

City of Norwich
Traffic Commission
Minutes
December 8, 2010

Members Present

B. Merritt, Chairman
T. Knapp
G. Brookins

Present

D. Smith, ACP

Meeting called to order by Chairman Merritt at 7-30PM.

Motion to accept the minutes from the November 10, 2010 meeting made by G. Brookins and seconded by T. Knapp.

Correspondence: No Correspondence received.

Old Business:

Chairman Merritt advised he has not seen any new signs on Plymouth Street showing truck traffic that State Rte 23 turns left onto Pleasant Street.

T. Knapp advised the "no parking" signs on Berry Street across from the Roots and Wings entrance have not been erected yet.

Committee members discussed the parking along the curb on the south side of Conkey. Members agreed there have not been any events recently at Perry Browne school that would create the need to park along the curb. Committee agreed to keep watch of that area to see if parking becomes an issue.

New Business:

G. Brookins advised there was a 30 second called in about the brightness of the street lights in the down town area. Members agreed the illumination of the crosswalk near NBT Bank is poor. I advised that a few months ago this issue was presented and I contacted DOT and they advised there was not a certain standard for the amount of lumination street lights are to give off. G. Brookins asked that Carl Ivarson be contacted to see if there was a change in lumination when the new street lights were put in for the downtown area.

With no further business to discuss a motion was made by T. Knapp to adjourn which was seconded by G. Brookins.

Meeting was adjourned at 7-41PM.
