenance of the special funds herein created in connection with the issuance of the Bonds, all as hereinafter provided, and it is hereby ordained that the Bonds Similarly Secured, and the interest thereon, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the System and be valid and binding without any filing or recording except for the filing of this Ordinance in the records of the City.

Texas Government Code, Chapter 1208, as amended, applies to the issuance of the Bonds and the pledge of the revenues granted by the City under this Section of this Ordinance, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are Outstanding and unpaid such that the pledge of the revenues granted by the City under this Section of this Ordinance is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the Owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

SECTION 12. RATES AND CHARGES. The City hereby covenants and agrees with the Owners of the Bonds that rates and charges for electric utility services afforded by the System will be established and maintained to provide Gross Revenues, including the money transferred to the System Fund for the sole purpose of compliance with this Section 12, sufficient at all times to:

- (a) Pay for all operation, maintenance, depreciation, replacement, and betterment charges of said System;
- (b) Maintain the Bond Fund;

- (c) Maintain the Reserve Fund at the Required Reserve Amount; and
- (d) Pay all other outstanding indebtedness against said System as and when the same becomes due.

SECTION 13. FUND DESIGNATIONS. The City hereby covenants and agrees that all revenues derived from the operation of the System shall be kept separate and apart from all other funds of the City, and the following Funds or Accounts shall be created and established in connection with the issuance of the Bonds (to the extent such funds are required to be established and to the extent such funds have not previously been created and established) and shall continue to be kept and maintained during the period of time any Bonds Similarly Secured are Outstanding, to wit:

(a) City of Garland, Texas Electric Utility System Fund, hereinafter called the "System Fund," which Fund is kept and maintained at a depository bank of the City.

(b) City of Garland, Texas New Series Electric Utility System Interest and Sinking Fund, hereinafter called the "Bond Fund," which Bond Fund is hereby declared to be the combined interest and sinking fund created for the payment of principal of and interest on any Outstanding Bonds Similarly Secured, and the same shall continue to be a single fund for the payment of principal of and interest on such Outstanding Bonds Similarly Secured. The Bond Fund shall be kept and maintained at a City depository, as custodian of the pledged revenues, and moneys deposited therein shall be used solely for the purpose of paying the principal of and interest on the Outstanding Bonds Similarly Secured when and as the same become due and payable.

(c) City of Garland, Texas New Series Electric Utility System Revenue Reserve Fund, hereinafter called the "Reserve Fund," which Reserve Fund, if required to be established and maintained as set forth herein or as set forth in an ordinance of the City relating to the issuance of Additional Bonds, shall be kept and maintained at a City depository, and moneys or instruments or any combination of both deposited in the Reserve Fund shall be used to pay principal of and interest on any Outstanding Bonds Similarly Secured falling due at any time when there is insufficient money available in the Bond Fund for such purpose.

It is specifically provided, however, that the City may change the custodian of the Bond Fund and the Reserve Fund without impairing the obligation of contract with the Owners of the Bonds, if the new custodian for such Fund or Funds is a financial institution with trust powers. In no event shall a change of the custodian of either of the Bond Fund or the Reserve Fund be considered as a change in the purpose for which such Funds were created and established as provided in this Ordinance, and the City covenants that it will cause such Funds to be timely utilized for the respective purposes for which they were created.

The City reserves the right to establish and maintain additional funds and accounts in connection with payment or support of the Outstanding Bonds Similarly Secured and the money on deposit in any such fund or account on the last day of the Fiscal Year may be used for any lawful purpose related to the Outstanding Bonds Similarly Secured and any proposed obligations

which would be Bonds Similarly Secured when issued, including being applied to any Net Revenue calculations associated with Additional Bonds.

SECTION 14. SYSTEM FUND. The City hereby covenants and agrees that all revenues and income of every nature derived and to be derived from the operation of the System shall be deposited from day to day as collected into the System Fund, and the reasonable and proper maintenance and operation expenses of the System shall be paid therefrom. All moneys deposited therein which are not required for the payment of maintenance and operating expenses of the System shall be appropriated and used, first to the payment of any principal, interest or reserve requirements of any Outstanding Prior Lien Bonds, second, to the payment of any principal, interest or reserve requirements of any Outstanding Bonds Similarly Secured, third to the payment of any principal, interest or reserve requirements of any outstanding obligations payable from and secured by a lien on and pledge of the Net Revenues of the System subordinate to the lien on and pledge of the Net Revenues to any Outstanding Bonds Similarly Secured and fourth, for any purpose authorized by applicable law.

