

The Board of Trustees of the Village of Kings Point, at its regular monthly meeting on July 23, 2024, adopted the attached Local Laws 4, 5, 6, and 7 of 2024, and the following amendment to the schedule of fees in Chapter A162 of the Village Code, revising subsection E of section A162-1 to read as follows

**E. Chapter 100, Land Development.**

- (1) The fee for a land development application shall be \$1,000 plus \$5 per cubic yard of soil, sand, gravel, or other fill or similar material to be exported from or imported to any land within the Village.**
- (2) Provided no other sums are owed to the Village upon the full completion of the project, in the event that the project is permanently abandoned or the application is amended reducing the amount of material to be exported from or imported to the land, all or part of the fee initially paid, shall be refunded to the owner upon the full completion of the project, or permanent abandonment of the project, as the case may be, based upon the reduced amount of material exported from the land or imported to the land, less \$500 for the review and processing of the refunded sum, as determined by the Village.**
- (3) Upon full completion or abandonment of the project, the owner shall submit a certification, certified to the Village, with a computation supporting that certification, by a professional engineer satisfactory to the Village running to the benefit of the Village and the owner as to the amount of material that was exported from or imported to the land and the owner shall either pay such additional amount or receive a refund from its payment, based upon the amount so certified and verified, at its option, by the Village.**
- (4) For a waiver: \$1,000.**
