MEMORANDUM

TO: Mayor and Aldermen of the City of Lincoln

FROM: Bob Mahrt, Interim City Administrator

MEETING

DATE: November 28, 2017

RE: Discussion on 2018 Liability Insurance Renewal (Arthur J. Gallagher & Company)

Background: The City utilizes the services of Arthur J. Gallagher & Company for liability insurance coverage. During the annual renewal period, City Staff updated the listing of municipal assets for property, buildings and equipment. Staff later met with the broker to discuss current coverage levels, costs, and alternative measures to best address the City's insurance needs.

The following insurance companies have been recommended by the broker for specific lines of coverage:

Argonaut Great Central Insurance Company (General Liability Package)
BCS Insurance Company (Cyber Liability)
Illinois Public Risk Fund (Worker's Compensation)

It should be understood that the above listed insurance companies currently serve the City and the renewal maintains the coverage limits from prior years for FY2018. The overall rates will increase approximately 3% from \$409,432 in FY 2017 to \$423,663 in FY 2018. The term of the Agreement will be from December 15, 2017 thru December 15, 2018. (Excerpted copies of the Insurance Proposal are attached for City Council review).

In our discussions with the broker, additional cost saving measures can be made. These include:

- 1) A potential 25% reduction in "Law Enforcement Liability" coverage for use of Lexipol (policy management software currently being implemented by Police Department).
- 2) A potential reduction of the current "Property" coverage by completing appraisals on critical structures at reduced costs through broker affiliated commercial appraisers. (Property values were increased this year from \$26 million to \$37 million to better reflect replacement costs and the broker now recommends appraisals to validate value of structures).
- 3) A potential cost savings by increasing "Crime (i.e. Employee Dishonesty/Theft/Forgery)" coverage and eliminating individual bonds for specific positions. By increasing the amount of coverage from \$50,000 to \$500,000, the City may realize some cost savings while significantly increasing coverage limits over individual bonds. It was preliminarily estimated that increasing the coverage to \$500,000 would add approximately \$1,000 to

the premium amount. The City currently pays approximately \$2,300 for bond coverage for sixteen employees with limits ranging from \$1,000 to \$250,000. (Staff is anticipating an updated quote for "Crime" prior to Committee of the Whole meeting).

- 4) The broker has informed the City of a grant award in the amount of \$28,213 from the Illinois Public Risk Fund for safety related purchases.

Fiscal Impact: Liability coverage premiums are anticipated to increase 3%. However, the City Council and City Staff can implement measures to reduce costs through the policy term.

Committee of the Whole Recommendation: Place the 2018 Liability Insurance Renewal with Arthur J. Gallagher & Company on the City Council Regular Agenda for December 4, 2017.

City Council Recommendation: Approve the 2018 Liability Insurance Renewal with Arthur J. Gallagher & Company.

MEMORANDUM

TO: Mayor and Aldermen of the City of Lincoln

FROM: Bob Mahrt, Interim City Administrator

MEETING

DATE: November 28, 2017

RE: Discussion on Change Order regarding 2017 Annual Sidewalk Program (Kinney Contractors, Inc.)

Background: The City Council had approved the FY 2017 Budget with \$125,000 allocated under the Capital Projects Fund for the "Sidewalk Improvements". On September 18, 2017, the City Council approved a bid for the 2017 Annual Sidewalk Replacement Program from Kinney Contractors in the amount of \$77,644.42. The City Council subsequently approved additional sidewalk target areas with a not to exceed amount for the entire project of \$125,000.

The Street Superintendent conducted the project walk thru with the Transportation Senior Project Engineer and Project Engineer from the Farnsworth Group on October 5, 2017. At that time, it was determined that completion of the sidewalks included under the original bid and the additional target areas would be slightly below the \$125,000 not to exceed amount. During construction two locations of old brick sidewalks were discovered which required removal prior to installation of new sidewalks. In addition, several locations required additional sidewalk and driveway pavement to comply with ADA requirements. These additional improvements had pushed the construction costs up to \$136,818.44 or \$11,818.44 over the not to exceed amount.

A Change Order would have been required to be approved by the City Council for the sidewalk construction over the original bid amount of \$77,644.12 to the not to exceed amount of \$125,000. The Change Order with the Contractor will now need to address the excess construction costs up to \$136,818.44. (A copy of the Change Order with Kinney Contractors, Inc. and the project map are attached for City Council review).

City Staff understands that this engineering oversight is not acceptable and has brought this to the attention of the Farnsworth Group. However, it should be noted that while the 2017 Annual Sidewalk Replacement Program did exceed the budgeted amount, the 2017 Street Resurfacing Program will be coming below the budgeted amount of \$500,000.

Fiscal Impact: The Change Order amount exceeds the budgeted amount for the 2017 Annual Sidewalk Replacement Program by \$11,818.44.

Committee of the Whole Recommendation: Place the Change Order with Kinney Contractors, Inc. on the City Council Regular Agenda for December 4, 2017.

City Council Recommendation: Approve the Change Order with Kinney Contractors, Inc.

Total Net Change: \$ 30,732.07
 Amount of Original Contract: \$ 106,086.37
 Amount of Previous Change Orders: \$ -
 Amount of adjusted/final contract: \$ 136,818.44

Total net Addition to date \$ 30,732.07 which is 28.97 % of the contract price.
 (addition, deduction)

State fully the nature and reason for the change: Additional sidewalk targets added by the Team to take advantage of low bid prices. During construction, additional sidewalk and driveway pavement areas were required to be replaced to allow sidewalk to meet ADA/PROWAG grading requirements.

When the net increase or decrease in the cost of the contract is \$10,000.00 or more, or the time of completion is increased or decreased by 30 days or more, one of the following statements must be checked:

- The undersigned has determined that the circumstances which necessitate this change were not reasonably foreseeable at the time the contract was signed.
- The undersigned has determined that the change is germane to the original contract as signed.
- The undersigned has determined that this change is in the best interest of the Local Agency and is authorized by law.

MEMORANDUM

TO: Mayor and Aldermen of the City of Lincoln

FROM: Bob Mahrt, Interim City Administrator

MEETING

DATE: December 4, 2017

RE: Approval of Supplemental Bill List Item for Motor Fuel Tax Services (Farnsworth Group).

The City has previously utilized the services of the Farnsworth Group for general administration of the Motor Fuel Tax Fund. The City Council had recently withheld paying an invoice regarding the Preliminary Engineering for sidewalk and street resurfacing in the amount of \$38,728.70.

The use of Motor Fuel Tax (MFT) funds generally requires IDOT supervision and approval. IDOT Bureau of Local Roads and Street Manual establishes standards on billing for Agreements between a municipality and a consulting engineer based on a percentage of project costs.

On August 7, 2017, the City Council had adopted Resolution No. 2017-348 regarding the use a MFT funds. (A copy of the Resolution is attached for City Council review).

Fiscal Impact: The Interim City Administrator seeks to resolve the on-going concern on payment of invoices through open discussion and appropriate actions.

Committee of the Whole Recommendation: The Committee of the Whole requested the pending Farnsworth Group invoice for Motor Fuel Tax Services be placed on the December 4, 2017 regular agenda for review and approval.

City Council Recommendation: Approve the Farnsworth Group invoice for Motor Fuel Tax Services, as a supplement to the City Council Bill List.

Date: November 14, 2017

Client: City of Lincoln

Project: Jefferson Street Bridge Replacement

Reference Conditions: Farnsworth Group, Inc. will hereinafter be referred to as FARNSWORTH GROUP, the above referenced Client will be referred to as CLIENT, and the above referenced Project will hereinafter be referred to either as PROJECT or by abbreviation as above set forth. FARNSWORTH GROUP is defined as including Farnsworth Group, Inc. and its subsidiaries, affiliates, contractors, subcontractors and agents, including their respective officers, directors, employees, successors and assigns.

Entire Agreement: This Agreement is the entire Agreement between CLIENT and FARNSWORTH GROUP. It supersedes all prior communications, understandings and agreements, whether written or oral. Both parties have participated fully in the preparation and revision of this Agreement, and each party and its counsel have reviewed the final document. Any rule of contract construction regarding ambiguities being construed against the drafting party shall not apply in the interpreting of the Agreement, including any Section Headings or Captions. Amendments to this Agreement must be in writing and signed by both CLIENT and FARNSWORTH GROUP.

Modification to the Agreement: CLIENT or FARNSWORTH GROUP may, from time to time, request modifications or changes in the scope of services to be performed hereunder. Such changes, including any increase or decrease in the amount of FARNSWORTH GROUP's compensation, to which CLIENT and FARNSWORTH GROUP mutually agree shall be incorporated in this Agreement by a written amendment to the Agreement.

Severability: If any term or provision of this Agreement is held to be invalid or unenforceable under any applicable statute or rule of law, such holding shall be applied only to the provision so held, and the remainder of this Agreement shall remain in full force and effect.

Waiver: No waiver by either party of any breach, default, or violation of any term, warranty, representation, agreement, covenant, condition, or provision hereof shall constitute a waiver of any subsequent breach, default, or violation of the same or any other term, warranty, representation, agreement, covenant, condition, or provision hereof. All waivers must be in writing.

Survival: Notwithstanding completion or termination of the Agreement for any reason, all rights, duties, obligations of the parties to this Agreement shall survive such completion or termination and remain in full force and effect until fulfilled.

Governing Law: This Agreement shall be governed by and interpreted pursuant to the laws of the State of Illinois.

