Section 700.030 **Water Meter Required.**

Every person, firm or organization desiring to obtain water from the municipal waterworks system of the City of Glasgow, Missouri, shall, before becoming eligible to be a customer of the said municipal waterworks system, install an approved water meter to measure and record the volume of water which is received from such system by the said person, firm, or organization. Such meter shall be installed in a proper meter pit, and shall be located on the property of the customer as close as is practicable to the individual property line and City water main, as determined by the Superintendent of Municipal Services.

All water taps shall be performed by employees of the City of Glasgow, Missouri, provided that the person, firm, or organization desiring to become a customer of said municipal waterworks system shall be solely responsible for the performance of all work related to the installation of said water meter, including but not limited to excavation and backfilling.

Section 700.050 **Water Tap Fee.**

Every person, firm, or organization tapping into the water supply system of the City of Glasgow, Missouri, shall be required, before the installation of the water meter required above, to pay a water tap fee to the City of Glasgow, Missouri, in the amount of one thousand dollars (\$1,000.00).
