If auxiliary aid or service is required for most effective participation and communication, please notify the City Clerk's office at 217-735-2815 or [cityclerk@lincolnil.gov](mailto:cityclerk@lincolnil.gov) no later than 48 hours prior to the meeting time.

## MEMORANDUM

**TO:** Mayor and Aldermen of the City of Lincoln

**FROM:** Clay T. Johnson, City Administrator 

**MEETING**

**DATE:** November 29, 2016

**RE:** **2017 Liability Insurance Renewal**

---

### Background

Earlier this month, the City was presented with its liability insurance renewal from Arthur J. Gallagher. Prior to receiving the renewal, staff worked hard to update property values and descriptions. The staff also made sure to include any new property, buildings, and equipment into our asset ledger. Additionally, the staff met with a representative of Trident to discuss policy and procedure. With that work, and an improved focus on risk management, I am happy to report that for next year, our liability insurance premiums are down by 2%.

### Analysis/Discussion

What may be the most remarkable about the decrease, other than the simple fact of receiving one, is that we have added significant property to our exposures. This includes the added values of an added police vehicle, the Depot, new Street Facility, and the former Jefferson School. In all, our total insured values increased by \$764,565 (3%) and our payroll amounts increased by \$129,608 (4%) as you can see in your materials. On a national average, liability insurance premiums are increasing by about 4.1% over expiring costs. The largest decreases in our premium came from our worker's compensation (7%) and cyber liability lines (32%).

We have also been informed that the City will receive a \$31,621 Safety Grant from the Illinois Public Risk fund. These dollars are utilized amongst the departments to purchase items which help our risk management each year. Some items purchased with these dollars include safety barriers and barricades for the street department, personal protective equipment for the fire department, and policies and procedure compliance software for the police department.

### Fiscal Impact

For next year, the savings over expiring costs totals \$9,521. Our annual premium for all lines of coverage totals \$409,432. The 2017 budget included a 7% increase beginning January 1 in anticipation of the additional property values. Therefore, the general fund will see additional relief than what was expected moving into next year.

Going forward, we hope to continue this risk management trend. While decreasing premiums cannot be guaranteed, we will work to increase training opportunities for all employees and shore up outstanding human resource procedure in the hopes of mitigating our exposures.

### COW Recommendation

**Place for consideration on the Council's December 5<sup>th</sup> agenda.**

### Council Recommendation

**Authorize the Mayor to execute the liability insurance renewal with Arthur J. Gallagher for 2017 at a 2% premium decrease.**

## MEMORANDUM

**TO:** Mayor and Aldermen of the City of Lincoln

**FROM:** Clay T. Johnson, City Administrator 

**MEETING DATE:** November 29, 2016

**RE:** Lincoln Depot Renovation Project – Change Order #1

---

### Background

As work continues at the Depot, the contractor has ran into obstacles which have required additional work and materials. A complete of the individual changes is included in your materials. In summary, many of the changes came as a result of removal of certain structures. For example, RFP #6 is a request to change the approach due to the masonry window sills, because the design team could not view the internal window sills without removing them, there was only a recommendation on how to proceed. Once removed, the windows needed additional material to safely accommodate the refurbished windows.

### Analysis/Discussion

Prairie Engineers performing the construction observation for the project, have reviewed the proposals and find them in order. They also believe the work to be legitimate and necessary for the project.

### Fiscal Impact

The total amount of the change order is \$32,691.00. This additional amount does not change the City's contribution to the project. These amounts are deducted from the contingency balance included in the intergovernmental agreement with IDOT. There are adequate funds in the contingency balance for the change order.

### COW Recommendation

Place Change Order #1 for the Lincoln Depot Renovation Project on the Council's December 5<sup>th</sup> agenda.

### Council Recommendation

Approve Change Order #1 for the Lincoln Depot Renovation Project in an amount of \$32,691 to R.D. Lawrence Construction Company.

**HSR Lincoln Railroad Station Renovation – Change Order #1**  
**RD Lawrence Construction Co. Ltd.**  
November 23, 2016

**RFP #3:**

Proposal to repair damaged or cut roof rafters, joists, and diagonal support members in various locations throughout the south building. These issues were discovered after removal of the old ceiling. The corrected total for this work is \$4,944.00.

**RFP #4:**

Proposal to place 2x8 and 1x8 treated wood on the sides of the window frames to fill the gap found after removing the original windows. This wood fill-in is necessary for the installation of the new windows. The total for this work is \$2,102.00.

**RFP #5:**

Proposal to remove the existing HVAC duct work from above the ceiling in the north building. This demolition work was not included in the original demolition plans. The removal of the existing HVAC duct work needs to be completed for the installation of the new HVAC duct work. The total for this work is \$1,612.00.