Compliance with Law: In the performance of services to be provided hereunder, FARNSWORTH GROUP and CLIENT agree to comply with applicable federal, state, and local laws and ordinances and lawful order, rules, and regulations of any constituted authority.

Force Majeure: Obligations of either party under this Agreement shall be suspended, and such party shall not be liable for damages or other remedies while such party is prevented from complying herewith, in whole or in part, due to contingencies beyond its reasonable control, including, but not limited to strikes, riots, war, fire, acts of God, injunction, compliance with any law, regulation, or order, whether valid or invalid, of the United States of America or any other governmental body or any instrumentality thereof, whether now existing or

hereafter created, inability to secure materials or obtain necessary permits, provided, however, the party so prevented from complying with its obligations hereunder shall promptly notify the other party thereof.

Standard of Care: Services performed by FARNSWORTH GROUP under this Agreement will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing under similar conditions. No other representation expressed or implied, and no warranty or guarantee is included or intended in this Agreement, or in any report, opinion, document or otherwise.

Statutes of Repose and Limitation: All legal causes of action between the parties to this Agreement shall accrue and any applicable statutes of repose or limitation shall begin to run not later than the date of Substantial Completion. If the act or failure to act complained of occurs after the date of Substantial Completion, then the date of final completion shall be used, but in no event shall any statute of repose or limitation begin to run any later than the date FARNSWORTH GROUP's services are completed or terminated.

Assignment: Neither party to this Agreement shall transfer or assign any rights under or interest in this Agreement, including but not limited to monies that are due or monies that may become due, without the written consent of the other party.

Precedence: These General Conditions shall take precedence over any inconsistent or contradictory provisions contained in any proposal, contract, purchase order, requisition, notice to proceed, or like document regarding FARNSWORTH GROUP's services.

Dispute Resolution: In an effort to resolve any conflicts that arise during the performance of professional services for PROJECT or following completion of PROJECT, CLIENT and FARNSWORTH GROUP agree that all disputes between them arising out of or relating to the Agreement or PROJECT shall first be negotiated between senior officers of CLIENT and FARNSWORTH GROUP for up to 30 days before being submitted to mediation. In the event negotiation and mediation are not successful, either CLIENT or FARNSWORTH GROUP may seek a resolution in any state or federal court that has the required jurisdiction within 180 days of the conclusion of mediation.

Timeliness of Performance: FARNSWORTH GROUP will begin work under this Agreement upon receipt of a fully executed copy of this Agreement. CLIENT and FARNSWORTH GROUP are aware that many factors outside FARNSWORTH GROUP's control may affect FARNSWORTH GROUP's ability to complete the services to be provided under this Agreement. FARNSWORTH GROUP will perform these services with reasonable diligence and expediency consistent with sound professional practices.

Suspension: CLIENT or FARNSWORTH GROUP may suspend all or a portion of the work under this Agreement by notifying the other party in writing if unforeseen circumstances beyond control of CLIENT or FARNSWORTH GROUP make normal progress of the work impossible. FARNSWORTH GROUP may suspend work in the event CLIENT does not pay invoices when due, and FARNSWORTH GROUP shall have no liability whatsoever to CLIENT, and CLIENT agrees to make no claim for any delay or damage as a result of such suspension. The time for completion of the work shall be extended by the

number of days work is suspended. If the period of suspension exceeds 90 days, FARNSWORTH GROUP shall be entitled to an equitable adjustment in compensation for start-up, accounting and management expenses.

Termination: This Agreement may be terminated for cause by either party upon written notice. Any termination shall only be for good cause such as legal, unavailability of adequate financing or major changes in the scope of services. In the event of any termination, FARNSWORTH GROUP will be paid for all services and expenses rendered to the date of termination on a basis of payroll cost times a multiplier of 3.0 (if not previously provided for) plus reimbursable expenses, plus reasonable termination expenses, including the cost of completing analyses, records, and reports necessary to document job status at the time of termination.

Consequential Damages: Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither CLIENT nor FARNSWORTH GROUP, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for incidental, indirect, or consequential damages arising out of or connected in any way to PROJECT or the Agreement. This mutual waiver of consequential damages shall include, but not be limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation and any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict and implied warranty. Both CLIENT and FARNSWORTH GROUP shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in PROJECT.

Personal Liability: It is intended by the parties to this Agreement that FARNSWORTH GROUP's services in connection with the Project shall not subject FARNSWORTH GROUP's individual employees, officers or directors to any personal legal exposure for the risks associated with this Project. Therefore, and notwithstanding anything to the contrary contained herein, CLIENT agrees that as CLIENT's sole and exclusive remedy, any claim, demand, or suit shall be directed and/or asserted only against FARNSWORTH GROUP, an Illinois corporation, and not against any of FARNSWORTH GROUP's individual employees, officers or directors.

Confidentiality: Each party shall retain as confidential all information and data furnished to it by the other party which are designated in writing by such other party as confidential at the time of transmission and are obtained or acquired by the receiving party in connection with this Agreement, and said party shall not reveal such information to any third party. However, nothing herein is meant to preclude either disclosing and/or otherwise using confidential information (i) when the confidential information is actually known to the receiving party before being obtained or derived from the transmitting party; or (ii) when confidential information is generally available to the public without the receiving party's fault at any time before or after it is acquired from the transmitting party; or (iii) where the confidential information is obtained or acquired in good faith at any time by the receiving party from a third party who has the same in good faith and who is not under any obligation to the transmitting party in respect thereof; or (iv) is required by law or court order to be disclosed.

Reuse of Documents: All documents including reports, drawings, specifications, and electronic media furnished by FARNSWORTH GROUP and/or any subcontractor pursuant to this Agreement are instruments of its services. They are not intended or represented to be suitable for reuse by CLIENT or others on extensions of this project or on any other project. Any reuse without specific written verification or adaptation by FARNSWORTH GROUP will be at CLIENT's sole risk, and without liability to FARNSWORTH GROUP, and CLIENT shall indemnify and hold harmless FARNSWORTH GROUP and/or any subcontractor from all claims, damages, losses and expenses including court costs and attorney's fees arising out of or resulting therefrom. Any such verification or adaptation will entitle FARNSWORTH GROUP to further compensation at rates to be agreed upon by CLIENT and FARNSWORTH GROUP.

Subcontracting: FARNSWORTH GROUP shall have the right to subcontract any part of the services and duties hereunder without the consent of CLIENT.

Third Party Beneficiaries: Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either CLIENT or FARNSWORTH GROUP. FARNSWORTH GROUP's services under this

Agreement are being performed solely for CLIENT's benefit, and no other party or entity shall have any claim against FARNSWORTH GROUP because of this Agreement; or the performance or nonperformance of services hereunder; or reliance upon any report or document prepared hereunder. Neither FARNSWORTH GROUP nor CLIENT shall have any obligation to indemnify each other from third party claims. CLIENT and FARNSWORTH GROUP agree to require a similar provision in all contracts with Construction Contractors, Construction Subcontractors, vendors, and other entities involved in PROJECT to carry out the intent of this provision.

Insurance and Limitation: FARNSWORTH GROUP is covered by commercial general liability insurance, automobile liability insurance and workers compensation insurance with limits which FARNSWORTH GROUP considers reasonable. Certificates of all insurance shall be provided to CLIENT upon request in writing. Within the limits and conditions of such insurance, FARNSWORTH GROUP agrees to indemnify and hold CLIENT harmless from any loss, damage or liability arising directly from any negligent act by FARNSWORTH GROUP. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability beyond the amounts, limits and conditions of such insurance. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability arising from any act by CLIENT, its agents, staff, other consultants, independent contractors, third parties or others working on PROJECT over which FARNSWORTH GROUP has no supervision or control. Notwithstanding the foregoing agreement to indemnify and hold harmless, the parties agree that FARNSWORTH GROUP has no duty to defend CLIENT from and against any claims, causes of action or proceedings of any kind.

Professional Liability Insurance and Limitation: FARNSWORTH GROUP is covered by professional liability insurance for its professional acts, errors and omissions, with limits which FARNSWORTH GROUP considers reasonable. Certificates of insurance shall be provided to CLIENT upon request in writing. Within the limits and conditions of such insurance, FARNSWORTH GROUP agrees to indemnify and hold CLIENT harmless from loss, damage or liability arising from professional acts by FARNSWORTH GROUP and errors or omissions that exceed the industry standard of care for the services provided. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability beyond the amounts, limits and conditions of such insurance. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability arising from any act, error or omission by CLIENT, its agents, staff, other consultants, independent contractors, third parties or others working on PROJECT over which FARNSWORTH GROUP has no supervision or control. Notwithstanding the foregoing agreement to indemnify and hold harmless, the parties agree that FARNSWORTH GROUP has no duty to defend CLIENT from and against any claims, causes of action or proceedings of any kind.

