3. Site Standards

The requirements contained in Chapter 27 (relating to zoning) shall apply except as provided herein:

- A. Minimum Lot Area. The lot area shall be determined on the basis of yard requirements, coverage, parking, and buffer yard requirements; however, in no case shall a lot area for a self-storage facility be less than four (4) acres.
- B. Impervious Surface. No portion of the lot shall be paved with asphalt, concrete or other substance that prevents infiltration of water within 30 feet from the lot line of a residential use or a residential or agricultural district or within 10 feet from the lot line when abutting a non-residential/non-agricultural district.

C. Ingress and Egress.

- (1) Access to the site shall be limited to access driveways onto arterial streets, provided that the Board of Supervisors may authorize or require alternative ingress and egress routes when the site has frontage on other streets or abuts a residential use or residential district.
- (2) The width of the access driveway entrance shall be a minimum of 30 feet.

D. Yard and Yard Separation Requirements.

- (1) Any yard abutting a public street or any residential use or district shall be landscaped with pervious screening and buffer yards in accordance with the prevailing ordinances and regulations and maintained for its entire length with appropriate vegetative planting materials.
- (2) Whenever a self-storage unit facility with a building area equal to or greater than 50,000 square feet abuts a residential use or residential district or a street abutting a residential use or residential district, an earthen berm of not less than six feet in height shall be provided except that in yard areas that abut wetlands, streams and other natural barriers, the elevated earthen berm requirement may be modified with approval from the Board of Supervisors as part of the conditional use approval. Landscaping shall be provided on the earthen berm.
- (3) The property owner is responsible for maintenance of the landscaping.

E. Screening and Buffering Requirements. Landscape plans, prepared by a Landscape Architect registered as such in the Commonwealth of Pennsylvania, shall be submitted as part of the site plan that demonstrates compliance with 27 § 1609(5) and the following provisions:

- (1) The portion of the lot or tract not used for buildings, other structures or off-street parking space or loading space shall be planted and continually maintained with an all-season ground cover and otherwise landscaped in accordance with a landscaped plan approved by the Township.
- (2) A minimum perimeter buffer yard may coincide with side or rear yards when abutting a non-residential/non-agricultural districts.
- (3) No principal or accessory building(s) or other structure(s), signs, loading areas, outdoor storage area, parking area, driveway or vehicle circulation road shall be located within any buffer yard.

- (4) A completely landscaped visual barrier, or landscape screen, shall be provided and continually maintained within the perimeter buffer.
- (5) Landscape screening from adjoining properties and roads shall be provided by an opaque sight barrier as follows:
 - a. Two (2) rows of evergreen trees at least six (6) feet in height shall be planted at intervals no greater than twenty (20) feet on center in a buffer area a minimum of ten (10) feet in width.
 - b. Evergreen trees shall be backed by a fence between six (6) and eight (8) feet in height.
 - c. Shrubs at least three and one-half (3½) feet in height and other plant material shall be planted to provide a complete ground cover within the buffer area.
 - d. No less than 80% of the required landscape area shall be vegetative in composition.
 - e. The rear and side yard perimeter of the facility shall be surrounded along the inside by a fence between six (6) and eight (8) feet in height.
 - f. The front yard perimeter shall be secured by a transparent ornamental metal fence, or other fence between six (6) and eight (8) feet in height, with a self-locking security access gate.
 - g. No fences or gates shall have razor wire or barbed wire.

F. Off-Street Parking. The requirements contained in Chapter 22, Part 608 (Off-Street Parking and Common Area Parking Lots) and Chapter 27, Part 16 (General Regulations) and Part 19 (Off-Street Parking) shall apply except as otherwise provided herein:

- (1) If the facility includes an on-site office building, such office shall have off-street parking provided outside the security access gate.
- (2) A sufficient number of off-street parking spaces shall be provided to accommodate visitors to the self-storage facility office, if there is such an office, but in no case shall there be fewer than the greater of (A) three (3) spaces, plus one (1) additional space for each full-time employee; or (B) one (1) parking space for every 200 square feet of net floor area. The net floor area for this purpose shall exclude corridors, stairs, elevators shafts, mechanical rooms or restrooms.
- (3) Handicap parking should be clearly labeled and located closest to the office door.
- (4) A pedestrian entrance to the secured area of the self-storage facility inside the security access gate shall be provided, which shall be separate from the vehicle entrance.
- (5) The vehicle approach and entrance to the secure area of the self-storage facility shall have a minimum seventy-five (75) foot stacking space.

E. Interior Layout. The interior layout inside the secure area of the self-storage facility shall meet the following requirements:

- (1) Driveway lanes shall be a minimum of thirty (30) feet wide when self-storage units open into one side of the lane only and a minimum of forty-five (45) feet when units open into both sides of the lane.**
- (2) Loading spaces shall be provided adjacent to self-storage units.**
- (3) Loading spaces may not be rented, used for vehicular storage or to accommodate overnight parking.**

4. Vehicle Storage Requirements

The requirements contained in Chapter 22, Part 608 (Off-Street Parking and Common Area Parking Lots) and Chapter 27, Part 16 (General Regulations) and Part 19 (Off-Street Parking) shall apply except as otherwise provided herein:

- A. A self-storage facility may allow for the lease or rental of a self-storage unit for the indoor storage of privately owned personal vehicles and Class I and II vehicles that are in good operating and road-worthy condition.**
- B. A self-storage facility may allow, as an accessory use to the self-storage facility, the outdoor storage of privately owned personal vehicles and Class I and Class II vehicles that are in good operating and road-worthy condition in accordance with the following requirements:**
 - (1) Each personal or recreational vehicle must be parked in a designated vehicle parking space within the secure access-controlled area.**
 - (2) The number of vehicle parking spaces shall not exceed ten (10) percent of the total number of storage units within the self-storage facility. For example, if there are 100 self-storage units in the self-storage facility, no more than 10 outdoor vehicle parking spaces shall be permitted.**
 - (3) Shrink wrap or vehicle covers may be used to cover or winterize a vehicle stored outdoors at a self-storage facility provided that such shrink wrap or vehicle covers are in good shape and securely fastened at all points.**

SECTION 4. Directives.

The Township Zoning Officer is directed to review the Zoning Ordinance in accordance with this Ordinance, and to cause the list of Zoning Reclassifications in Article B of Part 2 of the Zoning Ordinance to be updated to reflect such changes.

SECTION 5. Repealer

All ordinances or parts of ordinances inconsistent herewith or in conflict with any of the specific terms enacted hereby, to the extent of said inconsistencies or conflicts, are hereby specifically repealed.

SECTION 6. Revisions

The Board of Supervisors does hereby reserve the right, from time to time, to adopt modifications of, supplements to, or amendments of its zoning ordinance, including this provision.

SECTION 7. Severability

In the event any provisions, sections, sentences, clause, or part of this Ordinance Amendment shall be held to be invalid, illegal or unconstitutional by a court of competent jurisdiction, such invalidity, illegality, or unconstitutionality shall not affect or impair the remaining provisions, sections, sentences, clauses, or parts of this Ordinance Amendment, it being the intent of the Board of Supervisors that the remainder of the Ordinance Amendment shall remain in full force and effect.

SECTION 8. Effective Date

This Ordinance Amendment shall take effect and be in force five (5) days after its enactment by the Board of Supervisors of Londonderry Township as provided by law.

DULY ORDAINED and ENACTED this 1ST day of April, 2024, by the Board of Supervisors of Londonderry Township, Dauphin County, Pennsylvania, in lawful session duly assembled.
