LANSING YOUTH SERVICES REPORT – BRIDGETTE NUGENT

The following report was available on Town of Lansing website and as a handout.

**Lansing Youth Commission; Est. 1987
Supports Lansing Youth Services
Youth Employment Programs
February 2021**

LYS' next virtual meeting will be February 18, 2021. The following are updates from LYS:

1. Current LYS/RYS Program Offerings

Campfire Cooking Adventures

Tuesdays, Jan. 12 — Feb. 23 Meet at MS Main Entrance

Join us as we practice outdoor living skills, with the focus being on cooking over the fire. Each week participants will practice their fire making skills and make a special snack. The group will alternate weeks between individual cook fires as well as being able to cook around the group fire. Be sure to wear appropriate clothing as we will be outside at Salmon Creek or the Nature Center behind the High School! Winter gear is a must including appropriate footwear and warm clothing! We've already seen some beautiful winter weather this year and participants have had the chance to build their own fires and cook delicious meals over hot coals.

Holiday World Tour

Wednesdays, Jan. 13 — Feb. 24 Meet at MS Main Entrance

In this new program, we will be learning about holidays from around the world and look at the culture, traditions and foods associated with each one. Holidays that have connections to our participants will be prioritized and highlighted. This program kicked off with National Dreams Day, where participants made their own dream artwork and discussed with their group their own dreams. Come join us and celebrate!

Care and Crafts

Thursdays, Jan. 21 — Feb. 25 Meet at MS Main Entrance

These times have been new and different for us all. Get together with us as we explore how others have been making the best of our new found time. Along with these new activities we will also be making themed crafts to relax and just enjoy each other's company. The group has daily practices which include some physical activity followed by short guided meditations, and then an art project. Participants have been very conscious of their self-care and love singing along to music as they create their artwork.

Movies and Munchies

Fridays, Jan. 15 — Feb. 26 Meet at MS Main Entrance

Movies and Munchies is here with cinema as our focus. Yes, participants will plan the movies, what snacks will be enjoyed and seating arrangements (while still socially distant). We will also be diving into the history of film and even practice making your own pinhole cameras! There have already been 2 showings of films so far, and next up is Tangled with an accompanying snack.

2. Lansing Rural Youth Services programs has built their Facebook page for both youth development programs and Youth Employment. Please follow and share information on programs if you have access to Facebook! www.facebook.com/LansingYouthServices
3. Lansing Youth Services will confirm their 2021 goals at the February meeting, utilizing feedback compiled from members using the Vitality Checklist crafted by Tompkins County Youth Services.

TOMPKINS COUNTY LEGISLATOR REPORT – MIKE SIGLER

The following report was reviewed by Mike Sigler.

Mike thanked the Highway Department for their hard work, plowing the roads, during all of the snowstorms.

**Tompkins County Legislator
Michael Sigler
February 17, 2021**

Hello and thank you for having me in again.

Urgent Care off of Warren Road on Arrowood Drive closed Monday. This came as a surprise to everyone and was only announced last Tuesday. I was just on a Zoom call I put together with the hospital. I invited other County Legislators, Ed and the Groton Town Supervisor. If you have an emergency, a kid with a bloody chin, trouble breathing, a deep cut, yes, we've gone there for all of those, go to the Emergency Room at Cayuga Medical Center.

I had an email exchange with the head of Cayuga Medical Center, Marty Stallone, Friday night and talked with him Saturday morning. He says the move is temporary but acknowledges it may be some time before it reopens. He also understands this is a blow to the community living on the east side of the lake. He says that the closure is due to a shortage of nurses at the Emergency Room, not at urgent care and that the urgent care nurses were the most easily transferable.

The hospital says this is being driven by COVID-19 as nurses from the ER are being swept up to cover both vaccination sites in New York State and out of state where cases surged. The money to cover those areas and vaccinations are significantly more than what CMC can offer. The number of patients at Urgent Care has dropped from about 80 cases a day to an average of 25 a day according to the hospital, so the hospital believes this move will cause the least disruption, but again the hospital acknowledges that for those who have come to rely on Urgent Care, it will pose a significant change.

To mitigate problems, the hospital says it has a fast-track system at the ER, describing it as an urgent care within the ER. They also anticipate primary care doctors, many of whom are on the east side of the lake to welcome walk-in patients and that they will see and encourage an expansion of telemedicine which has already seen an increase because of COVID-19.

A New York State pop-up COVID-19 vaccination clinic will be held at Beverly J. Martin Elementary School in downtown Ithaca. This week, 300 doses will be administered at this location, in addition to 1000 doses administered at the Cayuga Health mall site. Due to the limited number of doses designated for this pop-up clinic, the Health Department is working directly with Greater Ithaca Activities Center (GIAC) leadership to register eligible individuals for the clinic. The online registration link will not be public. GIAC will distribute the registration link and assist with registrations for the population they serve, including their older adult program. Eligible individuals must have an appointment to attend the clinic. Governor Andrew Cuomo authorized these pop-up sites as a component of the New York State vaccination efforts to distribute the vaccine fairly and equitably.