Additional Limitation: In recognition of the relative risks and benefits of PROJECT to both CLIENT and FARNSWORTH GROUP, the risks have been allocated such that CLIENT agrees that for the compensation herein provided FARNSWORTH GROUP cannot expose itself to damages disproportionate to the nature and scope of FARNSWORTH GROUP's services or the compensation payable to it hereunder. Therefore, to the maximum extent permitted by law, CLIENT agrees that the liability of FARNSWORTH GROUP to CLIENT for any and all causes of action, including, without limitation, contribution, asserted by CLIENT and arising out of or related to the negligent acts, errors or omissions of FARNSWORTH GROUP in performing professional services shall be limited to fifty thousand dollars (\$50,000) or the total fees paid to FARNSWORTH GROUP by CLIENT under this Agreement, whichever is greater ("Limitation"). CLIENT hereby waives and releases (i) all present and future claims against FARNSWORTH GROUP, other than those described in the previous sentence, and (ii) any liability of FARNSWORTH GROUP in excess of the Limitation. In consideration of the promises contained herein and for other separate, valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CLIENT acknowledges and agrees that (i) but for the Limitation, FARNSWORTH GROUP would not have performed the services, (ii) it has had the opportunity to negotiate the terms of the Limitation as part of an "arms-length" transaction, (iii) the Limitation amount may differ from the amount of Professional liability insurance required of FARNSWORTH GROUP under this Agreement, (iv) the

Limitation is merely a Limitation of, and not an exculpation from, FARNSWORTH GROUP's liability and does not in any way obligate CLIENT to defend, indemnify or hold harmless FARNSWORTH GROUP, (v) the Limitation is an agreed remedy, and (vi) the Limitation amount is neither nominal nor a disincentive to FARNSWORTH GROUP performing the services in accordance with the Standard of Care.

Fee Schedule: Where lump sum fees have been agreed to between the parties, they shall be so designated in the Agreement attached hereto and by reference made a part hereof. Where fees are based upon hourly charges for services and costs incurred by FARNSWORTH GROUP, they shall be based upon the hourly fee schedule annually adopted by FARNSWORTH GROUP, as more fully set forth in a Schedule of Charges attached hereto and by reference made a part hereof. Such fees in the initial year of this Agreement shall be those represented by said Schedule of Charges, and these fees will annually change at the beginning of each calendar year after the date of this Agreement.

Invoices: Charges for services will be billed at least as frequently as monthly, and at the completion of PROJECT. CLIENT shall compensate FARNSWORTH GROUP for any sales or value added taxes which apply to the services rendered under this Agreement or any amendment thereto. CLIENT shall reimburse FARNSWORTH GROUP for the amount of such taxes in addition to the compensation due for services. Payment of invoices shall not be subject to any discounts or set-offs by CLIENT unless agreed to in writing by FARNSWORTH GROUP. Invoices are delinquent if payment has not been received within 30 days from date of invoice. There will be an additional charge of 1 1/4 percent per month compounded on amounts outstanding more than 30 days. All time spent and expenses incurred (including attorney's fees) in connection with collection of any delinquent amount will be paid by CLIENT to FARNSWORTH GROUP per FARNSWORTH GROUP's then current Schedule of Charges.

Opinions of Cost: Since FARNSWORTH GROUP has no control over the cost of labor, materials or equipment, or over a contractor's method of determining prices, or over competitive bidding or market conditions, FARNSWORTH GROUP's opinions of probable project cost or construction cost for PROJECT will be based solely upon its own experience with construction, but FARNSWORTH GROUP cannot and does not guarantee that proposals, bids, or the construction cost will not vary from its opinions of probable cost. If CLIENT wishes greater assurance as to the construction cost, CLIENT should employ an independent cost estimator.

Contingency Fund: CLIENT and FARNSWORTH GROUP acknowledge that changes may be required during construction because of possible ambiguities, inconsistencies, errors or omissions in the Contract Documents and, therefore, that the costs of the project may exceed the construction contract sum. CLIENT agrees to set aside a reserve in the amount of Five Percent (5%) of the actual project construction costs as a contingency reserve to be used, as required, to pay for any such increased project costs. CLIENT further agrees to make no claim by way of direct or third party action against FARNSWORTH GROUP or subcontractors and subconsultants with respect to any payments within the limit of the contingency reserve made to the construction contractors because of such changes or because of any claims made by the construction contractors relating to such changes.

Subpoenas: CLIENT is responsible, after notification, for payment of time charges and expenses resulting from the required response by FARNSWORTH GROUP and/or any subcontractor to subpoenas issued by any party other than FARNSWORTH GROUP and/or any subcontractor in conjunction with the services performed under this Agreement. Charges are based on fee schedules in effect at the time the subpoena is served.

Right of Entry: CLIENT shall provide for FARNSWORTH GROUP's and/or any subcontractor's right to enter property owned by CLIENT and/or others in order for FARNSWORTH GROUP and/or any subcontractor to fulfill the scope of services for this Project. CLIENT understands that use of exploration equipment may unavoidably cause some damage, the correction of which is not part of this Agreement.

Utilities: CLIENT shall be responsible for designating the location of all utility lines and subterranean structures within the property line of PROJECT. CLIENT

agrees to waive any claim against FARNSWORTH GROUP and/or any subcontractor, and to indemnify and hold harmless from any claim or liability for injury or loss arising from FARNSWORTH GROUP and/or any subcontractor or other persons encountering utilities or other man-made objects that were not called to FARNSWORTH GROUP's attention or which were not properly located on documents furnished to FARNSWORTH GROUP. CLIENT further agrees to compensate FARNSWORTH GROUP and/or any subcontractor for any time spent or expenses incurred by FARNSWORTH GROUP and/or any subcontractor in defense of any such claim, in accordance with FARNSWORTH GROUP's and/or any subcontractor's prevailing fee schedule and expense reimbursement policy.

Aquifer Contamination: Subsurface sampling may result in contamination of certain subsurface areas, as when a probe or boring device moves through a contaminated area, linking it to an aquifer, underground stream, or other hydrous body not previously contaminated and capable of spreading hazardous substances or pollutants off-site. Because subsurface sampling is a necessary aspect of services which FARNSWORTH GROUP and/or any subcontractor may provide on CLIENT's behalf, CLIENT waives any claim against FARNSWORTH GROUP and/or any subcontractor, and agrees to indemnify and hold FARNSWORTH GROUP and/or any subcontractor harmless from any claim or liability for injury or loss which may arise as a result of alleged cross contamination caused by any sampling. CLIENT further agrees to compensate FARNSWORTH GROUP and/or any subcontractor for any time spent or expenses incurred by FARNSWORTH GROUP and/or any subcontractor in defense of any such claim, in accordance with FARNSWORTH GROUP's and/or any subcontractor's prevailing fee schedule and expense reimbursement policy.

Samples: All samples of any type (soil, rock, water, manufactured materials, biological, etc.) will be discarded sixty (60) days after submittal of project deliverables. Upon CLIENT's authorization, samples will be either delivered in accordance with CLIENT's instructions or stored for an agreed charge.

Recognition of Risk: CLIENT acknowledges and accepts the risk that: (1) data on site conditions such as geological, geotechnical, ground water and other substances and materials, can vary from those encountered at the times and locations where such data were obtained, and that this limitation on the available data can cause uncertainty with respect to the interpretation of conditions at CLIENT's site; and (2) although necessary to perform the Agreement, commonly used exploration methods (e.g., drilling, borings or trench excavating) involve an inherent risk of contamination of previously uncontaminated soils and waters. FARNSWORTH GROUP's and/or any subcontractor's application of its present judgment will be subject to factors outlined in (1) and (2) above.

Discovery of Unanticipated Hazardous Substances or Pollutants: Hazardous substances are those so defined by prevailing Federal, State, or Local laws. Pollutants mean any solid, liquid, gaseous, or thermal irritant or contaminant including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Hazardous substances or pollutants may exist at a site where they would not reasonably be expected to be present. CLIENT and FARNSWORTH GROUP and/or any subcontractor agree that the discovery of unanticipated hazardous substances or pollutants constitutes a "changed condition" mandating a renegotiation of the scope of services or termination of services. CLIENT and FARNSWORTH GROUP and/or any subcontractor also agree that the discovery of unanticipated hazardous substances or pollutants will make it necessary for FARNSWORTH GROUP and/or any subcontractor to take immediate measures to protect human health and safety, and/or the environment. FARNSWORTH GROUP and/or any subcontractor agree to notify CLIENT as soon as possible if unanticipated known or suspected hazardous substances or pollutants are encountered. CLIENT encourages FARNSWORTH GROUP and/or any subcontractor to take any and all measures that in FARNSWORTH GROUP's and/or any subcontractor's professional opinion are justified to preserve and protect the health and safety of FARNSWORTH GROUP's and/or any subcontractor's personnel and the public, and/or the environment, and CLIENT agrees to compensate FARNSWORTH GROUP and/or any subcontractor for the additional cost of such measures. In addition, CLIENT waives any claim against FARNSWORTH GROUP and/or any subcontractor, and agrees to indemnify and hold FARNSWORTH GROUP and/or any subcontractor harmless from any claim or liability for injury or loss arising from the presence of unanticipated known or suspected hazardous substances or pollutants. CLIENT also agrees to compensate FARNSWORTH GROUP and/or any subcontractor for any time

spent and expenses incurred by FARNSWORTH GROUP and/or any subcontractor in defense of any such claim, with such compensation to be based upon FARNSWORTH GROUP's and/or any subcontractor's prevailing fee schedule and expense reimbursement policy. Further, CLIENT recognizes that FARNSWORTH GROUP and/or any subcontractor has neither responsibility nor liability for the removal, handling, transportation, or disposal of asbestos containing materials, nor will FARNSWORTH GROUP and/or any subcontractor act as one who owns or operates an asbestos demolition or renovation activity, as defined in regulations under the Clean Air Act.