SECTION 15. BOND FUND. The following provisions shall govern the maintenance and use of the Bond Fund: the City covenants that from the funds in the System Fund, after paying or making provision for the payment of the necessary and reasonable expenses of operation and maintenance of the System, the City shall pay into the Bond Fund during each year in which any of the Bonds Similarly Secured are Outstanding, an amount equal to one hundred percent (100%) of the amount required to meet the principal and interest payments falling due on or before the next maturity date of the Outstanding Bonds Similarly Secured. An amount of moneys in the Bond Fund sufficient to pay principal and interest next coming due shall be transferred to the Paying Agent/Registrar on or before the principal or interest payment date.

SECTION 16. RESERVE FUND. (a) Establishment. A Reserve Fund shall not be required to be established or maintained by the City for the payment of the Bonds or any other Bonds Similarly Secured so long as the Net Revenues of the System for a Fiscal Year equal or exceed one hundred fifty per cent (150%) of the Annual Debt Service Requirements of Bonds Similarly Secured due and payable in such Fiscal Year. If for any Fiscal Year such Net Revenues do not exceed 150% of the Annual Debt Service Requirements of the Bonds Similarly Secured, the City shall be obligated to establish and maintain on the books of the City a separate fund or account designated as the Reserve Fund. Upon being established and except as provided below, the amount on deposit to the credit of the Reserve Fund shall be maintained for the benefit of the owners of the Bonds Similarly Secured. The amounts deposited to the credit of the Reserve Fund shall be in a special fund maintained at a depository of the City. Monies or investments held in the Reserve Fund shall be used for the purpose of retiring the last of the Bonds Similarly Secured as they become due or paying principal of and interest on the Bonds Similarly Secured when and to the extent the amounts in the Bond Fund are insufficient for such purpose.

When a Reserve Fund is required to be established as noted above and while the same is required to be maintained, the amount to be accumulated and maintained in such Fund (the "Required Reserve Amount") shall be determined and re-determined as follows:

(1) ten per cent (10%) of the average annual debt service requirement for all Bonds Similarly Secured if the Net Revenues for the previous Fiscal Year were less than 150% of the annual debt service requirement for such Fiscal Year;

(2) twenty per cent (20%) of the average annual debt service requirement for all Bonds Similarly Secured if the Net Revenues for the previous Fiscal Year were less than 140% of the annual debt service requirement for such Fiscal Year, but greater than or equal to 130% of the annual debt service requirement for such Fiscal Year;

(3) thirty per cent (30%) of the average annual debt service requirement for all Bonds Similarly Secured then Outstanding if the Net Revenues for the previous Fiscal Year were less than 130% of the annual debt service requirement for such Fiscal Year, but greater than or equal to 120% of the annual debt service requirement for such Fiscal Year;

(4) forty per cent (40%) of the average annual debt service requirement for all Bonds Similarly Secured if the Net Revenues for the previous Fiscal Year were less than 120% of the annual debt service requirement for such Fiscal Year, but greater than or equal to 110% of the annual debt service requirement for such Fiscal Year; and

(5) fifty per cent (50%) of the average annual debt service requirement for all Bonds Similarly Secured if the Net Revenues for the previous Fiscal Year were less than 110% of the annual debt service requirement for such Fiscal Year.

The City shall review the amount, if any, on deposit in the Reserve Fund within thirty (30) days of the receipt of the audited financial statements applicable to the System for the preceding Fiscal Year to determine compliance with the provisions of subparagraphs (1) through (5) of subsection (a) of this Section 16. If at any time the City is required to fund the Required Reserve Amount, or to increase the Required Reserve Amount, the Required Reserve Amount or increase in the Required Reserve Amount, as applicable, shall be funded as provided in subsection (b) of this Section 16 in not more than sixty (60) substantially equal consecutive monthly deposits commencing not later than the month following the receipt of audited financial statements for the System for the preceding Fiscal Year.

(b) Funding. The Required Reserve Amount shall be established and maintained with Net Revenues of the System, transfer(s) of funds from refunded obligations, proceeds of sale of Bonds Similarly Secured, or by depositing to the credit of the Reserve Fund, to the extent permitted by law, one or more surety bonds or insurance policies issued by a company or institution which at the time of such deposit has a rating in one of the two highest rating categories by two nationally recognized rating agencies or services, or any combination thereof. The City hereby covenants and agrees to accumulate in the Reserve Fund the Required Reserve Amount either by depositing, from Net Revenues, in not more than sixty (60) substantially equal monthly payments, which initial fractional payment thereof shall be made on or before the fifteenth (15th) day of the month next following the determination that additional amounts need to be accumulated in the Reserve Fund to satisfy the Required Reserve Amount or by funding the Reserve Fund in the Required Reserve Amount from funds received from the transfer of funds from refunded obligations, from proceeds of sale of Bonds Similarly Secured, or by depositing one or more surety bonds or insurance policies

issued by a company or companies meeting the aforesaid criteria, or any combination of the foregoing.

