Correspondence:

The owner of Park Place restaurant would like to see the bus stop moved from East Park Place to a different location. The city is working with TC Transit and has found a location on West Main Street between Court and Guernsey St. ACP Burlison provided each member with a Google earth map with the layout of the bus stop.

Request for the Traffic Commission to review the parking situation on Hickok Ave., during the summer months, a Head Start bus was having difficulties passing parked vehicle when they were directly parked across from each other. Parking is allowed on both sides of the street.

Old Business:

Members reviewed the request to post Marconi Ave. with No Parking signs. Motion by Terri Grey to post the north side of Marconi Ave. no parking, seconded by Brian Doliver. Pending Common Council approval

New Business:

Chairman Brookins requested each member review the parking issue on Hickok Ave. before the next meeting in October.

Motion by Russell Husted to move the bus stop from East Park Pl. to the proposed location on West Main Street, second by Terri Grey. The Common

Council would have to amend the no parking here to corner, ordinance of 50' and pass an ordinance to move the current no parking here to corner sign 65' west from the intersection of Court and West Main St. The commission recommends posting no parking signs "Bus Stop only from 6 am to 6 p.m. Mon-Fri". This would allow the parking spaces to be used after the buses stop operating for the day.

Terry Grey discussed the parking issue with a R.V. parked on Plymouth St. north of the Cortland Street intersection. The R.V. is causing motorist difficulty when they are overtaking the R.V. and traffic is entering onto Plymouth St..

Chairman Brookins requested member's review the R.V. parking on Plymouth St. before October's meeting.

Motion by Brian Doliver to adjourn the meeting, seconded by Russell Husted, meeting adjourned at 7:22p.m.

Next meeting will be October 9th 2013 at 7:00 p.m.
