FOR IMMEDIATE RELEASE
DATE: March 12, 2023

NJMVC Mobile Unit to Set Up Shop at Hillsborough Municipal Building

Event will take March 25th - March 28th, 2024

The NJMVC Mobile Unit is coming back to Hillsborough by popular demand. The original event, which took place in January 2024, was so successful that Mayor Britting reached out to the MVC to request additional dates to accommodate residents who would like to make appointments to apply for REAL ID licenses.

Sponsored by NJ 16th District Legislators Senator Andrew Zwicker, Assemblyman Roy Freiman, and Assemblywoman Michelle Drulis, the event will focus on issuing REAL ID licenses and renewing vehicle registrations. While those services will require registration in advance, handicapped placard acquisitions and license plate drop-offs won't require an appointment.

Residents are encouraged to schedule appointments [using the link](#) provided at the Hillsborough Township website and in tomorrow's issue of the Mayor's eNews. "The last event filled up fast, so don't wait to register for your REAL ID appointment," said Mayor Robert Britting at the March 12th Township Committee meeting.

The NJMVC will set up shop at the Hillsborough Municipal Building from Monday, March 25th through Thursday, March 28th. Appointments begin at 9:00 a.m. with the last appointment at 2:15 p.m.

A REAL-ID compliant driver's license will be needed for persons who want to fly within the U.S. effective May 2025, unless they have a U.S. Passport. To see what documentation is necessary for obtaining a REAL ID, please visit the [Document Selector](#) at the NJMVC website.