Job Site: CLIENT agrees that services performed by FARNSWORTH GROUP and/or any subcontractor during construction will be limited to providing assistance in quality control and to deal with questions by the CLIENT's representative concerning conformance with the Contract Documents. This activity is not to be interpreted as an inspection service, a construction supervision service, or guaranteeing the Construction Contractor's or Construction Subcontractor's performance. FARNSWORTH GROUP and/or any subcontractor will not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs. FARNSWORTH GROUP and/or any subcontractor will not be responsible for Construction Contractor's or Construction Subcontractor's obligation to carry out the work according to the Contract Documents. FARNSWORTH GROUP and/or any subcontractor will not be considered an agent of the owner and will not have authority to direct Construction Contractor's or Construction Subcontractor's work or to stop work.

Shop Drawing Review: CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor shall review shop drawings and/or submittals solely for their general conformance with FARNSWORTH GROUP's and/or any subcontractor's design concept and general conformance with information given in the Contract Documents. FARNSWORTH GROUP and/or any subcontractor shall not be responsible for any aspects of a shop drawing and/or submittal that affect or are affected by the means, methods, techniques, sequences, and procedures of construction, safety precautions and programs incidental thereto, all of which are the Construction Contractor's or Construction Subcontractor's responsibility. The Construction Contractor or Construction Subcontractor will be responsible for dimensions, lengths, elevations and quantities, which are to be confirmed and correlated at the jobsite, and for coordination of the work with that of all other trades. CLIENT warrants that the Construction Contractor and Construction Subcontractor shall be made aware of the responsibility to review shop drawings and/or submittals and approve them in these respects before submitting them to FARNSWORTH GROUP and/or any subcontractor.

Authority and Responsibility: CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor shall not guarantee the work of any Construction Contractor or Construction Subcontractor, shall have no authority to stop work, shall have no supervision or control as to the work or persons doing the work, shall not have charge of the work, shall not be responsible for safety in, on, or about the job site, or have any control of the safety or adequacy of any equipment, building component, scaffolding, supports, forms, or other work aids.

LEED Certification: CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor shall not guarantee the LEED certification of any facility for which FARNSWORTH GROUP and/or any subcontractor provides commissioning, LEED consulting or energy modeling services. LEED certification and the number of points awarded are solely the responsibility of the U.S. Green Building Council and Green Building Certification Institute.

Energy Models: The techniques and specific requirements for energy models used to meet LEED criteria have limitations that result in energy usage predictions that may differ from actual energy usage. FARNSWORTH GROUP and/or any subcontractor will endeavor to model energy usage very closely to actual usage, but CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor will not be responsible or liable in any way for inaccurate budgets for energy use developed from the predictions of LEED-compliant energy models. The number of LEED points awarded for energy efficiency are solely the responsibility of the U.S. Green Building Council and Green Building Certification Institute.

Environmental Site Assessments: No Environmental Site Assessment can wholly eliminate uncertainty regarding the potential for Recognized Environmental

Conditions in connection with a Subject Property. Performance of an Environmental Site Assessment is intended to reduce, but not eliminate, uncertainty regarding potential for Recognized Environmental Conditions in connection with a Subject Property. In order to conduct the Environmental Site Assessment, information will be obtained and reviewed from outside sources, potentially including, but not limited to, interview questionnaires, database searches, and historical records. Farnsworth Group, Inc. (Farnsworth Group) cannot be responsible for the quality, accuracy, and content of information from these sources. Any non-scope items provided in the Phase I Environmental Site Assessment report are provided at the discretion of the environmental professional for the benefit of the client. Inclusion of any non-scope finding(s) does not imply a review of any other non-scope items with the Environmental Site Assessment investigation or report. The Environmental Site Assessment report is prepared for the sole and exclusive use of the client. Nothing under the Agreement between Farnsworth Group and their client shall be construed to give any rights or benefits to anyone outside the client's use and that of Farnsworth Group. All duties and responsibilities undertaken pursuant to the Agreement will be for the sole and exclusive benefit of the client and Farnsworth Group. In particular, Farnsworth Group does not intend, without its written consent, for this report to be disseminated to anyone beside the client, or to be used or relied upon by anyone beside the client. Use of the report by any other person or entity is unauthorized and such use is at their sole risk.

MEMORANDUM

TO: Mayor and Aldermen of the City of Lincoln

FROM: Bob Mahrt, Interim City Administrator

MEETING

DATE: November 28, 2017

RE: Discussion on Professional Services Agreement for Miscellaneous Engineering Services (Farnsworth).

Background: City Staff periodically requires consulting engineering services for preparation of legal descriptions, review of plats/site plans, review of storm water plans/calculations, surveying, and minor infrastructure design.

It should be understood that the Master Services Agreement for Engineering Services has lapsed and City Staff does still need access to consulting engineers. The Farnsworth Group had been requested to submit a Professional Services Agreement for Miscellaneous Services to assist City Staff on minor projects. (A copy of the Professional Services Agreement is attached for City Council review).

Fiscal Impact: The Professional Services Agreement for Miscellaneous Services has a not to exceed cost of \$10,000.

Committee of the Whole Recommendation: Place the Professional Services Agreement from Farnsworth Group for Miscellaneous Services on the City Council Regular Agenda for December 4, 2017.

City Council Recommendation: Approve the Professional Services Agreement from Farnsworth Group for Miscellaneous Services.

Client: City of Lincoln

Project: Miscellaneous Services

Reference Conditions: Farnsworth Group, Inc. will hereinafter be referred to as FARNSWORTH GROUP, the above referenced Client will be referred to as CLIENT, and the above referenced Project will hereinafter be referred to either as PROJECT or by abbreviation as above set forth. FARNSWORTH GROUP is defined as including Farnsworth Group, Inc. and its subsidiaries, affiliates, contractors, subcontractors and agents, including their respective officers, directors, employees, successors and assigns.

Entire Agreement: This Agreement is the entire Agreement between CLIENT and FARNSWORTH GROUP. It supersedes all prior communications, understandings and agreements, whether written or oral. Both parties have participated fully in the preparation and revision of this Agreement, and each party and its counsel have reviewed the final document. Any rule of contract construction regarding ambiguities being construed against the drafting party shall not apply in the interpreting of the Agreement, including any Section Headings or Captions. Amendments to this Agreement must be in writing and signed by both CLIENT and FARNSWORTH GROUP.

Modification to the Agreement: CLIENT or FARNSWORTH GROUP may, from time to time, request modifications or changes in the scope of services to be performed hereunder. Such changes, including any increase or decrease in the amount of FARNSWORTH GROUP's compensation, to which CLIENT and FARNSWORTH GROUP mutually agree shall be incorporated in this Agreement by a written amendment to the Agreement.

Severability: If any term or provision of this Agreement is held to be invalid or unenforceable under any applicable statute or rule of law, such holding shall be applied only to the provision so held, and the remainder of this Agreement shall remain in full force and effect.

Waiver: No waiver by either party of any breach, default, or violation of any term, warranty, representation, agreement, covenant, condition, or provision hereof shall constitute a waiver of any subsequent breach, default, or violation of the same or any other term, warranty, representation, agreement, covenant, condition, or provision hereof. All waivers must be in writing.

Survival: Notwithstanding completion or termination of the Agreement for any reason, all rights, duties, obligations of the parties to this Agreement shall survive such completion or termination and remain in full force and effect until fulfilled.

Governing Law: This Agreement shall be governed by and interpreted pursuant to the laws of the State of Illinois.

Compliance with Law: In the performance of services to be provided hereunder, FARNSWORTH GROUP and CLIENT agree to comply with applicable federal, state, and local laws and ordinances and lawful order, rules, and regulations of any constituted authority.

Force Majeure: Obligations of either party under this Agreement shall be suspended, and such party shall not be liable for damages or other remedies while such party is prevented from complying herewith, in whole or in part, due to contingencies beyond its reasonable control, including, but not limited to strikes, riots, war, fire, acts of God, injunction, compliance with any law, regulation, or order, whether valid or invalid, of the United States of America or any other governmental body or any instrumentality thereof, whether now existing or

hereafter created, inability to secure materials or obtain necessary permits, provided, however, the party so prevented from complying with its obligations hereunder shall promptly notify the other party thereof.

Standard of Care: Services performed by FARNSWORTH GROUP under this Agreement will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing under similar conditions. No other representation expressed or implied, and no warranty or guarantee is included or intended in this Agreement, or in any report, opinion, document or otherwise.

Statutes of Repose and Limitation: All legal causes of action between the parties to this Agreement shall accrue and any applicable statutes of repose or limitation shall begin to run not later than the date of Substantial Completion. If the act or failure to act complained of occurs after the date of Substantial Completion, then the date of final completion shall be used, but in no event shall any statute of repose or limitation begin to run any later than the date FARNSWORTH GROUP's services are completed or terminated.

Assignment: Neither party to this Agreement shall transfer or assign any rights under or interest in this Agreement, including but not limited to monies that are due or monies that may become due, without the written consent of the other party.

Precedence: These General Conditions shall take precedence over any inconsistent or contradictory provisions contained in any proposal, contract, purchase order, requisition, notice to proceed, or like document regarding FARNSWORTH GROUP's services.

Dispute Resolution: In an effort to resolve any conflicts that arise during the performance of professional services for PROJECT or following completion of PROJECT, CLIENT and FARNSWORTH GROUP agree that all disputes between them arising out of or relating to the Agreement or PROJECT shall first be negotiated between senior officers of CLIENT and FARNSWORTH GROUP for up to 30 days before being submitted to mediation. In the event negotiation and mediation are not successful, either CLIENT or FARNSWORTH GROUP may seek a resolution in any state or federal court that has the required jurisdiction within 180 days of the conclusion of mediation.

