Treasurers Report;

No report due this month

Superintendents Report:

RBC Update: Contractor working on submitting required paper work before we can set a pre-construction meeting.

Filter Study: on going, USDA-RD seems to be able to support larger grants then in the past. City working on securing the best financing available for this project, which needs a substantial grant to be affordable.

Screw Pump repairs are being made on # 2 & 3 screw pumps.

USEPA: Total Maximum Daily Load (TMDL) regulations are being set for the excess Nitrogen & Phosphorus that reach the Chesapeake Bay. We will not know what effect this regulation will have on the wastewater plant until the limits are set.

There will be no meeting in December