Concurrently with the delivery of a series of Additional Bonds, the appropriate City officials shall determine the Required Reserve Amount as well as the amount then held in the Reserve Fund, and the amount of such difference shall be deposited in the said Reserve Fund (i) by depositing to the credit of the Reserve Fund (concurrently with the delivery of the then proposed Additional Bonds) cash or an additional surety bond or insurance policy or revised surety bond or revised insurance policy with coverage in an amount sufficient to provide for the new Required Reserve to be fully or partially funded, or (ii) at the option of the City, in not more than sixty (60) substantially equal consecutive monthly payments, cash, the initial payment to be made on or before the fifteenth (15th) day of the month next following the month in which such Additional Bonds are delivered (or 1/60th of the balance of the additional amount not deposited immediately in cash or provided by a surety bond or insurance policy).

When and so long as the cash and investments in the Reserve Fund and/or coverage afforded by a surety bond or insurance policy held for the account of the Reserve Fund total not less than the Required Reserve Amount, no deposits need be made to the credit of the Reserve Fund; but, if and when the Reserve Fund at any time contains less than the Required Reserve Amount (or so much thereof as shall then be required to be contained therein if Additional Bonds have been issued and the City has elected to accumulate all or a portion of the Required Reserve Amount with Net Revenues), the City covenants and agrees to cause monthly deposits to be made to the Reserve Fund on or before the fifteenth (15th) day of each month (beginning the month next following the month the deficiency in the Required Reserve Amount occurred by reason of a draw on the Reserve Fund or as a result of a reduction in the market value of investments held for the account of the Reserve Fund) from Net Revenues of the System in an amount equal to either (i) one-sixtieth (1/60th) of the Required Reserve Amount until the total Required Reserve Amount then required to be maintained in said Fund has been fully restored or (ii) the amounts to pay principal of and interest on Bonds Similarly Secured held by an insurer, or evidenced by an instrument of assignment entitling an insurer to payment of principal of and interest on Bonds Similarly Secured, as a result of payments or draws made on a surety bond or insurance policy held for the account of the Reserve Fund, and such payments will result in (x) the principal of and/or interest on such Bonds Similarly Secured to be paid and (y) the restoration and replenishment of the surety bond or insurance policy coverage representing all or a portion of the Required Reserve Amount.

During such time as the Reserve Fund contains the total Required Reserve Amount, the City may, at its option, withdraw all surplus in the Reserve Fund over the Required Reserve Amount and deposit such surplus in the System Fund. Any such amount to be withdrawn that is allocated to proceeds of Bonds Similarly Secured shall be deposited to the Bond Fund or otherwise used for only such purposes as other bond proceeds may be used.

If the Reserve Fund is required to be established as provided in (a) above, and for two consecutive Fiscal Years, the Net Revenues of the System for a Fiscal Year equal or exceed one hundred fifty per cent (150%) of the Annual Debt Service Requirements of Bonds Similarly Secured due and payable in such Fiscal Year, then the Reserve Fund does not need to be maintained

and the amounts in the Reserve Fund may be deposited to the Bond Fund or otherwise used for only such purposes as other bond proceeds may be used.

SECTION 17. DEFICIENCIES IN FUNDS. If in any month the City shall, for any reason, fail to pay into the Bond Fund or Reserve Fund the full amounts above stipulated, amounts equivalent to such deficiencies shall be set apart and paid into said Funds from the first available and unallocated Net Revenues of the System for the following month or months, and such payments shall be in addition to the amounts otherwise required to be paid into said Funds during such month or months.

SECTION 18. EXCESS REVENUES. Any Net Revenues in excess of those required to establish and maintain the special Funds as herein required may be used for any other lawful purpose.

SECTION 19. SECURITY OF FUNDS. All moneys deposited in the Funds referred to in this Ordinance shall be secured in the manner and to the fullest extent required by the laws of the State for the security of public funds, and shall be used only for the purposes permitted by this Ordinance and the ordinances authorizing the issuance of other Bonds Similarly Secured.

SECTION 20. NO ADDITIONAL OBLIGATIONS TO BE ISSUED ON A PARITY WITH THE PRIOR LIEN BONDS - OBLIGATIONS OF INFERIOR LIEN AND PLEDGE. The City will not hereafter issue any additional obligations with a lien on and pledge of the Net Revenues on a parity with the lien on and pledge of the Net Revenues associated with the Prior Lien Bonds or create or issue evidences of indebtedness for any purpose possessing a lien on the Net Revenues of the System superior to that to be possessed by the Bonds Similarly Secured. The City, however, retains the right to create and issue evidences of indebtedness whose lien on and pledge of the Net Revenues of the System shall be subordinate to that possessed by the Bonds Similarly Secured.