Timeliness of Performance: FARNSWORTH GROUP will begin work under this Agreement upon receipt of a fully executed copy of this Agreement. CLIENT and FARNSWORTH GROUP are aware that many factors outside FARNSWORTH GROUP's control may affect FARNSWORTH GROUP's ability to complete the services to be provided under this Agreement. FARNSWORTH GROUP will perform these services with reasonable diligence and expediency consistent with sound professional practices.

Suspension: CLIENT or FARNSWORTH GROUP may suspend all or a portion of the work under this Agreement by notifying the other party in writing if unforeseen circumstances beyond control of CLIENT or FARNSWORTH GROUP make normal progress of the work impossible. FARNSWORTH GROUP may suspend work in the event CLIENT does not pay invoices when due, and FARNSWORTH GROUP shall have no liability whatsoever to CLIENT, and CLIENT agrees to make no claim for any delay or damage as a result of such suspension. The time for completion of the work shall be extended by the

number of days work is suspended. If the period of suspension exceeds 90 days, FARNSWORTH GROUP shall be entitled to an equitable adjustment in compensation for start-up, accounting and management expenses.

Termination: This Agreement may be terminated for cause by either party upon written notice. Any termination shall only be for good cause such as legal, unavailability of adequate financing or major changes in the scope of services. In the event of any termination, FARNSWORTH GROUP will be paid for all services and expenses rendered to the date of termination on a basis of payroll cost times a multiplier of 3.0 (if not previously provided for) plus reimbursable expenses, plus reasonable termination expenses, including the cost of completing analyses, records, and reports necessary to document job status at the time of termination.

Consequential Damages: Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither CLIENT nor FARNSWORTH GROUP, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for incidental, indirect, or consequential damages arising out of or connected in any way to PROJECT or the Agreement. This mutual waiver of consequential damages shall include, but not be limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation and any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict and implied warranty. Both CLIENT and FARNSWORTH GROUP shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in PROJECT.

Personal Liability: It is intended by the parties to this Agreement that FARNSWORTH GROUP's services in connection with the Project shall not subject FARNSWORTH GROUP's individual employees, officers or directors to any personal legal exposure for the risks associated with this Project. Therefore, and notwithstanding anything to the contrary contained herein, CLIENT agrees that as CLIENT's sole and exclusive remedy, any claim, demand, or suit shall be directed and/or asserted only against FARNSWORTH GROUP, an Illinois corporation, and not against any of FARNSWORTH GROUP's individual employees, officers or directors.

Confidentiality: Each party shall retain as confidential all information and data furnished to it by the other party which are designated in writing by such other party as confidential at the time of transmission and are obtained or acquired by the receiving party in connection with this Agreement, and said party shall not reveal such information to any third party. However, nothing herein is meant to preclude either disclosing and/or otherwise using confidential information (i) when the confidential information is actually known to the receiving party before being obtained or derived from the transmitting party; or (ii) when confidential information is generally available to the public without the receiving party's fault at any time before or after it is acquired from the transmitting party; or (iii) where the confidential information is obtained or acquired in good faith at any time by the receiving party from a third party who has the same in good faith and who is not under any obligation to the transmitting party in respect thereof; or (iv) is required by law or court order to be disclosed.

Reuse of Documents: All documents including reports, drawings, specifications, and electronic media furnished by FARNSWORTH GROUP and/or any subcontractor pursuant to this Agreement are instruments of its services. They are not intended or represented to be suitable for reuse by CLIENT or others on extensions of this project or on any other project. Any reuse without specific written verification or adaptation by FARNSWORTH GROUP will be at CLIENT's sole risk, and without liability to FARNSWORTH GROUP, and CLIENT shall indemnify and hold harmless FARNSWORTH GROUP and/or any subcontractor from all claims, damages, losses and expenses including court costs and attorney's fees arising out of or resulting therefrom. Any such verification or adaptation will entitle FARNSWORTH GROUP to further compensation at rates to be agreed upon by CLIENT and FARNSWORTH GROUP.

Subcontracting: FARNSWORTH GROUP shall have the right to subcontract any part of the services and duties hereunder without the consent of CLIENT.

Third Party Beneficiaries: Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either CLIENT or FARNSWORTH GROUP. FARNSWORTH GROUP's services under this

Agreement are being performed solely for CLIENT's benefit, and no other party or entity shall have any claim against FARNSWORTH GROUP because of this Agreement; or the performance or nonperformance of services hereunder; or reliance upon any report or document prepared hereunder. Neither FARNSWORTH GROUP nor CLIENT shall have any obligation to indemnify each other from third party claims. CLIENT and FARNSWORTH GROUP agree to require a similar provision in all contracts with Construction Contractors, Construction Subcontractors, vendors, and other entities involved in PROJECT to carry out the intent of this provision.

Insurance and Limitation: FARNSWORTH GROUP is covered by commercial general liability insurance, automobile liability insurance and workers compensation insurance with limits which FARNSWORTH GROUP considers reasonable. Certificates of all insurance shall be provided to CLIENT upon request in writing. Within the limits and conditions of such insurance, FARNSWORTH GROUP agrees to indemnify and hold CLIENT harmless from any loss, damage or liability arising directly from any negligent act by FARNSWORTH GROUP. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability beyond the amounts, limits and conditions of such insurance. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability arising from any act by CLIENT, its agents, staff, other consultants, independent contractors, third parties or others working on PROJECT over which FARNSWORTH GROUP has no supervision or control. Notwithstanding the foregoing agreement to indemnify and hold harmless, the parties agree that FARNSWORTH GROUP has no duty to defend CLIENT from and against any claims, causes of action or proceedings of any kind.

Professional Liability Insurance and Limitation: FARNSWORTH GROUP is covered by professional liability insurance for its professional acts, errors and omissions, with limits which FARNSWORTH GROUP considers reasonable. Certificates of insurance shall be provided to CLIENT upon request in writing. Within the limits and conditions of such insurance, FARNSWORTH GROUP agrees to indemnify and hold CLIENT harmless from loss, damage or liability arising from professional acts by FARNSWORTH GROUP and errors or omissions that exceed the industry standard of care for the services provided. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability beyond the amounts, limits and conditions of such insurance. FARNSWORTH GROUP shall not be responsible for any loss, damage or liability arising from any act, error or omission by CLIENT, its agents, staff, other consultants, independent contractors, third parties or others working on PROJECT over which FARNSWORTH GROUP has no supervision or control. Notwithstanding the foregoing agreement to indemnify and hold harmless, the parties agree that FARNSWORTH GROUP has no duty to defend CLIENT from and against any claims, causes of action or proceedings of any kind.

Additional Limitation: In recognition of the relative risks and benefits of PROJECT to both CLIENT and FARNSWORTH GROUP, the risks have been allocated such that CLIENT agrees that for the compensation herein provided FARNSWORTH GROUP cannot expose itself to damages disproportionate to the nature and scope of FARNSWORTH GROUP's services or the compensation payable to it hereunder. Therefore, to the maximum extent permitted by law, CLIENT agrees that the liability of FARNSWORTH GROUP to CLIENT for any and all causes of action, including, without limitation, contribution, asserted by CLIENT and arising out of or related to the negligent acts, errors or omissions of FARNSWORTH GROUP in performing professional services shall be limited to fifty thousand dollars (\$50,000) or the total fees paid to FARNSWORTH GROUP by CLIENT under this Agreement, whichever is greater ("Limitation"). CLIENT hereby waives and releases (i) all present and future claims against FARNSWORTH GROUP, other than those described in the previous sentence, and (ii) any liability of FARNSWORTH GROUP in excess of the Limitation. In consideration of the promises contained herein and for other separate, valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CLIENT acknowledges and agrees that (i) but for the Limitation, FARNSWORTH GROUP would not have performed the services, (ii) it has had the opportunity to negotiate the terms of the Limitation as part of an "arms-length" transaction, (iii) the Limitation amount may differ from the amount of Professional liability insurance required of FARNSWORTH GROUP under this Agreement, (iv) the

Limitation is merely a Limitation of, and not an exculpation from, FARNSWORTH GROUP's liability and does not in any way obligate CLIENT to defend, indemnify or hold harmless FARNSWORTH GROUP, (v) the Limitation is an agreed remedy, and (vi) the Limitation amount is neither nominal nor a disincentive to FARNSWORTH GROUP performing the services in accordance with the Standard of Care.

Fee Schedule: Where lump sum fees have been agreed to between the parties, they shall be so designated in the Agreement attached hereto and by reference made a part hereof. Where fees are based upon hourly charges for services and costs incurred by FARNSWORTH GROUP, they shall be based upon the hourly fee schedule annually adopted by FARNSWORTH GROUP, as more fully set forth in a Schedule of Charges attached hereto and by reference made a part hereof. Such fees in the initial year of this Agreement shall be those represented by said Schedule of Charges, and these fees will annually change at the beginning of each calendar year after the date of this Agreement.

