

MINUTES  
City of Norwich, Water Commission  
September 17, 2008

Present: Comm. D. Wilson, Comm. T. Bresina

Also Present: Mayor J. Maiurano, C. Ivarson

Comm. D. Wilson opened the meeting at 7:10 p.m.

As there was not a quorum, no items could be moved or approved

There were items discussed between those in attendance:

Shore line repair at Chenango Lake submitted by D. Wilson, items 1 & 2 of the requested work are in accordance with City rules and regulations, item 3 where a change to the shore line was requested by adding rip-rap in front of the stone wall does not meet city requirements. D. Wilson agreed not to install the rip-rap.

Level of Chenango Lake during winter months: Lake valves are open after labor day to lower the lake level to approximately 18 inches below the high water mark. The existing lake line should be replaced or cleaned. Superintendent is working on pricing of same.

Watershed inspections of sanitary systems was discussed. The formation of a sewer district or sewer authority for Chenango Lake watershed area needs to be forwarded to the Town of New Berlin by the homeowners in the Chenango Lake watershed, discussion on delaying the city inspections while the Town & homeowners discuss the implementation of a sewer district, the city is required to move forward with its inspections.

Adjournment:

The meeting was adjourned at 8:40 p.m.
