Amendments for Budget Document for Fiscal Year 2023-2024

Several inaccuracies were found in the budget summaries that result from mistyped or miscalculated entries. These amendments ensure all detail rolls up into the summary pages. Below are the errors, descriptions, and corrections listed by page number.

These inaccuracies stem from three distinct errors and are three distinct colors for greater ease in navigating through the points below and the budget document. Each highlighted item will have the corresponding letter bullet point from the referenced page next to it.

Yellow - Parkland in Lieu

Green - American Rescue Plan (ARP)

Purple - General Fund

- **Page 9, Total Budget Overview:**

- A. Under Revenues at Parkland in Lieu, the last column should show 95,000 instead of 100,000.

- This is traced back to a miscalculation on page 53. At Subtotal – Investment Income, the subtotal shows 50,000 when the actual subtotal is 45,000 as Interest Income, with a budget of 45,000, is the only line item. This correction reduces the Total Revenue from 100,000 to 95,000.

- B. Under Revenues at American Rescue Plan (ARP), the last column should show 20,000 instead of 10,000.

- This is traced back to a miscalculation on page 64. At Subtotal – Investment Income, the subtotal shows 10,000 when the actual subtotal is 20,000 as Interest, with a budget of 20,000, is the only line item for Investment Income. This correction increases the Total Revenue from 10,000 to 20,000.

- C. Under Expenditures at General Fund, the last column should show 15,688,737 instead of 15,694,865.

- This is traced to an incorrect Municipal Court Operating Expense total of 349,994 on page 14, which shows the 7/20/23 Proposal total instead of the 8/9/23 Proposal total 343,866 found on page 32 (See Page 32, A.). This correct total shows a difference of -6,128 from the 7/20/23 Proposal, which is detailed on page 31 (See Page 31, A.). This correction reduces the General Fund Expenditures from 15,694,865 to 15,688,737.

- **Page 10, Total Budget Overview, Revenue Over/(Under) Expenditures:**

- A. At General Fund, the last column should show (5,885,798) instead of (5,891,926).

- See bullet point Page 9, C. The correct Municipal Court Operating Expense total of 343,866 raises the Over/(Under) from (5,891,926) to (5,885,798).

- B. At Parkland in Lieu the last column should show (165,000) instead of (160,000).

- See bullet point Page 9, A. The correct Investment Income subtotal of 45,000 raises the Over/(Under) from (165,000) to (160,000).

- C. At American Rescue Plan (ARP) the last column should show (747,400) instead of (757,400).

- See bullet point Page 9, B. The correct Investment Income subtotal of 20,000 raises the Over/(Under) from (757,400) to (747,400).

- **Page 11, Consolidated Fund Balance Statement – Major Funds:**
 - A. At General Fund the last two columns should show 15,688,737 and 9,585,233, respectively, instead of 15,694,865 and 9,579,095.
 - See bullet point Page 9, C. The corrected total for Proposed Expenses FY 2023-2024 increases the calculated Fund Balance 10-01-24 to 9,585,233.
- **Page 14, General Fund Expense Summary:**
 - A. Under Operating Expenses at Municipal Court, the last column should show 343,866 instead of 349,994.
 - See bullet points Page 9, C., Page 31, A., and Page 32, A. The correct total of 343,866 found on page 32 reflects budget expenses for Property & Insurance and Workers' Compensation Insurance on page 31 in the Contractual Services category.
 - B. At TOTAL – Operating Expenditures, the last column should show 9,512,399 instead of 9,518,527.
 - See bullet point Page 14, A. This correction decreases the General Fund Operating Expenditures total from 9,518,527 to 9,512,399.
 - C. At TOTAL Operating Revenues Over/(Under) Expenditures, the last column should show 290,540 instead of 284,412.
 - See bullet point Page 14, A. This correction increases the General Fund Over/(Under) total from 284,412 to 290,540.
 - D. At TOTAL – Expenditures, the last column should show 15,688,737 instead of 15,694,865.
 - See bullet point Page 14, A. This correction decreases the General Fund Expenditures from 15,694,865 to 15,688,737.
 - E. At TOTAL – Revenues Over/(Under) Expenditures, the last column should show (5,885,798) instead of (5,891,926).
 - See bullet point Page 14, A. This correction raises the General Fund Over/(Under) total from (5,891,926) to (5,885,798).
 - F. At the General Fund Balance Summary at the bottom left, Proposed Operating Expenses FY 2024 should be (9,512,399) instead of (9,518,527), which changes the Proposed 10-01-2024 Ending Balance calculation to 9,585,223 instead of 9,579,095.
 - See bullet point Page 14, B.
- **Page 31, Municipal Court:**
 - A. This entry is correct and is for reference for bullet points Page 9, C., and Page 14, A. The budget totals for Property & Insurance and Workers' Compensation Insurance for the 7/20 and 8/9 Proposals are highlighted because they are the only differences between the two proposals for Municipal Court expenses.
- **Page 32, Municipal Court:**
 - A. This entry is correct and is for reference for bullet points Page 9, C., and Page 14, A. The highlight shows the correct budgeted total for Municipal Court expenses.

- **Page 53, Parkland in Lieu:**
 - A. Under Revenues Subtotal – Investment Income, the last column should show 45,000 instead of 50,000.
 - See bullet point Page 9, A. The correct subtotal is 45,000, as Interest Income, with a budget of 45,000, is the only line item for Investment Income.
 - B. The last column at TOTAL – Revenue should show 95,000 instead of 100,000.
 - See bullet point Page 9, A. The total of In Lieu Fees, 50,000, and Investment Income, 45,000, is 95,000.
 - C. The last column at TOTAL – Revenues Over/(Under) Expenditures should show (165,000) instead of (160,000).
 - See bullet points Page 10, B. and Page 9, A.
- **Page 64, American Rescue Plan (ARP):**
 - A. The last column at Subtotal – Investment Income should show 20,000 instead of 10,000.
 - See bullet point Page 9, B. The correct subtotal is 20,000 as Interest, with a budget of 20,000, is the only line item for Investment Income.
 - B. The last column at TOTAL – Revenue should show 20,000 instead of 10,000.
 - See bullet point Page 9, B. Interest is the only Revenue for this Fund.
 - C. The last column at TOTAL – Revenues Over/(Under) Expenditures should show (747,400) instead of (757,400).