Invoices: Charges for services will be billed at least as frequently as monthly, and at the completion of PROJECT. CLIENT shall compensate FARNSWORTH GROUP for any sales or value added taxes which apply to the services rendered under this Agreement or any amendment thereto. CLIENT shall reimburse FARNSWORTH GROUP for the amount of such taxes in addition to the compensation due for services. Payment of invoices shall not be subject to any discounts or set-offs by CLIENT unless agreed to in writing by FARNSWORTH GROUP. Invoices are delinquent if payment has not been received within 30 days from date of invoice. There will be an additional charge of 1 1/4 percent per month compounded on amounts outstanding more than 30 days. All time spent and expenses incurred (including attorney's fees) in connection with collection of any delinquent amount will be paid by CLIENT to FARNSWORTH GROUP per FARNSWORTH GROUP's then current Schedule of Charges.

Opinions of Cost: Since FARNSWORTH GROUP has no control over the cost of labor, materials or equipment, or over a contractor's method of determining prices, or over competitive bidding or market conditions, FARNSWORTH GROUP's opinions of probable project cost or construction cost for PROJECT will be based solely upon its own experience with construction, but FARNSWORTH GROUP cannot and does not guarantee that proposals, bids, or the construction cost will not vary from its opinions of probable cost. If CLIENT wishes greater assurance as to the construction cost, CLIENT should employ an independent cost estimator.

Contingency Fund: CLIENT and FARNSWORTH GROUP acknowledge that changes may be required during construction because of possible ambiguities, inconsistencies, errors or omissions in the Contract Documents and, therefore, that the costs of the project may exceed the construction contract sum. CLIENT agrees to set aside a reserve in the amount of Five Percent (5%) of the actual project construction costs as a contingency reserve to be used, as required, to pay for any such increased project costs. CLIENT further agrees to make no claim by way of direct or third party action against FARNSWORTH GROUP or subcontractors and subconsultants with respect to any payments within the limit of the contingency reserve made to the construction contractors because of such changes or because of any claims made by the construction contractors relating to such changes.

Subpoenas: CLIENT is responsible, after notification, for payment of time charges and expenses resulting from the required response by FARNSWORTH GROUP and/or any subcontractor to subpoenas issued by any party other than FARNSWORTH GROUP and/or any subcontractor in conjunction with the services performed under this Agreement. Charges are based on fee schedules in effect at the time the subpoena is served.

Right of Entry: CLIENT shall provide for FARNSWORTH GROUP's and/or any subcontractor's right to enter property owned by CLIENT and/or others in order for FARNSWORTH GROUP and/or any subcontractor to fulfill the scope of services for this Project. CLIENT understands that use of exploration equipment may unavoidably cause some damage, the correction of which is not part of this Agreement.

Utilities: CLIENT shall be responsible for designating the location of all utility lines and subterranean structures within the property line of PROJECT. CLIENT

agrees to waive any claim against FARNSWORTH GROUP and/or any subcontractor, and to indemnify and hold harmless from any claim or liability for injury or loss arising from FARNSWORTH GROUP and/or any subcontractor or other persons encountering utilities or other man-made objects that were not called to FARNSWORTH GROUP's attention or which were not properly located on documents furnished to FARNSWORTH GROUP. CLIENT further agrees to compensate FARNSWORTH GROUP and/or any subcontractor for any time spent or expenses incurred by FARNSWORTH GROUP and/or any subcontractor in defense of any such claim, in accordance with FARNSWORTH GROUP's and/or any subcontractor's prevailing fee schedule and expense reimbursement policy.

Aquifer Contamination: Subsurface sampling may result in contamination of certain subsurface areas, as when a probe or boring device moves through a contaminated area, linking it to an aquifer, underground stream, or other hydrous body not previously contaminated and capable of spreading hazardous substances or pollutants off-site. Because subsurface sampling is a necessary aspect of services which FARNSWORTH GROUP and/or any subcontractor may provide on CLIENT's behalf, CLIENT waives any claim against FARNSWORTH GROUP and/or any subcontractor, and agrees to indemnify and hold FARNSWORTH GROUP and/or any subcontractor harmless from any claim or liability for injury or loss which may arise as a result of alleged cross contamination caused by any sampling. CLIENT further agrees to compensate FARNSWORTH GROUP and/or any subcontractor for any time spent or expenses incurred by FARNSWORTH GROUP and/or any subcontractor in defense of any such claim, in accordance with FARNSWORTH GROUP's and/or any subcontractor's prevailing fee schedule and expense reimbursement policy.

Samples: All samples of any type (soil, rock, water, manufactured materials, biological, etc.) will be discarded sixty (60) days after submittal of project deliverables. Upon CLIENT's authorization, samples will be either delivered in accordance with CLIENT's instructions or stored for an agreed charge.

Recognition of Risk: CLIENT acknowledges and accepts the risk that: (1) data on site conditions such as geological, geotechnical, ground water and other substances and materials, can vary from those encountered at the times and locations where such data were obtained, and that this limitation on the available data can cause uncertainty with respect to the interpretation of conditions at CLIENT's site; and (2) although necessary to perform the Agreement, commonly used exploration methods (e.g., drilling, borings or trench excavating) involve an inherent risk of contamination of previously uncontaminated soils and waters. FARNSWORTH GROUP's and/or any subcontractor's application of its present judgment will be subject to factors outlined in (1) and (2) above.

Discovery of Unanticipated Hazardous Substances or Pollutants: Hazardous substances are those so defined by prevailing Federal, State, or Local laws. Pollutants mean any solid, liquid, gaseous, or thermal irritant or contaminant including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Hazardous substances or pollutants may exist at a site where they would not reasonably be expected to be present. CLIENT and FARNSWORTH GROUP and/or any subcontractor agree that the discovery of unanticipated hazardous substances or pollutants constitutes a "changed condition" mandating a renegotiation of the scope of services or termination of services. CLIENT and FARNSWORTH GROUP and/or any subcontractor also agree that the discovery of unanticipated hazardous substances or pollutants will make it necessary for FARNSWORTH GROUP and/or any subcontractor to take immediate measures to protect human health and safety, and/or the environment. FARNSWORTH GROUP and/or any subcontractor agree to notify CLIENT as soon as possible if unanticipated known or suspected hazardous substances or pollutants are encountered. CLIENT encourages FARNSWORTH GROUP and/or any subcontractor to take any and all measures that in FARNSWORTH GROUP's and/or any subcontractor's professional opinion are justified to preserve and protect the health and safety of FARNSWORTH GROUP's and/or any subcontractor's personnel and the public, and/or the environment, and CLIENT agrees to compensate FARNSWORTH GROUP and/or any subcontractor for the additional cost of such measures. In addition, CLIENT waives any claim against FARNSWORTH GROUP and/or any subcontractor, and agrees to indemnify and hold FARNSWORTH GROUP and/or any subcontractor harmless from any claim or liability for injury or loss arising from the presence of unanticipated known or suspected hazardous substances or pollutants. CLIENT also agrees to compensate FARNSWORTH GROUP and/or any subcontractor for any time

spent and expenses incurred by FARNSWORTH GROUP and/or any subcontractor in defense of any such claim, with such compensation to be based upon FARNSWORTH GROUP's and/or any subcontractor's prevailing fee schedule and expense reimbursement policy. Further, CLIENT recognizes that FARNSWORTH GROUP and/or any subcontractor has neither responsibility nor liability for the removal, handling, transportation, or disposal of asbestos containing materials, nor will FARNSWORTH GROUP and/or any subcontractor act as one who owns or operates an asbestos demolition or renovation activity, as defined in regulations under the Clean Air Act.

Job Site: CLIENT agrees that services performed by FARNSWORTH GROUP and/or any subcontractor during construction will be limited to providing assistance in quality control and to deal with questions by the CLIENT's representative concerning conformance with the Contract Documents. This activity is not to be interpreted as an inspection service, a construction supervision service, or guaranteeing the Construction Contractor's or Construction Subcontractor's performance. FARNSWORTH GROUP and/or any subcontractor will not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs. FARNSWORTH GROUP and/or any subcontractor will not be responsible for Construction Contractor's or Construction Subcontractor's obligation to carry out the work according to the Contract Documents. FARNSWORTH GROUP and/or any subcontractor will not be considered an agent of the owner and will not have authority to direct Construction Contractor's or Construction Subcontractor's work or to stop work.

Shop Drawing Review: CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor shall review shop drawings and/or submittals solely for their general conformance with FARNSWORTH GROUP's and/or any subcontractor's design concept and general conformance with information given in the Contract Documents. FARNSWORTH GROUP and/or any subcontractor shall not be responsible for any aspects of a shop drawing and/or submittal that affect or are affected by the means, methods, techniques, sequences, and procedures of construction, safety precautions and programs incidental thereto, all of which are the Construction Contractor's or Construction Subcontractor's responsibility. The Construction Contractor or Construction Subcontractor will be responsible for dimensions, lengths, elevations and quantities, which are to be confirmed and correlated at the jobsite, and for coordination of the work with that of all other trades. CLIENT warrants that the Construction Contractor and Construction Subcontractor shall be made aware of the responsibility to review shop drawings and/or submittals and approve them in these respects before submitting them to FARNSWORTH GROUP and/or any subcontractor.

Authority and Responsibility: CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor shall not guarantee the work of any Construction Contractor or Construction Subcontractor, shall have no authority to stop work, shall have no supervision or control as to the work or persons doing the work, shall not have charge of the work, shall not be responsible for safety in, on, or about the job site, or have any control of the safety or adequacy of any equipment, building component, scaffolding, supports, forms, or other work aids.

