OTHERS PRESENT: Director of Public Safety/ Police Chief Harry Snellings, Councilman Brent Sheldon

The minutes from the November 5, 2018 meeting will be approved upon review of all members.

Councilwoman Jones: For the record, we were held up in the financial budget process meeting. I'm going to do the new business first because it seemed a little backward to approve a resolution before we actually approve the new business.

Public Comment/Persons to address the Committee

No one appeared.

RESOLUTIONS

1. RESOLVED, That the Board of Public Utilities be, and it hereby is, requested to install a new LED 400W street light at the following location:

Pole No. 36005 Sprague Street

Councilwoman Jones: There is a request for a flood light to be installed on a BPU pole, number 36005. The light goes on the pole on Sprague Street and it faces Steele Street and so it's set up for security reasons. It's in the BPU set up area.

The members agreed to prepare a resolution for the City Council voting session.

NEW BUSINESS

1. Request to install a flood light on BPU Pole #36005 behind 155 Steele Street.

The members approved the request.

2. Special Event Application - Chautauqua County Department of Mental Hygiene - December 6, 2018.

Councilwoman Jones: It's an open house and it's in the city hall lobby between 4:00 pm and 7:30 pm. Hours of operation are 5:00 to 7:00 with set up at 4:30. That's on December 6th in the city hall lobby and everybody has okayed it.

The members approved the request.

There being no further business, the meeting was adjourned.
