MEMORANDUM**MEDFORD TOWNSHIP
POLICE DIVISION**

DATE: December 22, 2022
TO: Lt. George Jackson #2559
FROM: Sgt. James Albertson #2562 *JA*
RE: No parking for Fairview Road and Woods Drive,
Recommendations for changes to Municipal Ordinance

In July of 2022, a proposal for parking regulations was forwarded to the Medford Twp. Engineer.

On December 16, 2022, I received correspondence back from Engineer Christopher Noll who reviewed the parking proposal and agreed to the recommendations.

Originally, the proposal was:

1. Woods Drive, in both directions along the entire length of the roadway.
2. Fairview Road
 - a. From the intersection of Woods Drive on the northbound side to a point 700 feet west.
 - b. From the intersection of Woods Drive on the southbound side to a point 300 feet west to the exit of Cranberry Pines School

After reassessing the parking issue on Woods Drive, due to a return of normal pick up and drop off procedures at Cranberry Pines School, I would be recommending:

1. Woods Drive, modification of the proposal for the entire length of Woods Drive to only post:
 - a. Posting statutory regulation parking signs for:
 - i. distance from stops signs,
 - ii. crosswalks,
 - iii. and intersecting streets
 - b. Posting the "no parking on this side of street" or similar signs to prevent parking along the raised barrier/road divider on Woods Drive.
2. Fairview Road, the recommendation is the same as the proposed:
 - a. From the intersection of Woods Drive on the northbound side to a point 700 feet west.
 - b. From the intersection of Woods Drive on the southbound side to a point 300 feet west to the exit of Cranberry Pines School