**RFP #6:**

Proposal to provide masonry brick repairs to 22 window sills. These repairs were found to be necessary after the removal of the old windows. The total for this work is \$5,241.00.

**RFP #7:**

Proposal to provide one additional window stone sill to replace a severely eroded stone sill at the southernmost window on the west elevation in the south building. The total for this work is \$1,330.00.

**RFP #8:**

Proposal to remove and replace the deteriorated roof sheathing at various locations found throughout the building. The total for this work is \$1,546.00.

**Bulletin 005:**

Proposal to re-locate the water meter pit. The total for this work is \$1,642.00.

**Bulletin 007:**

Proposal to provide additional thickened slabs and 2x10 wood columns/wall framing to be placed in the main open area of the south building. The thickened slabs and larger wood columns are required to support the roof structure in this area. The total for this work is \$5,078.00.

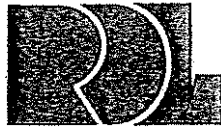

**Bulletin 008:**

Proposal to provide two (2) additional steel columns to be fabricated and added to the north area of the south building between Rooms A and B. These additional columns are required to support an existing steel beam that supports a brick parapet wall going above the roof. The total for this work is \$4,566.00.

**Bulletin 009:**

Proposal to provide additional support to the track side roof structure over the Breezeway. This work is required to remove the existing sagging support beam. The total for this work is \$4,630.00.

Total for Change Order #1: \$32,691.00

**Resolution \_\_\_\_ : Abating the Tax Levied for 2016 to Pay Debt Service on \$5,285,000 in General Obligation Bonds (Alternative Revenue Source)**

---

I am including each of these items together as they both have a similar purpose and similar actions required. The first of the resolutions pertains to the Alternative Revenue Source Bonds sold in the amount of \$2,285,000 for the Lincoln Grand 8 Theater project. The second resolution pertains to \$5,285,000 in Alternative Revenue Bonds sold for sewer plant improvements. These bonds were sold in September and October of 2014, respectively.

Each year, the City must determine that it has the requisite revenue pledged to service the debt on each of these bonds. If, for some reason, the City did not have the revenue to pay down the debt on these bonds, the debt service for that year must be levied on the general property tax assessment.

Because the City does have the revenues necessary to pay down the debt service for these bonds, the City may, by resolution, abate the levying of new property tax to pay for the purposes of paying off that debt. Each of the resolutions presented tonight for your consideration and approval will abate that tax. These will then be filed with the County Clerk.

**COW Recommendation: Place each of these resolutions on the December 5<sup>th</sup> agenda.**

**Council Recommendation: Approve each of the resolutions abating the levying of a tax for debt service for the bond issues referenced above.**

**RESOLUTION**

RESOLUTION ABATING THE TAX HERETOFORE LEVIED FOR  
THE YEAR 2016 TO PAY DEBT SERVICE ON  
\$2,285,000.00 GENERAL OBLIGATION BONDS  
(ALTERNATIVE REVENUE SOURCE) OF THE CITY OF  
LINCOLN, LOGAN COUNTY, ILLINOIS

THIS RESOLUTION is made and adopted by the CITY COUNCIL OF  
THE CITY OF LINCOLN, LOGAN COUNTY, ILLINOIS, WITNESSETH:

WHEREAS, the CITY OF LINCOLN is a municipal corporation lo-  
cated in Logan County, Illinois; and,

WHEREAS, the CITY OF LINCOLN is a non-home rule municipal-  
ity; and,

WHEREAS, the CITY COUNCIL (hereinafter "City Council") for  
the CITY OF LINCOLN, Logan County, Illinois (hereinafter "the City"),  
adopted an Ordinance, (hereinafter "the Ordinance") which did provide  
for the issuance of \$2,285,000.00 general obligation bonds (alterna-  
tive revenue source) (hereinafter "the Bonds"), and the levy of a di-  
rect annual tax sufficient to pay the debt service on the Bonds; and,

WHEREAS, such Bonds were issued in the month of September,  
2014, in the amount of \$2,285,000.00; and,

WHEREAS, the City Council has determined and does hereby  
determine that there are funds available, on hand and irrevocably set  
aside sufficient to provide not less than an amount equal to debt  
service due on the Bonds in the next succeeding year; and,

WHEREAS, such Pledged Revenues are hereby directed to be  
used for the purpose of paying debt service on the Bonds; and,

WHEREAS, the City Council of the CITY OF LINCOLN, LOGAN COUNTY, ILLINOIS, feels that it is necessary and in the best interest of the City that the tax heretofore levied for the year 2015 to pay the Bonds be abated;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the CITY COUNCIL OF THE CITY OF LINCOLN, LOGAN COUNTY, ILLINOIS, as follows:

1. *Abatement of tax.* The tax heretofore levied for the year 2015 in the Resolution is hereby abated in its entirety.

