Chairperson Judie Wright called the meeting to order at 7:03 pm. A quorum was present. There was a motion by Brian Doliver to accept the minutes from the March, 2015 meeting, seconded by Alana Golden.

Correspondence:

Mr. Thomas R. Holmes addressed the commissions stating the City of Norwich lacks adequate pedestrian access to walkways and crosswalks for members of the community who are walking thought out the City. Areas of concern are lack of sidewalk access to Weiler Park from North Broad St no sidewalks on Plymouth St from Pleasant Street west toward the City Limits. Mr. Holmes provided information on what makes a city walkable and what government programs are available and encouraged commission members to look forward and make Norwich a more walkable City. Mr. Holmes provided internet sites; smartgrowthamerican.org, complete the streets (www.dot.ny.gov), saferoutesinfor.org. ACP Burlison to contact NYS DOT and request a safety study for North Broad St/Borden Ave and Plymouth St/Pleasant Street.

Old Business:

- ☐ No action taken on parking request for the County Court House/ West Park Pl. (Posting temporary no parking signs while trials are in session.)
- ☐ Brian Doliver made a motion for posting the east side of Guernsey Street from Henry Street to Cortland Street with No Parking from 8 am to 6 pm except Sat/Sun and Holidays, seconded by Alana Golden. Request forwarded to Common Council.
- ☐ The signage at the intersection of East Main/Birdsall St and North Broad St/Rexford Street is correct.

- The request for no parking signage for the east side of Locust Street will be forwarded to the Common Council.

New Business:

NONE

Motion by Frank Revoir to adjourn the meeting, seconded by Christine Edwards, meeting adjourned at 7:39 pm. Next meeting will be September 12, 2015 at 7:00 pm.
