

TOWN OF MAINE

LOCAL LAW NO. 2-2024

**A LOCAL LAW AFFECTING A TEMPORARY MORATORIUM
WITHIN THE TOWN OF MAINE ON BATTERY ENERGY STORAGE SYSTEMS**

Be it enacted by the Town Board of the Town of Maine as follows:

Section 1. TITLE.

This Local Law shall be known as the “Moratorium on Battery Energy Storage Systems”.

Section 2. AUTHORITY AND INTENT; FINDINGS; PURPOSE.

A. Authority and Intent.

This Local Law is intended to be consistent with and is adopted pursuant to the authority granted to the Town Board of the Town of Maine under the New York State Constitution and the Laws of the State of New York, including but not limited to the following authorities: New York State Constitution Article IX, § 2 (c); Municipal Home Rule Law §§ 10 and 20 through 27; Statute of Local Governments § 10; New York State Town Law §§ 264 and 265; and the State Environmental Quality Review Act and its implementing regulations.

This Law is a zoning and land use regulation, which is intended to act as and is hereby declared to exercise the permissive “incidental control” of zoning and land use law that is concerned with the broad area of land use planning and the physical uses of land within the Town.

B. Findings.

The Town Board hereby finds that it is in the interest of public health, safety and welfare to address, in a careful and thorough manner, the activities prohibited by Section 4 of this Local Law. In order to accomplish this, the Town requires a reasonable period of time to further study the potential impacts and effects on land, the environment and the public in general caused by such activities, and to consider possible amendments to the Town’s laws and/or comprehensive plan to address the same.

C. Purpose.

The purpose of the Local Law is to enable the Town of Maine to stay the construction, operation, and establishment of, and the submission and processing of applications for permits, zoning permits, special permits, zoning variances, building permits, operating permits, site plan approvals, subdivision approvals, certificates of occupancy, certificates of compliance, temporary certificates, and other Town-level land use approvals respecting the activities prohibited by Section 4 of this Local Law, for a reasonable time, so as to allow the Town time to study the potential impacts, effects, and possible controls over such activities and to consider

possible amendments to the Town's laws and/or comprehensive plan to address the same. The Town Board finds that a moratorium of one (1) year duration, coupled with an "unnecessary hardship" variance procedure and a provision for the "grandfathering" of legal, pre-existing non-conforming uses, will achieve an appropriate balance of interests between (i) the need to safeguard public health, safety and welfare, as well as the character and other resources of the Town of Maine; and (ii) the rights of individual property owners.

Section 3. DEFINITIONS.

For purposes of this Local Law, the following terms shall have the meanings respectively set forth below:

BATTERY ENERGY STORAGE SYSTEM – One or more devices, assembled together, capable of storing energy in order to supply electrical energy at a future time, which may consist of batteries, chargers, controls, power conditioning systems, and associated accessories, but shall not include a stand-alone 12-volt car battery or an electric motor vehicle. This definition shall include all classifications of battery energy storage systems.

TOWN --- The Town of Maine, Broome County, New York.

TOWN BOARD --- The Town Board of the Town of Maine.

Section 4. MORATORIUM AND PROHIBITION.

A. From and after the effective date of this Local Law, no application for a permit, zoning permit, special permit, zoning variance (except as contemplated by Section 7 of this Law), building permit, site plan approval, subdivision approval or any other Town-level approval shall be accepted, processed, approved, approved conditionally, or issued for the construction, establishment, use or operation upon any land, body of water, building or other structure located within the Town a Battery Energy Storage System.

B. From and after the effective date of this Local Law, no Person shall use, cause, or permit to be used, any land, body of water, building or other structure located within the Town for a Battery Energy Storage System.

C. This moratorium and prohibition shall be in effect beginning on the effective date of this Local Law and shall expire on the earlier of (i) that date which is one (1) year after said effective date, or (ii) the effective date of a duly enacted repeal of this Local Law.

D. This moratorium and prohibition shall apply to all real property within the Town.

E. Under no circumstances shall the failure of the Town Board, the Town Planning Board or the Town Code Enforcement Officer to take any action upon any application for a permit, zoning permit, special permit, zoning variance, building permit, site plan approval, subdivision approval, or other Town-level approval constitute an approval by default or an approval by virtue of expiration of time to respond to such application.

Section 5. PENALTIES.

A. Compliance Orders. The Code Enforcement Officer is authorized to order, in writing, the remedying of any condition or activity found to exist in violation of this Local Law. If the condition or activity is not remedied after the issuance of a compliance order, then an appearance ticket may be issued as provided hereinafter.

B. Appearance Tickets. The Code Enforcement Officer is authorized to issue appearance tickets for any violation of this Local Law. Any person who violates any provision of this Local Law shall be deemed guilty of a violation and, upon conviction thereof, shall be subject to a fine of not more than \$250 or to imprisonment for not more than 15 days, or both such fine and imprisonment. Each week's continued violation shall constitute a separate, additional violation.