2. *Filing of Resolution.* Forthwith upon the adoption of this Resolution the City Clerk of the CITY OF LINCOLN, upon passage, shall file a certified copy hereof with the County Clerk of Logan County, Illinois, and it shall be the duty of said County Clerk to abate said tax levied for the year 2016 in accordance with the provisions hereof.

3. *Effective Date.* This Resolution shall be in full force and effect forthwith upon its adoption.

4. That the vote on the foregoing Resolution by the City Council was on the \_\_\_\_ day of \_\_\_\_\_, 2016, as follows:

Alderman Parrott	_____	Alderman Bauer	_____
Alderman Tibbs	_____	Alderman Mourning	_____
Alderman Hoinacki	_____	Alderman Welch	_____
Alderman Horn	_____	Alderman Hoefle	_____

Ayes: \_\_\_\_\_

Nays: \_\_\_\_\_

Absent: \_\_\_\_\_

**MEMORANDUM**

**TO:** Mayor and Aldermen of the City of Lincoln  
**FROM:** Clay T. Johnson, City Administrator *C*  
**MEETING**  
**DATE:** November 29, 2016  
**RE:** Ordinance \_\_\_\_: **Jurisdictional Right-of-Way Transfers**

---

**Background**

The City has been approached by the Illinois Department of Transportation regarding portions of land adjacent to City and Union Pacific rights-of-way. These properties are located off of Pulaski and Tremont Streets.

**Analysis/Discussion**

The first requested transfer occurs on the east side of the railroad right-of-way, south of Pulaski Street. IDOT will grant a triangle property to the City of .003 acres and request a temporary construction easement adjacent to this triangle of .004 acres.

The second requested transfer occurs on the east side of the railroad right-of-way, north of Tremont Street. In this location, IDOT will grant a wedge shaped piece of property to the city of .002 acres and request a temporary construction easement running to Chicago Street of .015 acres.

The need for the temporary construction easement is to allow for final stages of work for the High Speed Rail program. Once the work is completed, the ownership of the easements transfers back to the City.

**Fiscal Impact**

None.

**COW Recommendation**

Place the two ordinances granting the jurisdictional transfer on the Council's December 5<sup>th</sup> agenda.

**Council Recommendation**

Approve the ordinances granting the jurisdictional transfer of right-of-way and temporary construction easements on Pulaski and Tremont Streets as presented.

**AN ORDINANCE AUTHORIZING THE EXECUTION OF A JURISDICTONAL TRANSFER AGREEMENT BETWEEN THE CITY OF LINCOLN AND THE STATE OF ILLINOIS FOR TWO PARCELS LOCATED NORTH AND SOUTH OF PULASKI STREET, JUST EAST OF AND ADJACENT TO THE UNION PACIFIC RAILROAD RIGHT-OF-WAY FOR IMPROVEMENTS ASSOCIATED WITH THE HIGH SPEED RAIL PROJECT**

---

**WHEREAS**, the City of Lincoln is incorporated under the laws of the State of Illinois and has jurisdiction over matters pertaining to its government and affairs; and

**WHEREAS**, the State of Illinois and the City of Lincoln, in the interest of safety and efficient movement of vehicular and pedestrian traffic, are desirous of transferring jurisdiction of two parcels of real property, one located in the northeast quadrant of the intersection of Pulaski Street and the Union Pacific Railroad, and the other located in the southeast quadrant of the intersection of Pulaski Street and the Union Pacific Railroad, to facilitate improvements needed for the High Speed Rail project along the Union Pacific Railroad tracks; and

**WHEREAS**, it is in the best interest of the City to execute the "Local Agency State Agreement for Jurisdictional Transfer," and its attached plats; and

**WHEREAS**, a copy of the "Local Agency State Agreement for Jurisdictional Transfer," and its attached plats shall be on file in the Office of the City Clerk.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF LINCOLN, ILLINOIS:**

**Section 1:** That the City Council hereby approves execution of the "Local Agency State Agreement for Jurisdictional Transfer," and its attached plats, with the State of Illinois Department of Transportation for jurisdictional transfer of the two parcels located north and south of Pulaski Street, just east of and adjacent to the Union Pacific Railroad Right-of-Way.

**Section 2:** That the jurisdictional transfer shall become effective 21 calendar days after Approval of Land Conveyance.

**Section 3:** That this ordinance shall become effective immediately upon its passage and recording by the City Clerk.

PASSED: \_\_\_\_\_, 2016

SIGNED: \_\_\_\_\_, 2016
