*Explanation: The current weights & measurers fee schedule was adopted by the town in 2007 and has never been increased. Until last year, the state has billed the town \$5,000 per year to conduct the inspections. Upon reconsideration, the state made the decision to no longer offer inspectional services to Mansfield based on the Town's population according to the last census. The Town is now required to provide inspections of Weights & Measures at an increased cost of more than \$10,000.*