SECTION 21. ISSUANCE OF ADDITIONAL BONDS. In addition to the right to issue obligations of inferior lien as authorized by the laws of the State, the City hereby reserves the right to issue additional parity obligations. The Additional Bonds, when issued, shall be payable from and secured by a lien on and pledge of the Net Revenues of the System in the same manner and to the same extent as the Outstanding Bonds Similarly Secured, and the Outstanding Bonds Similarly Secured and any Additional Bonds shall in all respects be of equal dignity. The Additional Bonds may be issued in one or more installments, provided, however, that none shall be issued unless and until the following conditions have been met:

(a) A certificate is executed by the Mayor and Finance Director (or other officer of the City having primary responsibility for the financial affairs of the City) to the effect that no default exists in connection with any of the covenants or requirements of the ordinances authorizing the issuance of all then Outstanding Bonds Similarly Secured;

(b) A certificate is executed by the Mayor and Finance Director (or other officer of the City having primary responsibility for the financial affairs of the City) to the effect that the Bond Fund and the Reserve Fund each contains the amount then required to be on deposit therein;

(c) A certificate is executed by a certified public accountant to the effect that, in his or her opinion, the Net Revenues of the System either for the last complete Fiscal Year of the City, or for any 12 consecutive calendar month period ending not more than 90 days prior to the passage of the ordinance authorizing the issuance of such Additional Bonds were at least 1.25 times the average annual principal and interest requirements for the calculation period of all then Outstanding Prior Lien Bonds and Outstanding Bonds Similarly Secured and for the installment or series of Additional Bonds then proposed to be issued and 1.00 times the maximum annual principal and interest requirements for all then Outstanding Prior Lien Bonds and Outstanding Bonds Similarly Secured after giving effect to the issuance of the Additional Bonds then being issued. However, (i) should the certificate of the accountant certify that the Net Revenues of the System for the period covered thereby were less than required above, and (ii) a change in the rates and charges for electric utility services afforded by the System became effective at least 60 days prior to the last day of the period covered by the accountant's certificate, and (iii) a Consultant having a favorable reputation with respect to such matters will certify that, had such change in rates and charges been effective for the entire period covered by the accountant's certificate, the Net Revenues of the System covered by the accountant's certificate would have been, in his or her opinion, equal to at least 1.25 times the average annual and 1.00 times the maximum annual principal and interest requirements (calculated on a Fiscal Year basis) of the Outstanding Prior Lien Bonds and Outstanding Bonds Similarly Secured after giving effect to the issuance of the proposed Additional Bonds, then, in such event, the coverage specified in the first sentence of this subparagraph (c) shall not be required for the period specified, and such accountant's certificate will be sufficient if accompanied by a Consultant's certificate to the above effect. The term Net Revenues, as used in this subparagraph (c), shall mean the Net Revenues of the System, but excluding and not deducting any charges or disbursements which under standard accounting practice should be charged to capital expenditures;

(d) The Additional Bonds are scheduled to mature on March 1 or September 1, or both, and the interest thereon is scheduled to be paid on March 1 and September 1, provided, however, if the City issues Variable Rate Obligations, such Variable Rate Obligations may mature and pay interest on such date or dates provided in the ordinance authorizing the issuance of such Variable Rate Obligations;

(e) The ordinance authorizing the issuance of such Additional Bonds provides that the aggregate amount to be accumulated and maintained in the Reserve Fund shall be increased by an additional amount not less than the applicable percentage of the average Annual Debt Service Requirements for the Bonds Similarly Secured, taking into account the proposed Additional Bonds and that such additional amount shall (i) be so accumulated within sixty (60) months from the date of the Additional Bonds by the deposit in the Reserve Fund of the necessary sums in substantially equal consecutive monthly installments; or (ii) be deposited therein transfers of lawfully available funds, proceeds of sale of Bonds Similarly Secured or depositing to the credit of the Reserve Fund one or more surety bonds or insurance policies as provided in this Ordinance; provided, however, that the aggregate amount to be accumulated in the Reserve Fund shall never be required to exceed the applicable percentage of the average Annual Debt Service Requirements for all Bonds Similarly Secured taking into account the series of Additional Bonds then proposed to be issued; and

(f) All calculations of maximum and average Annual Debt Service Requirements made pursuant to this Section shall be made based upon the actual rate of interest to be borne by the Additional Bonds then proposed to be issued.

Bonds Similarly Secured may be refunded (pursuant to any law then available) upon such terms and conditions as the City may deem to be in the best interest of the City and its inhabitants, and if fewer than all such Outstanding Bonds Similarly Secured are refunded, the proposed refunding bonds shall be considered as "Additional Bonds" under the provisions of this Section, and the certificate(s) required in subdivision (c) shall give effect to the issuance of the proposed refunding bonds (and shall not give effect to the Bonds Similarly Secured being refunded following their cancellation or provision being made for their payment).

