Correspondence:

Traffic Commission received a written letter from Barbara Boyle with concerns about pedestrians crossing NYS Rt. 12 from Borden Ave. to the west side of North Broad Street to walk on the sidewalk. Barbara stated traffic is not allowing pedestrians to cross the street and she requested the commission look into finding a solution. Chairman Brookins requested ACP Burlison contact NYS DOT for information on this matter since it is a New York State highway.

Old Business:

DPW placed a No Parking Here to Corner sign on Plymouth St. north of Cortland St., on the west side of the street.

Commission tabled the Berry Street parking complaint until further information is available on Roots and Wings relocating in the distant future.

No action taken on the complaint about the trees and light pole at the intersection of Berry and Silver Street blocking motorist view of Silver Street.

New Business:

George Cleveland reports a large tree at the intersection of Brown Ave. and South Broad St that is blocking the view for motorist travelling south onto South Broad St. Chairman Brookins requested each member view the intersection before the next meeting in January 8th, 2014.

Before the meeting was adjourned, Mayor Maiurano presented Chairman Brookins and George Cleveland with certificate of appreciation from the City of Norwich for years of service while serving on the traffic commission. Chairman Brookins served 10 years and Mr. Cleveland served 19 years on the traffic commission before retiring from the commission.

Motion by George Cleveland to adjourn the meeting, seconded by Brian Doliver, meeting adjourned at 7:33 p.m.

Next meeting will be January 8, 2014 at 7:00 p.m.