LEED Certification: CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor shall not guarantee the LEED certification of any facility for which FARNSWORTH GROUP and/or any subcontractor provides commissioning, LEED consulting or energy modeling services. LEED certification and the number of points awarded are solely the responsibility of the U.S. Green Building Council and Green Building Certification Institute.

Energy Models: The techniques and specific requirements for energy models used to meet LEED criteria have limitations that result in energy usage predictions that may differ from actual energy usage. FARNSWORTH GROUP and/or any subcontractor will endeavor to model energy usage very closely to actual usage, but CLIENT agrees that FARNSWORTH GROUP and/or any subcontractor will not be responsible or liable in any way for inaccurate budgets for energy use developed from the predictions of LEED-compliant energy models. The number of LEED points awarded for energy efficiency are solely the responsibility of the U.S. Green Building Council and Green Building Certification Institute.

Environmental Site Assessments: No Environmental Site Assessment can wholly eliminate uncertainty regarding the potential for Recognized Environmental

Conditions in connection with a Subject Property. Performance of an Environmental Site Assessment is intended to reduce, but not eliminate, uncertainty regarding potential for Recognized Environmental Conditions in connection with a Subject Property. In order to conduct the Environmental Site Assessment, information will be obtained and reviewed from outside sources, potentially including, but not limited to, interview questionnaires, database searches, and historical records. Farnsworth Group, Inc. (Farnsworth Group) cannot be responsible for the quality, accuracy, and content of information from these sources. Any non-scope items provided in the Phase I Environmental Site Assessment report are provided at the discretion of the environmental professional for the benefit of the client. Inclusion of any non-scope finding(s) does not imply a review of any other non-scope items with the Environmental Site Assessment investigation or report. The Environmental Site Assessment report is prepared for the sole and exclusive use of the client. Nothing under the Agreement between Farnsworth Group and their client shall be construed to give any rights or benefits to anyone outside the client's use and that of Farnsworth Group. All duties and responsibilities undertaken pursuant to the Agreement will be for the sole and exclusive benefit of the client and Farnsworth Group. In particular, Farnsworth Group does not intend, without its written consent, for this report to be disseminated to anyone beside the client, or to be used or relied upon by anyone beside the client. Use of the report by any other person or entity is unauthorized and such use is at their sole risk.

FROM: Bob Mahrt, Interim City Administrator

MEETING

DATE: November 28, 2017

RE: Discussion on Settlement Agreement regarding Kevin Logan v. City of Lincoln.

Background:

The City is in receipt of a Settlement Agreement regarding the case of Kevin Logan v. City of Lincoln before the U.S District Court for the Central District of Illinois for a disability claim made by a former employee under the Americans with Disabilities Act upon termination of employment on April 14, 2014. Following a settlement conference before the Court on September 12, 2017 and subsequent discussions, the parties agreed to the terms outlined in the attached Settlement Agreement.

Fiscal Impact: A significant portion of the settlement amount is to be covered by the City's Employment Practices Liability Policy. This policy provides limits of liability of \$1MM for each occurrence and a \$1MM annual aggregate limit with a \$5,000 each wrongful act deductible. In addition, the policy contains a separate "Back Wages" Limit of Liability of \$50,000 with a separate \$10,000 "Back Wages" deductible.

The total settlement amount is \$92,500. The City will be contributing \$20,000 towards the settlement amount which consists of the \$10,000 "Back Wages" deductible and an additional contribution of \$10,000 towards the Settlement Agreement.

Committee of the Whole Recommendation: Place the Settlement Agreement on the City Council Consent Agenda for December 4, 2017.

City Council Recommendation: Approve the Settlement Agreement and authorize the Mayor to execute the document.

RELEASE

This Release ("Agreement") made and entered into this _____ day of _____, 2017, by and between the **CITY OF LINCOLN, ILLINOIS** ("the City"), and **KEVIN LOGAN** ("Logan"), collectively referred to as the "Parties."

WITNESSETH:

WHEREAS, Logan has asserted certain claims against the City based upon and arising out of his former employment with the City, for which he has brought an action denominated as *Kevin Logan v. City of Lincoln, Illinois*, Case No. 15 CV 3325, currently pending in the United States District Court for the Central District of Illinois, Springfield Division (the "Action"); and

WHEREAS, the City has denied, defended and disputed the allegations and claims contained in the Action; and

WHEREAS, the Parties desire to settle and resolve the Action and all other disputes and claims which have been or could have been asserted between them and to resolve all matters arising out of Logan's employment-related claims against the City, except two workers' compensation claims currently pending in the Illinois Workers' Compensation Commission, identified as 13 WC 042019 and 14 WC 014797; and

WHEREAS, Logan, after careful consideration and of his own volition, and the City have determined to resolve their disputes upon the terms and conditions set forth in this Agreement; and

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement and other good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

1. **Payments.** In consideration for Logan's withdrawal of the Action, and the release of claims as provided in this Agreement, the City will pay to Logan the total gross sum of Ninety-Two Thousand Five Hundred Dollars (\$92,500.00). Logan expressly acknowledges that the payment of this sum, in addition to representing payment for injuries sustained by him and is also in full payment for all claims which Logan or his attorneys may have for costs or attorneys' fees, including, but not limited to, fees under 42 U.S.C. 1988. The parties contemplate that \$35,000 of the settlement proceeds shall be apportioned for the payment of attorney fees.

Payment shall be made on an IRS Form 1099. Logan shall also be solely liable for any and all tax liabilities that may arise in connection with any payments and/or benefits provided to him pursuant to this Agreement. Logan acknowledges that neither the Trident Insurance nor the City make any representations or warranties regarding whether and to what extent any of the settlement proceeds may be deemed taxable income and thereby subject to income tax withholding, either state or federal, or other withholdings, including, but not limited to Social Security, Medicare, unemployment compensation, FUTA or FICA. Should Logan fail to fully and properly satisfy any and all or his share of any pension, tax, or other liabilities

which may arise from any determination that the settlement amount was subject to withholdings, he shall hold harmless and indemnify the City and its insurer against any and all claims, damages, and costs, including attorneys' fees, that the City might incur as a result of the settlement and the settlement proceeds.

2. **Withdrawal of the Action.** In exchange for the receipt of the payment provided him pursuant to the terms of this Agreement, Logan agrees to dismiss the aforementioned Action and file a stipulation of dismissal with prejudice.

3. **Release of Claims and Covenant Not to Sue.** In consideration of the promises and payments contained herein, Logan and his heirs, agents, representatives, successors, executors and assigns, and each and every one of them, hereby release and forever discharge, and hold harmless the City and their members, officers, agents, representatives, administrators, employees, insurers, successors and assigns, and each and every one of them, from any and all matters, claims, complaints, charges, demands, causes of action, debts, dues, liabilities, controversies, obligations, fees (including, but not limited to, attorneys' fees), judgments, and suits of every kind and nature whatsoever, as of the date of this Agreement, both in court or with an administrative body, which Logan may now have or claim to have or which may hereinafter accrue, whether known or unknown, anticipated or unanticipated, against the City and its officers, agents, representatives, administrators, employees, insurers, successors and assigns, and each and every one of them, by reason of any act done or omitted to be done connected with the past or present relationship between the parties arising out of Logan's employment with or termination from the City, except for two workers' compensation claims currently pending in the Illinois Workers' Compensation Commission, identified as 13 WC 042019 and 14 WC 014797.

This release specifically includes, but is not limited to, rights or claims before a court or administrative body which Logan may have relating to his employment with the City arising under the *Age Discrimination in Employment Act of 1967*, 29 U.S.C. Sec. 621 *et seq.* as amended, the *Americans with Disabilities Act of 1990*, 42 U.S.C. Sec. 12101 *et seq.* as amended, *Section 504 of the Rehabilitation Act of 1973*, 29 U.S.C. Sec. 794(a), *Title VII of the Civil Rights Act of 1991*, 42 U.S.C. 2000e *et seq.*, the *Illinois Human Rights Act*, 775 ILCS 5/1 *et seq.*, the *Illinois Wage Payment and Collection Act*, 820 ILCS 115/1 *et seq.*, the Illinois and United States Constitutions, and any other federal, state, or local statute, law, administrative regulation, order, collective bargaining agreement, or City policy.

Further, Logan commits and covenants not to initiate or voluntarily participate in any litigation, administrative proceeding, arbitration, or other similar process against the City, and the City's officers, agents, representatives, administrators, employees, insurers, successors and assigns, related to the past or present relationship between the parties arising out of his employment with the City, except for enforcement of the terms of this Agreement and the aforementioned pending workers' compensation claims. If Logan violates this Agreement by suing the City for any reason for which suit is precluded under this Agreement, Logan agrees that he will pay all costs and expenses incurred by the City in defending such a lawsuit, including reasonable attorneys' fees.