I've been getting calls on a number of issues, so I'll just run down them quickly. The schools reopening. It's weighing heavily on parents. The federal government seemed committed to reopening school in March, but has backed off that and there was some buzz about them not reopening in fall which has obviously angered some parents. That doesn't seem to be the plan in Lansing and it's evolving. I brought it up at last night's legislature meeting and Frank Kruppa said he'll be talking with the various school districts this week to see where they all are in their plans to return to full five day a week in person instruction.

The Town Comprehensive Plan. Folks living up by the Dollar store are asking about the Town Comprehensive Plan and wondering why this Dollar store is being allowed when it doesn't fit in the Comp Plan. They pointed out that the Comp Plan calls for much of the RA zones to be changed to a new zone Ag. This change was approved by the Ag Committee with input from Town Farmers, by the Planning Board and then by the Town Board in 2018, a majority of which are still on the Board. This also fits in the questions I'm fielding about Utility Scale Solar. I just don't have an answer why much of the Town is RA when the Town Board voted to make it Ag with the sign off by Board, Planning Board, Ag Committee, Town Farmers, Town Attorney and Planner. Another building project, the Dandy is getting pushback, but for other reasons primarily how the entrances/exits will function at the first or second busiest intersections in Town. Both look like they'll be within 200 feet of the three way stop light at the East Shore

Trail, Route 34B intersection. Will there be a traffic study by the State on this since they are both state roads?

The Governor's emergency powers. I'll be moving to call on the NYS Legislature to reinstate its powers in state government at our March 2nd meeting. The resolution reads:

Whereas the Covid-19 pandemic began more than a year ago with the first case appearing in late January 2020 in the United States

Whereas New York State bore the brunt of significantly more lethal cases and number of cases in the first few months of the pandemic in 2020 and we recognize that the Governor needed emergency powers to act quickly in the face of the pandemic to respond to a quickly changing landscape

Whereas while we understand the need for the Governor's emergency powers, we also recognize that placing this much power in the sole hands of the executive is an extraordinary measure that should not be taken lightly

Whereas we recognize the state legislature serves as a co-equal branch of the government, also representing the people of the state with its main role being to pass the laws of the State for the Governor to sign and that it serves as a check to the executive branch and provides oversight of the executive branch

Whereas we recognize the power of the state legislature has been diminished because of the extraordinary powers of the Governor and that input from the public has been limited with the Governor having the ability to forgo public hearings

Whereas we are now more than a year into the response to Covid-19 and we understand that the state has moved into a "management" stage of the virus as opposed to an "emergency response" phase in fighting the virus

Resolved we call for the emergency powers of the Governor to end and the powers of the legislature to be restored, bringing New York State back to a more regular course of business.

Supervisor Ed LaVigne clarified the Planning Board has been reviewing the Comprehensive Plan for changes and asked C.J. Randall for additional information.

WHEREAS, upon and after due deliberation upon this matter, the Town Board of the Town of Lansing has hereby

RESOLVED, that the Highway Superintendent or his designee is authorized to purchase a second Boss RT3 8 Foot 2 Inch V-XT Snow Plow with LED Lighting and Smart Touch Controller, not to exceed \$6,500.00, with the proceeds from the sale of the 2008 GMC Dump Truck, account number DA5142.200.

d. RESOLUTION ADOPTING AMENDMENT TO § 802 OF EMPLOYEE HANDBOOK REGARDING ACCRUED VACATION PAY UPON DEPARTURE FROM EMPLOYMENT

RESOLUTION 21-64

RESOLUTION ADOPTING AMENDMENT TO § 802 OF EMPLOYEE HANDBOOK REGARDING ACCRUED VACATION PAY UPON DEPARTURE FROM EMPLOYMENT

The following Resolution was duly presented for consideration by the Town Board:

WHEREAS, there was confusion as to what the intent of § 802 was with respect to the payout of accrued vacation benefits, especially for retirees or those prospectively considering retirement, and the Town Board had directed that this language be amended to confirm that employees keep and are entitled, in most circumstances, to keep or be paid for accrued vacation time; and

WHEREAS, this action is a Type II SEQRA Action such that no environmental review is mandated or required, and upon deliberation hereupon, the Town Board of the Town of Lansing has hereby resolved as follows:

1. Employee Handbook, § 802, the paragraph entitled “Separation of Employment” be and hereby is replaced in its entirety by the following:

Separation of Employment - An employee in good standing who resigns, retires or is laid off (a “departure”, or a “departing” employee) will receive cash payment for unused vacation

leave to which the employee is entitled at the date of departure at the employee's then current rate of pay. Generally, this number of vacation days or hours includes any existing carry-over vacation days that remain unused during the calendar year of departure, plus any vacation credited upon January 1 of the year of departure. To be eligible to receive this payment, the departing employee must give written notice at least two weeks in advance of the date of departure (being generally the last day of employment). "In good standing" generally means that the employee is not experiencing a departure due to, or as a result of, disciplinary reasons. In the event of departure due to the death of the employee, payment will be made per the above policy to the employee's designated beneficiary or estate, as applicable.
