

## Proposed Amendments to General Code Chapter 22 Parks and Recreation

A local law to amend to Amend Chapter 222 of the Code of the Village of Lake Placid in various respects.

### Article 1

#### Section 222-1:

The following is added: All vessels are limited to 5 mph in Mirror Lake and Mill Pond. Electric Hydrofoil Surfboards are prohibited on Mirror Lake and on Mill Pond.

Section 222-2 Motor Boats on Mill Pond is amended to read:

Permits are required for motor boats as defined above on Mill Pond within the corporate limits of Lake Placid Village. Motor boats propelled by electric current are allowed on Mill Pond and shall not exceed 5 MPH. Electric Hydrofoil Surfboards are prohibited on Mill Pond.

### Article 2

#### Section 222-7:

The following is added:

Electric Hydrofoil Surfboard: a **surfboard** or other such floating device which is propelled by an **electric** propeller just above the wing of the **hydrofoil**, or another propulsion which powers the board to move through any water.

Section 222-11B Is revised to state: Permitted uses. All other uses in, on under the surface of Mirror Lake shall be permissible if a permit has been obtained therefore pursuant to Section 222-1 unless the Village determines by resolution or other regulation that no permit is required)