4. **Contractual Capacity.** Logan acknowledges that he has entered into this Agreement voluntarily and knowingly and with the full and complete authority and contractual capacity to do so. Logan affirms that he has had ample opportunity to review the terms of this Agreement and to consult with an attorney prior to executing this document, and he further acknowledges that he has consulted his attorneys with respect to the terms and conditions of this Agreement. Logan also acknowledges that he fully understands this Agreement and the effect of signing and executing the Agreement.
5. **No Additional Benefits.** No promise has been made by either Party to pay the other any other or future consideration except as set forth in this Agreement. Logan shall not be entitled to any additional benefits from the City other than that specifically contained in this Agreement. Logan acknowledges and agrees that the payments and promises made in this Agreement exceed any payment, benefit, or other thing of value which he already is entitled to receive from the City.
6. **Confidentiality Understanding.** Logan and the City agree that the payments, terms, and conditions provided under this Agreement are confidential and shall not be revealed, except as required by any federal or Illinois law, including requests under the Freedom of Information Act (FOIA). The Parties further agree that neither party, nor their attorneys, will initiate or report the facts of this settlement or the Agreement to any news source or news agency and, in the event that a party is contacted by any person or entity regarding the subject matter of the Agreement, the party or the attorneys shall state: "This Action has been resolved and settled to the satisfaction of all Parties and the litigation has been dismissed, with prejudice," or words to that effect.
7. **No Admission.** The Parties agree that nothing in this Agreement or the settlement of this dispute shall be construed as an admission by either of them of any wrongdoing or violation of any applicable law and that nothing in this Agreement shall be so construed by any other person.
8. **Mutual Non-Disparagement.** Logan and the City agree that they are resolving their dispute and that they do not wish to harbor ill will or resentment towards each other. In furtherance of this goal, the parties agree that they will not make any comments that are, or could be interpreted to be, disparaging or derogatory or that paint the other party in a negative light as it relates to incidents that have occurred in the past. Specifically, Logan agrees, among other things, that he will not make any disparaging, derogatory or negative comments about the City's handling of his employment and the incidents that surrounded the termination of his employment. The City agrees that it will not make disparaging comments about Logan's employment with it, his tenure, or his work performance. The City's obligation pursuant to this Section is limited to comments made by members Board of Trustees or City's officials. It is understood that the City is a governmental entity and nothing in this agreement precludes Logan from, in the future, commenting upon matters of municipal governance or otherwise engaging in local political activities. If either party breaches the commitments contained in this Section, that party will be liable to the other for any resulting harm incurred.

9. Lien Satisfaction. Logan agrees to satisfy any lien which may currently be outstanding for legal or medical services rendered to him, any liens arising by virtue of any policy of insurance covering the injuries to Logan, or by virtue of any liens held by any branch of government. Logan further agrees to defend, indemnify, and hold harmless and to pay attorney fees for the Governing Bodies for any claims, actions, causes of action, litigation or otherwise which may be brought by or on behalf of anyone claiming to hold a lien against the proceeds of this settlement.

10. Miscellaneous

- a. Effect of Agreement. This Agreement shall inure to the benefit of and bind the City and its officers, agents, representatives, administrators, employees, insurers, successors and assigns, and each and every one of them, and Logan and his heirs, agents, representatives, successors, executors and assigns, and each and every one of them.
- b. Complete Understanding. This Agreement sets forth all of the promises, agreements, conditions, and understandings between the Parties relative to its subject matter, and no other promises, agreements, or understandings, whether oral or written, expressed or implied, exist among the Parties.
- c. Amendments. No subsequent alteration, amendment, change, addition, deletion, or modification to this Agreement shall be binding upon the Parties unless reduced to writing and duly authorized and signed by each of them.
- d. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.
- e. Execution. This Agreement may be executed in duplicate counterparts, and any Party may sign any counterpart. A set of counterparts bearing the signatures of each Party shall constitute the Agreement as fully as if all of the Parties have signed a single document.

IN WITNESS WHEREOF, the Parties have approved and executed this Agreement in triplicate on the date indicated.

Re: Communications Tower at Police Station

Background

With the Lincoln Police Department currently located at 911 Pekin St, the Department utilizes shared servers for reporting and State computer access with the Logan County Sheriff's Office and Emergency Telephone System Board (ETSB). The current system utilizes 1Gbps network links throughout the Logan County Safety Complex.

With the move to the new police station located at 710 5th St, we would need to have similar connectivity to the Safety Complex to help facilitate the emergency communications and systems access.

Analysis/Discussion

There are four options that could be looked at: 1) utilizing existing fiber optic system located throughout town, 2) building our own fiber optic connection between the buildings, 3) utilizing Comcast 1Gbps connections at both locations, or 4) utilizing a wireless system.

There are pros and cons to each system with the determining factor usually coming down to price. Second major factor would be speed connectivity. The third being security.

There are existing fiber optic systems that run through Lincoln. We could also build our own fiber optic system, which is a long term goal. Both would have to be built out to establish connectivity between the buildings. Fiber optic can easily be cut when other projects require digging. Although rare, the County has experienced these issues with their fiber optic network. An existing system, Metro Communications, would cost \$1200 per month with a \$5000 up front cost, see quote. A ballpark figure for building our own fiber optic system would cost \$100,000 with \$54,340 just to bore conduit, see quote. Long term costs for rental would be high unless we build our own, but the upfront cost would have to be considered. Fiber can provide 1Gbps speed, but could easily be cut either on purpose or by accident. Physical security is low due to junction boxes and access to the fiber.

Comcast has quoted 1Gbps Internet connections at \$654.60 per month per connection so a total of \$1309.20 per month for both connections, see quote. Comcast service is currently used at the Safety Complex for Internet connectivity on a 50Mbps line. We

LINCOLN POLICE DEPARTMENT

CHIEF OF POLICE PAUL ADAMS

DEPUTY CHIEF MATTHEW VLAHOVICH

would use Comcast for our Internet connectivity similar to the Safety Complex and would use this link as backup if another link would fail in any case. Long term costs would be high and physical security would be low due to access by Comcast personnel and Internet connectivity.

The last option would build a 60 foot tower, tall enough to get over the tree canopy, on the northwest corner of the new police department and utilize a 2Gbps connection between the two buildings utilizing the existing tower at the Logan County Safety Complex. Tower, equipment, and labor was quoted by Lincoln Land Communications for \$19,117.80, see quote. The tower option would also allow us to use it for radio or other communications as necessary. The size and use of the tower does not need FCC approval. Upfront costs are low compared to fiber and there would be no long term costs. The system would provide 2Gbps connectivity and security would be high as both endpoint locations are secure facilities.

Laws/Ordinances

According to Lincoln Land Communications the height of the tower does not require FAA approval as it is too short. In regards to local ordinances, the municipal property is located in R-2 zoned area. The tower height allowed is 70' which this tower will not be taller than those restrictions at 60' (4-7-5(A)(2)(b)).

Fiscal Impact

The upfront cost of building our own fiber optic network or utilizing wireless communication equipment could be financed through the loan of the building and there would be no long term costs. Leasing fiber optic or utilizing Comcast would be a monthly charge for the long term.

COW Recommendation

Place on Council Agenda for December 4, 2017: Approve the bid to Lincoln Land Communications in an amount not to exceed \$13,146.00. Approve purchase of AirFiber Gigabit Radio Equipment in an amount not to exceed \$5972.00.

Hello Paul,

Thank you for contacting We-Bore-It about your project. This document contains a good faith quote (estimate/price) based on the information you provided. Please be advised that we are making the following assumptions about your project. If the assumptions listed below are not accurate then the price may need to be adjusted slightly. If that is the case, your project coordinator will consult with you.

Scope of Work: We-Bore-It will provide and/or perform the following:

Directional bore run of 5280 feet (1 mile) under at least one railroad track.

Provide and place 1-2" conduit for fiber installation.

Depth requirement for installation is unknown.

Project to be completed in Lincoln, Illinois.

Project Assumptions: The following assumptions are being made by us regarding the information you have provided about your project. Unless otherwise specified and acknowledged by We-Bore-It, the following will not be provided and are the Customer's responsibility.

1. We are assuming that there are no utilities to be crossed under pavement so therefore no open cut or restoration to the pavement will be required in order to complete this bore.
2. We are assuming that any permit fees or engineering "if needed" will be paid for by the Customer.
3. We are assuming that we will only be installing the pipe and not pulling any wiring and/or cabling.
4. We are assuming that we will not be making any connections to facilities.
5. We are assuming we will be providing the pipe/conduit.
6. We are assuming that you will not be requiring us to provide any special restoration services in the areas where the crew will be working (backfill and tamp existing ground materials is standard).
7. We are assuming that the area being bored or trenched does not contain excessive rock obstructions, concrete obstructions, previous landfill, or solid rock.**
8. We are assuming we will not be responsible for locating or damage that may occur to any private facilities that are not marked or exposed prior to us arriving and or digging. If private utilities are present within our work area please hire the appropriate utility marking companies and have all facilities located and marked prior to our arrival.

9. We assume we will provide a Final Quote, commonly referred to as the Final Quote and Acceptance (FQA) after site survey details have been reviewed and the scope of work verified.
10. We-Bore-It assumes that this quote is not for a union / prevailing wage project.

Your good faith quote: \$54,340.00

** The area is not expected to have any excessive rock, concrete or previous landfill obstructions that would require specialized equipment to cut through. However, if it is determined by We-Bore-It and the Customer that rock cutting is required an additional "addor" will be required to complete the job. Such additional cost as this, is not included in this quoted price presented today and is only being provided so as to ensure complete transparency to the client.

Miscellaneous Notes: GFQ estimate only; final price may change based upon any variance in scope of work including but not limited to footage, pipe material, depth, and/or ground conditions. Price does not include the removal or restoration of any asphalt and/or concrete that may be required in order to safely install the pipe unless otherwise noted in the above Scope of Work.

If you like the quoted price please email me back and we will schedule a site survey and project start date. After the survey you will be provided with a final fixed quote, which will outline all the associated project line items (i.e. labor, equipment, material, etc.) that makes up your quoted price. We look forward to being of service.