C. Civil Penalty. In addition to those penalties prescribed herein, any person who violates any provision of this Local Law shall be liable to a civil penalty of not more than \$2,500 for each day or part thereof during which such violation continues. The civil penalties provided by this section shall be recoverable in a civil action instituted in the name of the Town of Maine.

D. Injunctive Relief. An action or proceeding may be instituted in the name of the Town of Maine, in a court of competent jurisdiction, to prevent, restrain, enjoin, correct, or abate any violation of, or to enforce, any provision of this Local Law. No action or proceeding described in this subdivision shall be commenced without the appropriate authorization from the Town Board.

E. Remedies Not Exclusive. No remedy or penalty specified in this section shall be the exclusive remedy or penalty available to address any violation of this Local Law. Any remedy or penalty specified in this section and/or any other remedy or penalty provided by law, may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in this section. In addition to the above-provided remedies, the Town Board may also seek reimbursement to the Town for costs incurred by the Town in identifying and remedying each violation, including but not limited to, reasonable attorney's fees.

Section 6. GRANDFATHERING OF LEGAL, PRE-EXISTING NON-CONFORMING USE.

Notwithstanding any provision hereof to the contrary, any Battery Energy Storage Systems in the Town that have been duly approved as of the effective date of this Local Law, which are being operated in accordance with all applicable laws and regulations and in compliance with all valid permits required to be issued by the New York State Department of Environmental Conservation ("DEC") and all other federal, state and local regulating agencies, shall be considered a pre-existing, non-conforming use and shall be allowed to continue, subject, however, to the provisions of this Section.

Any expansion of a lawful, pre-existing nonconforming use shall not be grandfathered under this Section, and instead shall in all respects be prohibited as contemplated by Section 4 hereof. "Grandfathered" and lawful pre-existing uses neither have nor possess any right to expand such

non-conforming use, whether above or below ground, and no such right shall be deemed, construed, or implied to exist.

Section 7. HARDSHIP USE VARIANCE.

The Zoning Board of Appeals is hereby authorized to accept and review (after public notice and hearing and in accordance with the requirements of law and of this Local Law) requests for a hardship use variance from application of the provisions of this Local Law by any Person aggrieved hereby.

No such use variance shall be granted without a showing by the applicant that applicable regulations and restrictions have caused unnecessary hardship. In order to prove such unnecessary hardship the applicant shall demonstrate that for each and every permitted use under the zoning regulations for the particular district where the property is located: (i) the applicant cannot realize a reasonable return, provided that lack of return is substantial as demonstrated by competent financial evidence; (ii) that the alleged hardship relating to the property in question is unique, and does not apply to a substantial portion of the district or neighborhood; (iii) that the requested use variance, if granted, will not alter the essential character of the neighborhood; and (iv) that the alleged hardship has not been self-created.

In the event a hardship use variance from the provisions of this Local Law is granted to the applicant, the applicant shall be required to comply with all provisions of the Town's then applicable land use laws and other laws and regulations. The Zoning Board, in the granting of a hardship use variance, shall grant the minimum variance that it shall deem necessary and adequate to address the unnecessary hardship proved by the applicant, and at the same time preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

Section 8. SEVERABILITY.

If any word, phrase, sentence, part, section, subsection, or other portion of this Local Law, or the application thereof to any person or to any circumstance, is adjudged or declared invalid or unenforceable by a court or other tribunal of competent jurisdiction, then, and in such event, such judgment or declaration shall be confined in its interpretation and operation only to the provision of this Local Law that is directly involved in the controversy in which such judgment or declaration is rendered, and such judgment or declaration of invalidity or unenforceability shall not affect or impair the validity or enforceability of the remainder of this Local Law or the application hereof to any other persons or circumstances. If necessary as to such person or circumstances, such invalid or unenforceable provision shall be and be deemed severed herefrom, and the Town Board of the Town of Maine hereby declares that it would have enacted this Local Law, or the remainder thereof, even if, as to particular provisions and persons or circumstances, a portion hereof is severed or declared invalid or unenforceable.

Section 9. SUPERSEDING INTENT AND EFFECT.

It is the specific intent of the Town Board that this Local Law shall supersede any inconsistent provisions of Sections 267, 267-a, 267-b, 274-a, 274-b and 276 of the Town Law of the State of

New York, as well as all other inconsistent provisions of local ordinances, local laws, or local resolutions or policies of the Town of Maine, including but not limited to provisions of the aforementioned state and local laws, ordinances, resolutions or policies that require the approval, or affect a default approval of land use applications within certain statutory time periods.

Section 10. GENERAL PROVISIONS.

A. The Code Enforcement Officer is hereby designated as the enforcement officer for purposes of interpreting and enforcing this Local Law.

B. The section and other headings and titles to clauses and phrases in this Local Law are for convenience only, and shall not be used or construed to limit or define the scope or application of the clauses and phrases so following such headings or titles.
