b.	Minor property improvements	\$500

The cost of these services shall be charged against the initial deposit and such other additional deposits posted by the applicant.

3. These funds shall be placed in a separate account, without interest accruing to the developer, by the Borough Treasurer at the discretion of the Planning Board Secretary, and an accounting shall be kept of each applicant's deposit. All professional charges shall be paid from the account and charged to the applicant. Any moneys not expended for professional services shall be returned to the applicant upon final approval, denial or withdrawal of the application. The agreement shall specifically state that in the event the fees imposed by the planning board are not paid, any development approvals granted by the planning board shall be considered null and void. In the event that additional deposits requested by the planning board remain unpaid for a period of 60 days, the development application shall be deemed to be withdrawn and shall be dismissed without prejudice.
