The System Administrator shall file notice with the Department of State that the records have been destroyed in accordance with this paragraph.
- E. - B. If an owner receives a notice of violation under this Ordinance of a time period during which the vehicle was reported to a police department of any state or municipality as having been stolen, it shall be a defense to a violation under this section that the vehicle has been reported to a police department as stolen prior to the time the violation occurred and not been recovered prior to that time.
- C. It shall be a defense to a violation under this Ordinance that the person receiving the notice of violation was not the owner or lessor of the vehicle at the time of the offense.