SECTION 22. MAINTENANCE AND OPERATION - INSURANCE. The City covenants and agrees that the System shall be maintained in good condition and operated in an efficient manner and at reasonable cost. So long as any of the Bonds are Outstanding, the City agrees to maintain insurance on the System of a kind, including self-insurance by the City, and in an amount not less than, customarily carried by municipal corporations in the State engaged in a similar type of business. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than the operation of the System, but nothing herein shall be construed as preventing the City from doing so.

#### SECTION 23. RECORDS - ACCOUNTS - ACCOUNTING REPORTS.

(a) The City hereby covenants and agrees that so long as any of the Bonds remain Outstanding, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of the System separate and apart from all other records and accounts of the City in accordance with accepted accounting principles prescribed for municipal corporations. The Owner of any Bond or any duly authorized agent or agents of such Owner shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, and to inspect the System and all properties comprising same. The City further agrees that as soon as possible following the close of each Fiscal Year it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants or licensed public accountants.

(b) Expenses incurred in making the audits above referred to are to be regarded as maintenance and operating expenses of the System and paid as such. Copies of the aforesaid annual audit shall be immediately furnished to the Executive Director of the Municipal Advisory Council of Texas at his or her office in Austin, Texas, and, upon written request to the Purchasers and any subsequent Owners of the Bonds.

SECTION 24. REMEDIES IN EVENT OF DEFAULT. In addition to all the rights and remedies provided by the laws of the State, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Bond Fund and Reserve Fund as required by this Ordinance or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance, the Owner or Owners of any Bond shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring

the governing body of the City and other officers of the City to observe and perform any covenant, condition or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive. Notwithstanding anything in this Ordinance to the contrary, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

SECTION 25. SPECIAL COVENANTS. The City hereby further covenants as follows:

(a) That it has the lawful power to pledge the revenues supporting this issue of Bonds and has lawfully exercised said power under the Constitution and laws of the State, including said power existing under Texas Government Code, Chapter 1502, as amended, that the Bonds when issued, shall be ratably secured under said pledge of income in such manner that one Bond Similarly Secured shall have no preference over any other Bond Similarly Secured.

(b) That, other than for the payment of the Prior Lien Bonds, the Previously Issued Bonds and the Bonds, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System that is on a parity with the pledge of the Net Revenues to Bonds Similarly Secured. The Net Revenues have been pledged to the Refunded Obligations (which are being discharged with proceeds of the Bonds), subject to the lien on and pledge of the Net Revenues to the Outstanding Prior Lien Bonds and the Outstanding Bonds Similarly Secured.

(c) That, as long as any of the Prior Lien Bonds and the Bonds Similarly Secured issued prior to the issuance of the New Series 2018 Bonds or any interest thereon remain Outstanding, the City will not sell or encumber the System or any substantial part thereof; provided that this shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the System; also, with the exception of the Additional Bonds expressly permitted by this Ordinance to be issued, it will not encumber the Net Revenues thereof unless such encumbrance is made subordinate to the lien on and pledge of said Net Revenues to any Prior Lien Bonds or Bonds Similarly Secured.

(d) That no free service of the System shall be allowed, and should the City or any of its agents or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the City out of funds from sources other than the revenues and income of the System.

(e) At such time as there are no Outstanding Prior Lien Bonds or Bonds Similarly Secured issued prior to the issuance of the New Series 2018 Bonds, the City may sell or exchange at any time and from time to time any properties and facilities constituting the System if the City shall have received a certificate executed by the Finance Director stating that the sale or exchange of such property or facilities will not materially adversely affect the financial condition of the City

or its ability to satisfy the System's rate covenants. The proceeds of any such sale or exchange shall be used by the City, at the option of the City, (i) to acquire additional System facilities; (ii) to purchase, defease, or redeem System Debt; or (iii) for any other lawful purpose. Additionally, the portion of property comprising personal property or machinery, properties, and equipment which has become obsolete or otherwise unneeded in the operation of the System may be sold or otherwise disposed in any manner deemed appropriate by the City acting through the City Manager, the Finance Director or a designee of either of such City representatives.

To the extent that it legally may, the City further covenants and agrees that, so long as any of the Bonds Similarly Secured, or any interest thereon, are Outstanding, no franchise shall be granted for the installation or operation of any competing electric utility system other than that owned by the City.

SECTION 26. BONDS ARE SPECIAL OBLIGATIONS. The Bonds are special obligations of the City payable from the pledged Net Revenues of the System, and the Owners thereof shall never have the right to demand payment thereof out of funds raised or to be raised by taxation.

