

**CERTIFICATION & AUTHENTICATION OF LOCAL LAW NO. 2024-01**

(COPY ATTACHED)

**A Local Law Adopting Good Cause Eviction Protections in the City of Ithaca**

WHEREAS, Article 6-A of the Real Property Law of the State of New York authorizes a municipality, acting through its local legislative body, to adopt the provisions of New York's Good Cause Eviction Law by enacting a local law; and

WHEREAS, the Common Council of the City of Ithaca desires to afford tenants within the City with the protections authorized by state law; and

WHEREAS, Section 213 of the Real Property Law of the State of New York authorizes municipalities to vary certain default provisions of the Good Cause Eviction Law by local law; now therefore,

**BE IT ENACTED** by the Common Council of the City of Ithaca as follows:

**Local Law No. 2024 – 01**

**Section 1. Legislative Findings, Intent, and Purpose**

The Common Council makes the following findings:

1. The Common Council recognizes and values the rights of the many City residents who make their homes in rental properties.
2. The Common Council finds that the statewide Good Cause Eviction Law appropriately balances the rights of tenants and property owners and that adopting its provisions would protect tenant rights without unduly burdening the local rental market.
3. The Common Council finds that the default percentage of fair market value used to calculate the exemption threshold of the statewide Good Cause Eviction law does not appropriately reflect the rental market conditions of the City of Ithaca and should be adjusted as permitted by law.
4. The Common Council finds that the default definition of “small landlord” in the statewide Good Cause Eviction law does not appropriately reflect the rental market conditions of the City of Ithaca and should be adjusted as permitted by law.

Based upon the above findings, the intent and purpose of this Local Law is to opt in to the Good Cause Eviction Law set forth at Article 6-A of the Real Property Law of the State of New York upon the terms described herein.
