Winter 2014 Programs: 148 registrations have been received for winter activities. More will be recorded on site with the instructors. The 2013 season totaled 187 so we should be on track to meet or surpass that amount.

B. Burton noted an entry on FACEBOOK by Norwich Little League of 22 ball players at our practice at the indoor soccer center.

Totals as of 1/1/14

Dance 25	Wrestling 51	Baseball 7	Softball 5
Elks Fall Bowling 19	Elks Winter Bowling 13	Plaza Lanes (1) 12	Plaza Lanes (2) 7
Volleyball 9			

51 Girls 97 Boys

Openings remain in most programs. Most programs are being run by volunteers.

Skating Facility: It has been another difficult weather season at the ice rink. We get ice then it rains and melts. There were two open days in December and three thus far in January. 156 skaters were at the rink during those days once again proving the popularity of the facility when we have ice. The rink “may” have been open another 5 days had the surface not been damaged when it was soft and then refroze.

Chenango Tobacco Free Coalition would like to sponsor a community skate party on February 1st. This would be co-supported by Beadle’s 2013 Earth Day Celebration and the Youth Bureau. DJ Service, food, drinks and door prizes to be provided. Event will be a pre-Super Bowl/Ground Hog Day party (Weather and ice conditions permitting).

Binghamton Senators: There was some discussion regarding selling tickets as a fund raiser for another Binghamton Senators game. After some discussion members present decided not to participate this season.

Having no further business the meeting was adjourned at 7:24 PM.

The next regular meeting of the City of Norwich Youth Board will be Wednesday February 5th, 2014 at 7:00 in the City Hall meeting room.