SECTION 27. BONDS ARE NEGOTIABLE INSTRUMENTS. That each of the Bonds shall be deemed and construed to be a "security," and as such a negotiable instrument, within the meaning of Texas Business and Commerce Code, Chapter 8, as amended.

SECTION 28. INVESTMENTS. Moneys in the Bond Fund and the Reserve Fund may at the option of the City be invested or reinvested from time to time in direct obligations of the United States of America, or other obligations permitted by the Texas Public Funds Investment Act, as amended.

SECTION 29. PAYMENT OF BONDS. While any of the Bonds are Outstanding, the Mayor, the Finance Director and the City Secretary, individually or jointly, are hereby authorized to transfer or cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Bond Fund and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly each installment of interest on and principal of the Bonds as the same accrue or mature or come due; such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds on or before the date of payment for the Bonds.

SECTION 30. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Government Obligations that mature as to principal and interest in such amounts and at such times as will insure

the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the City with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the revenues herein pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Government Obligations, and thereafter the City will have no further responsibility with respect to amounts available to the Paying Agent/Registrar (or other financial institution permitted by applicable law) for the payment of such Defeased Bonds, including any insufficiency therein caused by the failure of the Paying Agent/Registrar (or other financial institution permitted by applicable law) to receive payment when due on the Government Obligations. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection 30(a)(i) or (ii) shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the City expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the City also be invested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Government Obligations received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the City, or deposited as directed in writing by the City. Any Future Escrow Agreement pursuant to which the money and/or Government Obligations are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Government Obligations or the substitution of other Government Obligations upon the satisfaction of the requirements specified in subsection 30(a)(i) or (ii). All income from such Government Obligations received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the City or deposited as directed in writing by the City.

(c) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the City shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(d) In the event that the City elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

SECTION 31. ORDINANCE A CONTRACT; AMENDMENTS. This Ordinance shall constitute a contract with the Owner of any Bond from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains Outstanding except as

permitted in this Section and in Section 37 hereof. The City, may, without the consent of or notice to any Owners of Bonds, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Owners of any Bond, including the curing of any ambiguity, inconsistency or formal defect or omission herein. In addition, the City may, with the written consent of the Owners of Bonds owning a majority in aggregate principal amount of the Bonds then Outstanding affected thereby, amend, add to or rescind any of the provisions of this Ordinance; provided that, without the consent of all Owners of Outstanding Bonds affected thereby, no such amendment, addition or rescission shall (a) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (b) give any preference to any Bond over any other Bond or (c) reduce the aggregate principal amount of Bonds required for consent to any such amendment, addition or rescission.

SECTION 32. **DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.** (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the Owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the Owner applying for a replacement bond shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the Owner shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the Owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the Owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued under this Ordinance.

(e) Authority for Issuing Replacement Bonds. In accordance with Chapter 1201, Texas Government Code, this Section of this Ordinance shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 5(b) of this Ordinance for Bonds issued in conversion and exchange for other Bonds.

SECTION 33. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION AND ENGAGEMENT; ATTORNEY GENERAL FILING FEE; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. (a) The Mayor of the City is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State, and their registration by the Comptroller of Public Accounts of the State. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Bond. The approving legal opinion of the City's Bond Counsel and the assigned CUSIP numbers may, at the option of the City, be printed on the Bonds issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the Owners of the Bonds. In addition, if bond insurance is obtained, the Bonds may bear an appropriate legend as provided by the insurer.

(b) The obligation of the initial purchaser to accept delivery of the Bonds is subject to the initial purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the City, which opinion shall be dated as of and delivered on the date of initial delivery of the Bonds to the initial purchaser. The engagement of such firm as bond counsel to the City in connection with issuance, sale and delivery of the Bonds is hereby approved and confirmed, and the execution and delivery of an engagement letter between the City and such firm, with respect to such services as bond counsel, is hereby authorized in such form as may be approved by the Mayor (or in the absence of the Mayor, the Mayor Pro-tem) of the City and an Authorized Officer (as hereinafter defined) is hereby authorized to execute such engagement letter.

(c) In accordance with the provisions of Section 1202.004, Tex. Gov't Code Ann., in connection with the submission of the Bonds by the Attorney General of Texas for review and approval, a statutory fee (an amount equal to 0.1% principal amount of each series of Bonds, subject to a minimum of \$750 and a maximum of \$9,500) is required to be paid to the Attorney General upon the submission of the transcript of proceedings for the Bonds. The City hereby authorizes and directs that a check in the amount of the Attorney General filing fee for each series of Bonds, made payable to the "Texas Attorney General," be promptly furnished to the City's Bond Counsel, for payment to the Attorney General in connection with his review of the Bonds.

SECTION 34. COVENANTS REGARDING TAX EXEMPTION. With respect to Bonds that are issued as tax-exempt obligations (as specified in the Pricing Certificate pertaining thereto), the City covenants to refrain from taking any action which would adversely affect, and to take any required action to ensure, the treatment of such as obligations described in Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Tax-Exempt Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in Section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance, or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Tax-Exempt Bonds, in contravention of Section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Tax-Exempt Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of Section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Tax-Exempt Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of Section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Tax-Exempt Bonds being treated as "private activity bonds" within the meaning of Section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Tax-Exempt Bonds being "federally guaranteed" within the meaning of Section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Tax-Exempt Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in Section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Tax-Exempt Bonds, other than investment property acquired with

--

(1) proceeds of the Tax-Exempt Bonds invested for a reasonable temporary period until such proceeds are needed for the purpose for which the Tax-Exempt Bonds are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of Section 1.148-1(b) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Tax-Exempt Bonds;

(g) to otherwise restrict the use of the proceeds of the Tax-Exempt Bonds or amounts treated as proceeds of the Tax-Exempt Bonds, as may be necessary, so that the Tax-Exempt Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(h) to refrain from using the proceeds of the Tax-Exempt Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Tax-Exempt Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(i) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Tax-Exempt Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Tax-Exempt Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

For the purposes of the foregoing (a) and (b), the City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Tax-Exempt Bonds. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Tax-Exempt Bonds, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Tax-Exempt Bonds under Section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Tax-Exempt Bonds, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Tax-Exempt Bonds under Section 103 of the Code. In furtherance of such intention, the City hereby authorizes and directs the Mayor (or in the absence of the Mayor, the Mayor Pro-tem), the City Manager or the Finance Director of the City to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the City, which may be permitted by the Code as are consistent with the purpose for the issuance of the Tax-Exempt Bonds.

In order to facilitate compliance with the above covenant (i), a "Rebate Fund" is hereby established by the City for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with Section 148 of the Code.

#### SECTION 35. COVENANTS REGARDING TAXABLE BONDS.

(a) To the extent required by the Code, and the rules and regulations of the United States Department of the Treasury, it shall be the duty of the Paying Agent/Registrar to report to the owners of the Taxable Bonds and the Internal Revenue Service (i) the amount of “reportable payments,” if any, subject to back up withholding during each year and the amount of tax withheld, if any, with respect to the payments on the Taxable Bonds and (ii) the amount of interest or amount treated as interest, such as original issue discount, on the Taxable Bonds required to be included in the gross income of the owners thereof for federal income tax purposes.

(b) It is the intention of the City that the Taxable Bonds not be obligations described in section 103 of the Code interest on which is excludable from the gross income of the holders and in that regard the City agrees not to file a form 8038 G, or any comparable information return relating to tax-exempt obligations, with the Internal Revenue Service.

SECTION 36. DISPOSITION OF REFINANCED FACILITIES. The City covenants that the property financed with the proceeds of the Refunded Obligations will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

#### SECTION 37. COMPLIANCE WITH RULE 15c2-12.

(a) If the Bonds are sold by public offering, and are subject to the Rule (as defined below), the following provisions shall apply:

The City will additionally provide financial statements of the City (the "Financial Statements"), that will be (i) prepared in accordance with the accounting principles described in the Pricing Certificate or such other accounting principles as the City may be required to employ from time to time pursuant to State law or regulation and shall be in substantially the form included in the final Official Statement and (ii) audited, if the City commissions an audit of such Financial Statements and the audit is completed within the period during which they must be provided. The City will update and provide the Annual Operating Report within six months after the end of each fiscal year and the Financial Statements within 12 months of the end of each fiscal year, in each case beginning with the fiscal year ending in and after 2024. The City may provide the Financial Statements earlier, including at the time it provides its Annual Operating Report, but if the audit of such Financial Statements is not complete within 12 months after any such fiscal year end, then the City shall file unaudited Financial Statements within such 12-month period and audited Financial Statements for the applicable fiscal year, when and if the audit report on such Financial Statements becomes available.

(B) If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any documents available to the public on the MSRB's internet website or filed with the SEC.

(iii) Event Notices. The City shall notify the MSRB, in a timely manner not in excess of ten Business Days after the occurrence of the event, of any of the following events with respect to the Bonds:

For these purposes, any event described in the immediately preceding item (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (ii) of this Section by the time required by subsection (ii).

(iv) Limitations, Disclaimers, and Amendments. (A) The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the City in any event will give notice of any deposit made in accordance with this Ordinance or applicable law that causes the Bonds no longer to be outstanding.

(B) The provisions of this Section are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(C) UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(D) No default by the City in observing or performing its obligations under this Section shall comprise a breach of or default under the Ordinance for purposes of any other provision of this Ordinance. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(E) The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the Owners and beneficial owners of the Bonds. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

(b) If the Bonds are sold by private placement, the Pricing Officer may agree to provide for an undertaking in accordance with the Rule or may agree to provide other public information to the purchaser as may be necessary for the sale of the Bonds on the most favorable terms to the City.

#### SECTION 38. SALE OF BONDS AND APPROVAL OF OFFICIAL STATEMENT; FURTHER PROCEDURES.

(a) The Bonds shall be sold and delivered subject to the provisions of Section 1 and Section 4 and pursuant to the terms and provisions of a bond purchase agreement, notice of sale and bidding instructions or private placement agreement (collectively, the "Purchase Agreement") which the

Pricing Officer is hereby authorized to execute and deliver and in which the purchaser or purchasers (collectively, the "Purchaser") of the Bonds shall be designated. The Bonds shall initially be registered in the name of the purchaser thereof as set forth in the Pricing Certificate.

(b) The Pricing Officer is hereby authorized, in the name and on behalf of the City, to approve, distribute, and deliver a preliminary official statement and a final official statement relating to the Bonds to be used by the Purchaser in the marketing of the Bonds.

(c) The Mayor and Mayor Pro Tem, the City Manager, the City Secretary and the Finance Director of the City (each, an "Authorized Officer") shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the City a Paying Agent/Registrar Agreement with the Paying Agent/Registrar, a commitment for municipal bond insurance, if the Bonds shall be so insured, and all other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Pricing Certificate, the Bonds, the sale of the Bonds and the Official Statement. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

**SECTION 39. APPROVAL OF ESCROW AGREEMENTS AND TRANSFER OF FUNDS.** In furtherance of authority granted by Section 1207.007(b), Texas Government Code, and in accordance with Section 4(d) of this Ordinance, an Authorized Officer is further authorized to enter into and execute on behalf of the City with the escrow agent named therein, one or more escrow or similar agreements, which agreement or agreements will provide for the refunding or payment in full of the Refunded Obligations.

In addition, on or immediately prior to the date of the delivery of the Bonds to the initial purchaser, an Authorized Officer is authorized to transfer and deposit cash from available funds to the paying agent/registrar of the Refunded Obligations, as applicable, if needed, to (i) fund the account described in the escrow or similar agreements as the City's contribution to the refunding of the Refunded Bonds and (ii) accomplish the refunding of the Refunded CP Notes. In addition, an Authorized Officer is authorized to purchase such securities, to execute such subscriptions for the purchase of the Escrowed Securities (as defined in the agreement or agreements), if any, and to authorize such contributions for the escrow fund as provided in the agreement or agreements.

**SECTION 40. REDEMPTION OF REFUNDED OBLIGATIONS.**

(a) Subject to the execution and delivery of the Purchase Agreement with the Purchaser, the City hereby directs that the Refunded Obligations be called for redemption or otherwise retired on the dates and at the prices set forth in the Pricing Certificate.

(b) The paying agent/registrar for the Refunded Obligations are hereby directed to provide the appropriate notice of redemption as required by the Refunded Obligations (if applicable) and

are hereby directed to make appropriate arrangements so that the Refunded Obligations may be redeemed or otherwise retired on the appropriate redemption or maturity date.

(c) If the redemption of the Refunded Obligations results in the partial refunding of any maturity of the Refunded Obligations, the Pricing Officer shall direct the paying agent/registrars for the Refunded Obligations to designate at random and by lot which of the Refunded Obligations will be payable from and secured solely from the Net Revenues of the System pledged pursuant to the ordinance of the City authorizing the issuance of such Refunded Obligations (the "Refunded Bond Ordinance"). For purposes of such determination and designation, all Refunded Obligations registered in denominations greater than \$5,000 shall be considered to be registered in separate \$5,000 denominations. The paying agent/registrars shall notify by first-class mail all Owners of all affected bonds of such maturities that: (i) a portion of such bonds have been refunded and are secured until final maturity solely with cash and investments maintained by the Escrow Agent in the Escrow Fund, (ii) the principal amount of all affected bonds of such maturities registered in the name of such Owner that have been refunded and are payable solely from cash and investments in the Escrow Fund and the remaining principal amount of all affected bonds of such maturities registered in the name of such Owner, if any, have not been refunded and are payable and secured solely from the Net Revenues of the System described in the Refunded Obligation Ordinance, (iii) the Owner is required to submit his or her Refunded Obligations to the paying agent/registrars, for the purposes of re-registering such Owner's bonds and assigning new CUSIP numbers in order to distinguish the source of payment for the principal and interest on such bonds, and (iv) payment of principal of and interest on such bonds may, in some circumstances, be delayed until such bonds have been re-registered and new CUSIP numbers have been assigned as required by (iii) above.
